LEARN BY PAST MISTAKES!

Don't think of the bad butter you bought last week, but think of how to avoid an unpleasant experience this week.

If your temper and patience were tried through disappointment in getting eggs that were not strictly fresh, there is nothing to be gained by grumbling.

The thing for you to do is to order Lily-Pure Butter and eggs that are new from the nest every day and forget about the annoyances of past experiences with these essentials of daily diet.

You can't get second grade butter of us, nor eggs that have lost their claim to freshness. By actual daily test we know that what we sell is the best. Our driver passes right by your house and can supply you at your door.

To give you an opportunity to learn the high quality of Lily-Pure Butter, we will sell
