

NO WONDER THE COAST MAGNATES ARE SORE--THEY MUST PUNGE UP

STINGAREE SEXTET STING STEELHEADS SPURRED BY SPAMER

Preble Proves Particular Point Producer but Perhaps Protest Presented.

The "Stingarees," McMurray's Multnomah water poloists, lived up to their name last evening, by defeating the "Steelheads" two goals to one, in the second game of the winged "M" tournament. The game was being protested because seven players were in McMurray's lineup at the start of the second period. Because of Spamer's players showed up, it was agreed to have but six players on each side. McMurray substituted Balbach for Holt and through a misunderstanding Holt went back into the game. It was about two minutes after the start of play that it was noticed that seven Stingarees were in the game. Ted Preble of the "Stingarees" was the evening's luminary. He scored two goals. McMurray scored the other goal for his team. Tait and Klerman started for the losers. The lineup: "Stingarees": Pos. "Steelheads": Bulgid, ...

WHITE CROWS CAPTURE 3 STRAIGHT GAMES

Raymond's Team Tightens Hold on First Place Among Duckpinners.

The Blumauer-Frank, Rainier, and Keystone bowling teams each won two out of three games last evening. The White Crows won three games from the Warren Construction company team. In the duck-pin league, Raymond's team won two of three games and took a firm hold on first place. Harry "Lad" Meek and George Finnigan have a standing challenge to roll any two bowlers in Portland. Schwab and Krause rolled into first place in the Class B ragline tournament, by scoring 1218. Gavin and Elden, second, with 1178 and Kelley and Jones, third, 1124. The winners of Sunday's sweepstakes were Meek and Heffron, Finnigan and Chitry, Balbach and Heffron, O'Donnell and Christian and Berthold and Heffron.

NEW YORK SUPREME COURT RULES FITZ CAN'T FIGHT AGAIN

New York, Jan. 27.—Supreme Court Justice Seabury today upheld the order of the state boxing commission prohibiting Bob Fitzsimmons, the former heavyweight champion of the world, from boxing Soldier Kearns here at the Garden Athletic club. The former champion was barred on account of his age. The decision means that Fitzsimmons is permanently barred from the ring so far as New York state is concerned.

SOME BREAKFAST FROM THE SANDY

Yum! Yum! Yum! Thirty-seven inch steelhead pulled from the Sandy river near Troutdale Sunday by B. H. Miller of the Honeyman Hardware company, in the freest manner recorded for the season. Miller was whipping the stream with a No. 10 single egg gut hook when he felt a tug on the line. Realizing that he had something pretty big, he played the fish carefully and brought it to the surface in some 15 minutes. It didn't put up much of a fight and Miller, who was standing on a rock reached into the water to grab the fish, when to his astonishment he saw that he hooked it behind the gills. He made a quick grab, secured a firm hold on the steelhead and then the real battle began. Several times the 29 pounder came near pulling him off the rock into the water, but he finally landed on the shore. Archie Parrott, the genial young person in the sporting goods department at Honeyman's, is seen holding a yardstick alongside Miller's dressed prize, while a Journal photographer is doing the rest. The steelhead dressed a trifle over 16 pounds.

Tillman to Meet Ketchel. Minneapolis, Jan. 27.—Johnny Tillman, local lightweight, and Steve Ketchel of Chicago have been matched to fight 10 rounds at Hudson, Wis., according to an announcement by Promoter Rhodes. The date has not been set, but will be either February 9 or 11. The boys have agreed to weigh 122 at 3 p. m. the day of the fight. Tillman's showing in the semi-final of the Wolgast-Rivers go Milwaukee, when he won from Len Routlands on points, secured him the match with the Chicago scrapper.

Plating Yacht Defender. New York, Jan. 27.—Plating of the defender of the America's cup, being built by the Herreshoffs for the New York Yacht club syndicate, started yesterday. This yacht is much further advanced than the other two prospective defenders in course of construction. The Defender, being built at Bath, Maine, will be ready by May 20. It is announced, but the Herreshoff boat will be on the water several weeks before.

OREGON AGGIES WILL TAKE MULTNOMAH 5 ON AT GYM TONIGHT

Principals Will Get on Floor at 8:30 o'Clock for Their Battle of Baskets.

The Oregon Agricultural college basketball quintet will play the Multnomah Amateur Athletic club team this evening on the Multnomah floor at 8:30 o'clock. A preliminary game between the Sellwood Y. M. C. A. and the McLaughlin City league team will start at 8 o'clock. The Sellwood team has been substituted for the Columbia university team. The Oregon Aggie team just three games to the credit of Washington team in Seattle. The first two of the contests were the best seen in Seattle for a number of seasons. It is not known just what players Dingworth, coach of the Aggies, will start against the Multnomah players. The opening lineup will likely be Dewey and Blakeley, forwards; Billie, center; May and King, guards. The Multnomah lineup will be Sharp and Rossman, forwards; Darling, center; Toomey and Allen, guards. Captain Masters will substitute for Sharp in the second half. The team work of the Multnomah quiet in the second half of the Willamette game played last Saturday night was a surprise to the staunchest supporters of the winged "M" team. Seats will be sold at the club office.

WASHINGTON DEFEATS DEWEY IN 29-10 GAME

Seattle, Wash., Jan. 27.—Washington last night again defeated O. A. C. at basketball 29 to 10. This game was easily the hardest fought of any of the season. The guarding on both sides was the best seen during the series. Dewey suffered the only injury of the game when he collided with the defender and had a big gash cut over his left eye. In the first half the scoring was even. The half ended in Washington's favor, 9 to 4. In this period, Dewey scored the only field goal made by O. A. C. during the game. He scored the first point of the game on a free throw. This was all the throwing in the first five minutes. Washington then scored three field baskets in rapid succession. The second half started with a rush and Washington scored in the first half minute of play. In this half Dewey converted six out of nine free throws and Savage tossed six out of eight. In the first Deway scored two out of five fouls and Savage registered three out of four. Dewey and May were clearly the stars for O. A. C. Dewey for his ability to convert free throws and the fact that he scored all the points made by O. A. C. May shone for his effective guarding. For Washington McFee, Savage and Schreuder were the shining lights. It was the work of these three men that enabled Washington to take all three games.

AMERICANS WINNERS IN AUSTRALIA EVENTS

Melbourne, Jan. 27.—At the championship meet of the Australian amateur association yesterday, American athletes scored three wins and one tie in the track events. Geo. L. Parker, the California sprinter, won the 220 yard dash in 22 1/2 seconds, and the 440 yard dash in 51 1/2 seconds. The pole vault championship was a tie between Rurlie Templeton of the Olympic club, San Francisco, and Brake of Victoria, the Frenchman, who both cleared the bar at 11 feet. American team members have entered international events for the next two Saturdays.

COAST PLAYERS ARE DEMANDING BETTER MONEY FOR SIGNING

Pitcher Who Got \$275 Last Year Asks for \$400 Now; Overall Costs \$295 Game.

By R. A. Cronin. The baseball player pondered on the side there was in trouble from a And to his owner he remarked: "Go on ahead and fight!" And that jingle from an eastern bard just about hits the point on the Pacific coast. It is safe to say that a third of the teen young business men who romp around in baseball uniforms during the dry season on this coast are asking for more money than they got last year by from \$10 to \$100 a month. And all because the Federal league has crowded into the national pastime. And it is said that even the Federal league is having its trouble from a league ball players. The big bonuses the Feds gave some of the stars to jump are now acting as a boomerang, for most of the men approached are asking for "The same as you handed Tinker and Knabe," or they won't sign. Those who got in on the ground floor are all right, but the remaining ones are asking for a little if any more than they secured in organized baseball, with the added chance of being blacklisted. The Coast league clubs have given most of the ball players deserving raises just what they could stand, and a few of them are asking for more. It is said that one prominent Coast league pitcher who didn't win half his games last year has come out with a flat demand for \$400 a month. His salary last year was in the neighborhood of \$275. He is figuring on the Federal league to get him the money. He will be disappointed.

SMITH AND MORIARTY LEAD IN TOURNAMENT

The first matches of the McCrede Billiard Palace pocket billiard tournament were played last evening. There are five players in each division. Smith defeated Peterson, 100 to 59, in the first division, and Moriarty defeated McElin, 109 to 62, in the second division. Smith made the high runs of 14, 12, 11 and 10, while Peterson made runs of 10, 11 and 12. Smith's average was 3 1/3-29 and Peterson's 1 5/8-59. Moriarty made the average of 3 1/3 and the high runs of three 12's and one 10. McElin made runs of 15 and 12. His average was 1 10-11. A fair sized crowd witnessed the matches. Wright acted as referee.

FIGHTER'S PROPERTY TIED UP

Vancouver, Wash., Jan. 27.—In connection with filing suit in the circuit court of Clackamas county, Oregon, for the alienation of his wife's affections, Guy H. Pace of Oregon City, Clarke county asking for an order from the court which will prevent Arthur Anderson, commonly known as "Bud" Anderson, from disposing of whatever real estate he owns in Clarke county. The plaintiff, in his complaint, states that he has filed suit in Clackamas county to recover damages for the alienation of his wife's affections, the amount asked not being stated, and that he believes Anderson has property in Clarke county. He alleges that Anderson has threatened to dispose of this property in order to defraud him, should he recover damages in the Clackamas county court, and asks that the court issue a restraining order preventing Anderson from disposing of his property in any manner.

will be held this evening in the club hall at Thirteenth street and Dekum avenue. The program will start promptly at 8:15 o'clock. The feature bout of the program will be the one between Harry Groat of the Beaver club and J. Hiberg. Hiberg has improved wonderfully in the last couple of months and expects to put the Beaver club welterweight away inside of three rounds. The rest of the events on the program, which range from the 108 pound class to the 155 pound class, is composed of the best boxers available at the present time.

RIDGEFIELD HIGH WILL STAGE ATHLETIC MEETS. Ridgefield, Wash., Jan. 26.—The Ridgefield high school athletic managers are arranging for an interclass indoor track meet which will be held in "The Glide" amusement hall, on Friday evening, February 20. A four lane 22 lap track has been laid out and training for the meet was started last week. Sixteen events, including the relay races, will make up the program. A large silver trophy cup will be given to the winning class. This is the first time that anything of this kind has ever been attempted at Ridgefield, and the interest manifested already assures the success of the undertaking. Below is the high school winter athletic program: February 22, interclass cross country race; February 26, indoor track meet; March 2, 3, 4, 5, 6 and 7, six day race; March 20, five mile race, relay; March 27, all round championship. Friday, April 2, interclass meet.

Well, of all things: John Powers, former president of the Federal league, says he is forming an organization to fight the Federal, and will set teams in Providence, Brooklyn, Wilmington, Scranton, Detroit, Cleveland, Boston and Milwaukee.

REASON

The Law of Nature ordained that man should eat and drink in moderation. Man was given freedom of will by which he may obey or disobey this law.

The Mark of distinction between man and beast is that man is endowed with reason, which is the power to choose between good and bad.

The bad exists with the good, otherwise man could never choose either, and without opportunity to choose he would never be within occasion to merit the reward of justice.

In order that man may have a chance to choose between these opposing forces, the earth is made to bring forth each year varied and bounteous gifts that may be fashioned into products to feed and clothe him.

To enjoy the fruits of the earth is to obey the Divine command, "Go thy way, eat thy bread with joy, and drink thy wine with a merry heart, for God now accepteth thy works" (Ecclesiastes IX).

Obedience to this inspired instruction implies that you must eat and drink in moderation. To indulge excessively, destroys the joy of temperately using these gifts, and invites the loss of reason to him that abuses the precious privilege. To take away one's power to choose is to destroy the greatest of all God's gifts--REASON.

Thus by command of Divine authority we are required to practice temperance which means that we may use and enjoy Nature's gifts, but must not abuse them.

Let the sincere and candid citizen, before deciding to follow misguided Prohibitionists, examine carefully into the plan that rests upon Divine authority for its support to use and enjoy in moderation the good things of this earth--like that delicious product of the Brewers' art--RAINIER BEER--a beverage containing less than 4% of alcohol and recognized by your Physician as a Tonic giving health and strength.
