Hawaii Is Dumping Ground for Japanese

Complaints to State Department Charge Washington, D. C., Feb. 7 .-- Com-

plaints that Hawaii is being made a "dumping ground" for Japanese and that the Philippines are utilized as a sort of "underground railroad" base for immigration of Japanese to Pacific territory have been placed before the state department, it was learned tonight. Sugar and pineapple plantation owners in Hawaii are charged with encouraging, if not actually aiding Japanese immigration. The state department has been told

it is alleged, that of 10,200 Japanese who were admitted to this country Volplane and Is Taken to Asylum in 1913, more than 6,000 settled Hawaii.

Chamberlain in Statement on Proposed Abandonment of Free Tolls for American Coastwise Vessels. Explains Entire Situation.

U. S. MUST MAINTAIN ITS POSITION EVEN TO WAR

Treaty Not Violated, Decided by Congress, by Ex-President Taft, Ex-Secretary State Knox; Shipping Requires Some Bonus.

(Washington Bureau of The Journal.)
Washington, Feb. 17. — Senator Chamberlain when asked for a statement in reference to the proposed repeal of the clause in the Panama coard, and wholly unexpected, no stu- from payment of tolls at the canal, "It is unfortunate for the country

that agitation is on foot to bring quit or graduate, the department will about repeal of the clause in the act be dropped entirely. Thereafter no of August 24, 1912, exempting coastranch of the course will be taught wise vessels from payment of toils. at the university and at the college There is no question but what there are international complications which make the subject a delicate one at this particular juncture, but a truly American policy demands that that act should stand as it was enacted in spite of these complications. The United States ought to maintain its position at any hazard for cost, "It is insisted by those who would repeal the clause, first, that it is in violation of the Hay-Pauncefote

treaty, and second, that it is an indirect payment of a subsidy to vessels engaged in coastwise shipping which it is asserted now have a monopoly of this business. In answer to the first objection the question of treaty violation was discussed at great length both in the senate and in the house prior to the time Rise in Upper Albina the law was enacted and it was termined by an overwhelming vote in both the senate and house that the Pirst Unit of Emmanuel Structure Will of the word a Company of the treaty. It was not a party question but one of national import.

Taft and Knoz Approved Act "Not only was this view taken will be commenced in a few days. The by congress but the then president of the United States as well as the secretary of state, both of whom were and are distinguished constitutional lawyers, maintained the same view, The first in his approval of the act as passed and the second in his answer to the protest of Earl Grey. Further than that the supreme court of the United States in passing upon the treaty provision between the Unite States and Great Britain very much like the one in question, held that it was not a violation of the terms of the treaty that the legisla-

> taken the same view might be mentioned ex-Secretary of State sichmaintained the right of congress to enact the law under consideration.

Party Pledge Cited.

"Aside from the question of treaty

stipulations there are compelling political, military and economic rea-sons why the party now in power should not undertake to repeal the free tolls provision, nor as I view it, even to suspend its operation. As so ably argued in The Journal some Island Planters With Encouraging days ago, the Democratic party is pledged in its Baltimore platform to the doctrine declared in the very law which it is now proposed to repeal. "What becomes of our treaty with Panama under which the Canal Zone was acquired if there is to be a repeal, of this act, for that treaty provides for the passage of the vessels of that republic 'through canal without the payment of tolls and the treaty was made without any protest from Great Britain? Are we to violate our treaty obligations which have made possible the acquirement of the territory through which the canal was built? What becomes of our

right to utilize the canal for military

purposes? Are we to be denied the

RESULTS The Following Letter Speaks for Itself

THE MOSLER SAFE COMPANY

The Largest and Most Complete Safe Works in the World. Northwest Branch, 108 Second St., Portland, Oregon. Phone Main 7676.

Advertising Manager, The Journal. Dear Sir: For about six years, we have been running a few lines in the For Sale Miscellaneous column in The Journal Want Ads. The results have been so exceptional that I thought you might be interested in

learning them. About 90 per cent of our safe repair work comes from the little ad in The Journal, and about 75 per cent of our outside calls for buying safes come from the same source. We get more results from the little Journal Want Ad than from all the ads in other papers here put together. We know, because we check returns.

Thanking you for the splendid returns we have received,
THE MOSLER SAFE CO.,
Boyd W. Hamilton, Mgr.
