

FEDERALS INDUCE NORTHWEST UMPIRE TO JUMP HIS CONTRACT

FIELDER JONES HAD GARNET BUSH HIRED FOR NORTHWESTERN

First Case on Record Where Arbitrator Hops Over to New Outlaw Circuit.

When Garnet C. Bush, deposed umpire of the Pacific Coast league, signed a contract with the Federal league yesterday to act as one of its umpires, the first case on a umpire hurdling to the outlaw side went on record. For Bush had signed a contract to umpire in the Northwestern league in 1914, according to an announcement of President Fielder Jones this morning. Jones stated that he had his three umpires for 1914 signed up but was not ready to announce the names, and the defection of Bush, made him pretty angry. This morning Fielder stated that he feared one of his other umpires, an eastern man who worked in Class AA baseball last year, would go to the Federal league, whereupon he would have all of his work to do over in the signing of men for his staff for next year.

PORTLAND SHOOTERS CONTINUE HIGH SCORE

Wilson, With "Possible" Is High Man in Both Matches.

The Portland Revolver club shooters still continue to make high scores in the United States Indoor Revolver league. In match 11 last evening, the local shooters bettered their high score mark of the season by making 1131. In match 12, the score of 1118 was registered.

Wilson registered a "possible" in the second round and made the score of 49 in the first and fifth rounds. Larry Evans also made a 49 score. The names of the clubs, which Portland met last night, are not known.

Table with match results for Wilson, Evans, Moore, Hubbard, Hansen, and a total score of 1116.

SENSATIONAL DORAS TO LIVE IN PORTLAND

The report from Notre Dame university of South Bend, Ind., that Charles Doras, the sensational quarterback of the Notre Dame team, would locate in Portland, confirms the story printed in The Journal on November 9, 1913, that Doras would play with the Multnomah Amateur Athletic club team in 1914.

With Doras on its roster and Peter Rodes coming back to the coast, Multnomah will not be shy on quarterbacks. There is a possible chance of Rodes playing a halfback position on the 1914 team.

The club's prospects for a championship aggregation this year are exceedingly bright. Practically every player of the 1913 squad will return and there is a possibility of the club landing several college graduates, including Christmas Eve's fish firm in Portland, will likely turn out with Multnomah's gridironers in the fall.

Leo Malarkey, the University of Oregon halfback, who has accepted a position with the Seattle fish firm in Portland, will likely turn out with Multnomah's gridironers in the fall.

ST. LOUIS CLUB WILL SUE PLAYERS IF THEY JUMP TO THE "FEDS"

Catcher Roche, Drafted From Calgary Club, First to Get Threatening Letter.

San Diego, Cal., Jan. 21.—Big league baseball club owners, apparently aroused by the raids the Federals are making in organized baseball, have resorted to court proceedings against any reserved player who signs with the new league. This is shown today by letters received by men whose services are claimed by the St. Louis National league club.

The first of such letters was received today by Catcher Jack Roche, drafted by the Cardinals from the Calgary club of the Western Canada league. It is a carbon or mimeographed copy, to which is attached the individual player's name with a typewriter and reads:

"The St. Louis league club of the National league has an option upon your services as a baseball player for the National league championship season of 1914.

"The St. Louis league club of the National league is willing to pay you more compensation than any other responsible baseball club.

"The National league championship season of 1914 will begin Tuesday, April 14, and ends on about Oct. 7.

Will Take Men Into Court. "In the event that any buyer whose services the St. Louis club has title to, signs a contract with a player of the National league, the St. Louis club of the National league will, by advice of counsel, protect itself in the courts against the player for damages, the amount to be determined by litigation.

"The St. Louis club has been given legal advice that a suit for damages against players will be a simple and direct means of protection of property interests and in the event that damage suits are instituted against a player or players, restraining orders preventing the player from playing baseball with an irresponsible baseball club will naturally follow, pending the outcome of such suits. Respectfully,

(Signed) "S. P. BRITTON, President. Roche has been approached by Geo. Stovall, manager of the Kansas City Federals, and has publicly announced that he was considering a federal contract. This announcement and rumors concerning Tesreau and Fromme, New York Giant pitchers, wintering here, and other major leaguers, is supposed to have prompted the letter from the club owners.

FOUR TOWNS COMPRISE NEW INLAND LEAGUE

Salary Limit Is Cut to \$1200 —W. N. Matlock Elected President.

Walla Walla, Wash., Jan. 21.—Deciding that the Western Tri-State league shall be a four club organization starting 1914 with Walla Walla, Pendleton, North Yakima and another town yet to be secured, electing W. N. Matlock, of Pendleton president, and L. M. Bouth of Walla Walla, secretary-treasurer and cutting the salary limit from \$1400 a month to \$1200 a month, directors of the Western Tri-State held their annual meeting in this city yesterday.

It was decided that the salary limit of \$1400 was too high and it was reduced to \$1200 the figure with which the league started two years ago.

Mr. Matlock, who was elected president to succeed W. N. Sweet of Boise, resigned as president of the Pendleton baseball club.

He and Secretary-treasurer Brown have been appointed a committee to secure a fourth town for a league. They are to report at another directors' meeting to be held within 10 or 15 days. It is probable that Baker is president of the league.

Baker has always been a good baseball town, and with the salary limit reduced it is believed by league officials that a berth will be accepted.

TICK MALARKEY QUITS UNIVERSITY OF OREGON

Hayward Will Lose Crack Track Athlete From 1914 Team.

University of Oregon, Eugene, Or., Jan. 21.—A puncture was made in Oregon's 1914 track prospects when Leo (Tick) Malarkey confirmed the rumor of the past few days that he would accept a position offered him with the Charles J. B. Malarkey company, Portland wholesale fish dealers.

This means that Hayward will lose the services of Malarkey on the track this spring and track prospects for the end of the present semester. With Gorecky, Lake and Kirkland, Malarkey was a member of the Columbia University of Portland interscholastic relay team which came within 1-5 of a second of the world's record at the University of Oregon's spring track meet here in 1911. Malarkey has done the 220 in 23 2-5 consistently and the 440 in 53 2-5.

Malarkey made left half on the Varsity football team last season and played in every game. Not once was time taken out for the little Irishman.

Wolgaest Shaping Up. Milwaukee, Wis., Jan. 21.—Ad Wolgaest, former lightweight champion, is rapidly rounding into form here today for his scheduled ten-round match next Friday night with Joe Rivers of Los Angeles. "If Rivers will only stand up and fight the bout will not go to the limit," Wolgaest said. "The Mexican does not like body punches, and that's what I will hand him."

Bob Brown of Vancouver has signed Outfielder Welts of the University of Washington team.

OLYMPIC CLUBBERS WILL TOSS BASKETS WITH 'M' MARCH 3

First Interclub Game Between Two Athletic Leaders Should Draw Well.

The Olympic club basketball quintet of San Francisco will be seen in action against the Multnomah Amateur Athletic club quintet on the "Winged M" floor on March 3. Manager Henry Fischer of the local club team last night received a letter from the Olympic club stating that his offer for a game on that date was accepted.

This will be the first interclub basketball game between the two leading athletic clubs on the Pacific coast, and promises to be one of the most exciting games in Portland this season.

The Multnomah team will play its first scheduled game of the season Saturday night against the Willamette university team. The "Winged M" players will hold their last practice tomorrow night. Saturday night's game will start promptly at 8:30 o'clock.

Arrangements for a preliminary game between the Columbia university and the McLaughlin club's teams to the Multnomah-Oregon Agricultural college game Tuesday night, January 27, was completed yesterday by Manager Fischer.

As soon as Fischer hears from the University of Oregon quintet, he will be able to complete his 1914 schedule. Manager Dean Walker offered the local club two dates, but both were already taken and the U. of O. manager is figuring on what other dates he can offer.

The McLaughlin and Christian Brothers teams of the City league will play the first game of the season on the Christian Brothers' floor. These quintets are tied for second place in the league and a hard game is looked for when the two sides clash.

MYERS ELECTED HEAD OF NORTHWEST ASS'N. FOR APRIL 6-11 MEET

Effort Being Made for 1914 Bowling Tourney to Exceed All Others in Interest.

E. A. "Dad" Myers was elected to succeed Phil L. Metschan Jr. as president of the Northwestern Bowling Association last night at an enthusiastic gathering of the local pin smashers. Press of business caused Metschan to resign.

The tournament will be held from April 6 to 11, starting on Monday and ending Saturday night. Every effort is being made to make the 1914 tournament the most successful ever staged in the Northwest.

The J. E. Kelly and M. L. Kline teams of the city league each won three games from their opponents last evening. Kruse and Bishop of the Kline team had the high averages of 193 and O'Donnell and Betche of the J. E. Kelly team were one point below the Kline duo.

The Hop Gold team defeated the Oregon team in two of three games and the Pacific Telephone pin smashers won two out of three games from the Multnomah bowlers. The scores of this match were low in comparison to the other two matches.

"Dad" Myers made the single game high score of 247, and Bishop made the second individual single game high score, 242.

CHAMP ALLEN ROLLS UP SCORE OF 200-118

Will Play Henry Solomon the Second Block of Pool Tonight.

Champion Bennie Allen's steadiness gave him a victory over Henry Solomon, the northwest champion, in the first block of their 400-point match last evening in the ring here at Falace, 200 to 118. The world's champion played a steady game and made several sensational shots new to the local game. His high run of the evening was 37.

Solomon made a poor start and at one time the score stood 65 to 11 in Allen's favor. Solomon took a brace later and made the score pretty nearly even, but Allen's early lead was too much for him to overcome.

Allen ran out in 28 innings, making 206 points. His average was 7 1-2. He made six scratches. Solomon made the total of 12 points in 27 innings, an average of 4 1-3-27. The local man's high run was 23.

The match was witnessed by over 500 people and a large number of them were unable to witness the match because of seating capacity. The two men will play the second block this evening, starting promptly at 8:20 o'clock. After the match game, Allen gave an exhibition of fancy shooting and bridge shots. His work was applauded.
