FINE SPUN ARGUMENTS

was elected by popular vote last was himself once a boy. November, and the senate commit-

election to fill a vacancy in the permission to go to the river? senate. Senator Kern said the case!

right to a seat. decision of the Maryland appellate sense.

ignored.

The incident has no great importance except as an illustration of the attitude of many sticklers for what they choose to call constitutional law. The senate is the judge of its own members. There was no claim that Mr. Lee was not fairly elected by the people of Maryland. The claim was that a technicality, which a Maryland court had decided did not exist, was sufficient to overturn the peo-

ple's expressed will. Popular election of senators does not meet the idea of men of the Sutherland type. But it is significant of the times that fine spun go robbing. The incendiary talk wilson. Woodrow with a young boy arguments against the new system of agitators at the tabernacle, are not effective, even in the teaching weak men that society United States senate.

A FALSE OATH
