

FLORA FLIRT'S COQUETRY AGAIN EXPOSED

Washington's birthday is the date;
Flo Flirt arrives, demure, at 8.

Colonial gowns the dancers wear,
And Flo's, of course, the fairest there.

Her cavalier can scarcely get
His patience through the minuet.

Then Flo, with one most fetching look,
Allures him to a quiet nook.

He doesn't speak, yet doesn't miss her—
He proves his fondness on her kisser.

When they return the room's a-grin—
Flo's beauty patch is on his chin.
The Moral—Good maid, flirt not, lest ill beuee you.
The coquette's not a patch beside you.
