

FIRST DOUBLE HEADER OF SEASON BE PLAYED BY BEAVERS SUNDAY

Merits of Players Analyzed; Hanson Has Future; Berryman Disappoints.

By R. A. Cronin. Santa Maria, Cal., March 5.—The first double header of the season will be played Sunday afternoon when the Beavers meet the Final team from the old fields in the preliminary and the Santa Maria team in the wind-up.

After riding on trains from 4 o'clock last Friday afternoon Fred Derrick was out in uniform today, and cutting up all sorts of dices. Brown, the young pitcher from Cedar Rapids, felt so good that he demanded a turn in the box to pitch to the batter, and he put them across in fine shape. He has a nice delivery and looks as if he might get away in good style, despite his size.

It is our opinion that Dave Milligan will have to change his style at the plate in order to bat 320 in the league. Dave looks to be fast on his feet, and is a good judge of a fly ball, but his peculiar position at bat makes him a dead leftfield hitter.

Hanson a Comer. Manager Mac believes he has picked up a coming pitcher in young Hanson, the San "Berdo" youth. He may not be there this year, but he has the size and ability to make his arrival only a matter of time. He shows you his leg and then the ball, something after the manner of Hagerman. Sveinsson also did some impressive work today. He cut loose with a few fast ones that whistled across the plate and tossed a bit of fear into some of the batters who had been used to job balls. Floyd Perkins is showing up in nice shape. He is quick to learn, and has a nice cut at the ball. Hawthorn is also showing well, but Berryman will hardly be found in the league when the bell rings. If he is I am no judge of a ball player.

Peet has developed a sore arm, and is taking a rest. Vets Have Great Day. This was a great day for the veterans. Higginbotham, West and Krause took their turn pitching to the batters, but Hig was more venturesome than the rest, and put a little speed on his pitches. No halt was called on him, for he is an iron horse and knows himself how to get into shape. Two players were felled today. Perkins returned a ball swiftly to Doane, while the latter had his eye off the ball, and it struck Walter below the eye. Higginbotham stepped directly in the path of a throw from Fisher, second base, and it caught him behind the ear. Neither needed Doc Schmidt's attention.

Tigers Lose to Sox. Los Angeles, March 6.—In the opinion of Los Angeles baseball fans, the second squad of the Chicago White Sox won largely to pitchers. Sullivan exhibited three of his recruit fingers against Venice here yesterday, and they held the Tigers to two lousy hits. Score: R. H. E. Chicago.....4 12 0 Venice.....1 2 2 Batteries—Rogge, Prough, Quaders and Mayer; Decannier, Klepfer and Kilt. Agnew.

James to Play First. Seattle, March 6.—The Seattle baseball club of the Northwest league has given out the first bit of lineup news for the coming season. Bobby James will be transferred from third to first to take the place of Bill Jackson, who has jumped to the Federals. George Duddy, last year with Butte in the Union association, will fill in at third.

Murphy to Orioles. Philadelphia, March 6.—Connie Mack, manager of the Philadelphia Athletics, today released outfielder Danny Murphy to the Baltimore team of the International league. Murphy will report to Manager Dunn Monday, and will start with the team for the training camp at Fayetteville, N. C.

Devlin's Men Show Speed. Pleasanton, Cal., March 6.—Manager Devlin was better satisfied with his team than ever today, following its 7 to 5 victory at Oakland yesterday afternoon over the Chicago White Sox No. 1. He returned to Pleasanton with the Oakland Coast league team immediately after the game and the men

STARS ENTERED IN DUAL INDOOR MEET

M. C. Fleming, on the left, and Fred Vanderlip, two of the best athletes of the local Y. M. C. A. Harrier Club, who will compete against the Pacific university athletes tonight.

Y. M. C. A. INDOOR MEET ON TONIGHT

Pacific University Athletes in Good Shape for Running Events.

The first indoor track and field meet of the season will be held in the Y. M. C. A. tonight at 8 o'clock, when the Pacific university team meets the Y. M. C. A. Harriers. The program will consist of 10 events, two special relay races being arranged between Y. M. C. A. and Portland academy teams.

The Harriers lost the 1913 meet by a margin of a couple of points, but its members expect to be able to win this year's meet by a wide margin. A number of the association records will likely go by the boards this evening. The entries of the Harriers and the events are: 20 yard dash—Chamberlain, Fleming, Johnson, Thrall. 80 yard relay—Thrall, Quinn, Booth, Grant. High kick—Fleming, Fox, Martin, Foster. One mile run—Booth, Fox, Grant. Shot put—O'Connell, Millard, Thies, Martin. 80 yard relay—Quinn, Thrall, Fleming and Johnson. 30 yard hurdles—Chamberlain, Fleming, Johnson, Thrall. 220 yard dash—Thrall, Johnson, Quinn and Fleming. High jump—Martin, Johnson, Millard and O'Connell.

Two players were felled today. Perkins returned a ball swiftly to Doane, while the latter had his eye off the ball, and it struck Walter below the eye. Higginbotham stepped directly in the path of a throw from Fisher, second base, and it caught him behind the ear. Neither needed Doc Schmidt's attention.

Speed is what I am after," said Devlin, "and those who saw yesterday's game are bound to admit that the boys showed up well." Devlin used two new pitchers against the Sox, and both showed up well. Score: R. H. E. Chicago.....5 10 2 Oakland.....7 12 3 Batteries—Ramey, Loomis and Alexander; Lathrop, Clotte and Schalk. Umpires—Held and McCarthy.

Honus Signs Contract. Pittsburg, March 6.—The signed contract of Hans Wagner, the veteran shortstop, was received today at the headquarters here of the Pittsburg National league club. Only two Pirates are now out of the fold, Pitcher Hendrix and Catcher Simon. Both are reported to have jumped to the Federals.

Pat Mays Starts South. Pat Mays, the Portland Northwest league twirler drafted by the Providence International league team, left last night for Savannah, Ga., where the Providence players will train. Mays will arrive in Savannah a week from tomorrow night, as he intends to stop off at Louisville, Ky., for a couple of days.

W. RITCHIE ROUNDING INTO FORM FOR BOUT WITH THE EX-CHAMP

Title-Holder Will Weigh in Before Public Sunday.—News of Other Boxers.

Chicago, March 6.—Prediction that the lightweight battle between Willie Ritchie and Ad Wolgast, to be fought in Milwaukee next Thursday night, would draw a \$40,000 house, was made here today by Promoter Andrews. He said the advance sale of seats had exceeded all his expectations. Ritchie is fast rounding into form for the bout, showing daily improvement in his work, and he says he will weigh in public Sunday afternoon to prove to the skeptical that he still is a lightweight. Wolgast is training in Milwaukee, and is said to be in his oldtime form.

Berg Loses in Seven Rounds. Vallejo, Cal., March 6.—Otto Berg, the 120-pound middleweight, had no excuse to offer here today for his defeat last night by Sailor Grande in the seventh round of a scheduled 20 round bout. Grande outclassed Berg from start to finish, and the fight was practically a knockout. Berg's seconds tossed a towel into the ring after Grande had floored their man around and around in the chin. Jim Griffin of San Francisco refereed the bout.

Cross Beats P. Bloom. New York, March 6.—Leach Cross holds today a 10 round newspaper decision over Phil Bloom as a result of their clash here last night. Although he won, Cross failed to show his customary form, and his victory was not as convincing as he would have liked. Three of the rounds were even, Cross had the better of four, while three were Bloom's.

Vaise to Meet McCarthy. San Francisco, March 6.—Frenchy Vaise, the northwestern lightweight, and Johnny McCarthy of San Francisco will furnish the main event in the four round boxing show here tonight. If Vaise wins he will be in line for some good bouts. The visitor has been made an even money choice with McCarthy. Seven other bouts are on the card.

Light Work for Welsh. Los Angeles, March 6.—Light work for a week will be the order at the Olympic training camp, which began training today for his 20 round meeting with Joe Rivers at Vernon March 17. Welsh already is within a pound or so of weight, and he will confine his work entirely to strength and speed producing exercises. He claims his condition will be perfect.

Juarez Results. Juarez, Mexico, March 6.—Yesterday's results: First race—Rake, 8 to 1, 4 to 1, 2 to 1; won; Ursula Emma, 2 to 1, even, second; Tom Murphy, 3 to 10, third. Time 1:29. Scratched, Florence Birch. Second race—Anna Reed, 3 to 1, 6 to 5, 3 to 5, won; First Star, 3 to 2, 5 to 5, second; Heater, 8 to 5, third. Time 1:29. Scratched, Nutsy. Third race—Birka, 10 to 1, 3 to 1, 5 to 5, won; Panhachapl, 2 to 1, 3 to 1, 5 to 5, second; Lemon Joe, 4 to 5, third. Time 1:06. Scratched, Royal Dolly. Fourth race—Hodge, 5 to 2, 7 to 10, 1 to 3, won; Orb, 7 to 10, 1 to 3, second; Barac, 7 to 10, third. Time 1:11. 2-5. Scratched, Jimmy Dill. Fifth race—Quinn Nutsy, 2 to 1, 1 to 1, even, second; Sidney Peters, even, third. Time 1:06. Scratched, Good Intent, Zulu, Orange Blossom, Doc Allen, Orba Smile, Little Birdie. Sixth race—Ocean Queen, 3 to 2, 3 to 5, 1 to 4, won; Little Marchmont, 13 to 9, 11 to 20, second; Nannie McDevlin, even, third. Time 1:29. 4-5.

Billiard Tournament Open. Five entries have been received in the 18.2 ball line billiard tournament to be held at the Metropolitan Billiard Palace, commencing Monday night. Those entered are Henry Solomon, J. A. Stewart, Walter Johnston, C. Stensrud and J. George. The plan at present is to have the winner of the local tournament challenge the winner of the Northwest tournament now going on at Spokane.

Wrestling Meet Called Off. Eugene, Or., March 6.—The wrestling meet planned last evening between the Multnomah club grapplers of Portland and the University of Oregon team was not held, because of a misunderstanding. The "winged M" mat men will meet the O. A. C. wrestlers tomorrow night.

"C" Company Defeated. In an exciting basketball game last Wednesday evening at the Armory, Company C was defeated by the Eighth Company Coast Artillery Reserve. The score was 23 to 10. The score in the first half was 9 to 6 in favor of the Eighth company. This gives the Eighth company the championship of the Armory.

Soccer Game Ends in Tie. The soccer game between the Lincoln and Portland Academy teams played yesterday afternoon at Multnomah Field resulted in a 0 to 0 score. The muddy field made fast play impossible.

Soccer Ball Punctured. San Bernardino, Cal., March 6.—Nobody knows who did it, but someone stuck a sharp pin through the only soccer football in the Angels training camp yesterday. A player is credited. It agreed that soccer was pretty heavy early season work.

Sammy Good in Bay City. Sammy Good, the local lightweight fighter accompanied by his manager Harry Jacobowsky, arrived in San Francisco yesterday according to a telegram received here. Good celebrated his twenty-first birthday yesterday.

Cyclone Wins Bout. Cyclone Calhoun, the local lad who recently turned professional, defeated Hector St. John of Spokane, last Wednesday night in a four round tilt. Calhoun lost his first bout via the knockout route.

Johnny Evers is beginning to think that his \$20,000 bonus to sign with the Boston Braves may turn out to have been nothing more than a dream.

ATHLETES IN DOUBLE HARNESS ARE ONES WHO DELIVER GOODS

Managers Consider It Highly Desirable to Have Them Bound to Apron Strings.

By Frank G. Menke. New York, March 6.—Times seem to have changed. A dozen years or so ago most of the ball players, jockeys, prizefighters and other men who make a livelihood in the realm of sport were bachelors. But now the great majority of the participants in these divisions of athletics are wedded.

And it's all because of the men who manage these athletes, or who pursue their services, have come to believe that a married man is more valuable to his owner and more reliable than the single persons. In the early days of baseball very few of the players were married men. It was thought up to 10 or 12 years ago that an unmarried man who could act independently of his manager was more to be desired than a benedict. But happenings since then have shown this belief to have been wrong.

Baseball managers in encouraging their men to get married, now have the theory that when married a man is not as liable to keep late hours, carouse around and do frivolous things as the man who has not a tie—or, rather, an apron string—to bind him. A glance over the list of the 400 odd ball players who were enrolled in the major league ranks last season, showed that something like 80 per cent of the players—barring the kids who just broke in last season—are of the wedded variety.

Managers of prizefighters are following the example set by the baseball managers and are encouraging their proteges to get married. Fuller and tote her off into the presence of a marrying person. They have found the scrapping persons who are married do not get into any more trouble around where there are wine, women and music as do the unmarried pug. And when a man sticks around in front of his own fireside when not fighting or training, it means that he usually is in good condition.

Turfman Wants Wedded Jockeys Only. J. W. Fuller, the turfman from Texas, favors wedded jockeys, and a bachelor jockey who seeks out Fuller for a job, no matter how good he is, usually doesn't "land" unless he assures Fuller that very shortly he's going to invest a little money in a wedding ring. Fuller didn't always insist upon having wedded riders in his employ. Until a few years ago he had no special preference. But just about the time he was taught a lesson—and he made use of it.

Then Tokalon, one of his best horses, won the \$20,000 Brooklyn handicap; Fuller's Bedell, his jockey at that time, piloted the horse to the victory, a crisp \$1000 bill to show his appreciation. Bedell disappeared at once. More than a week later he was reported to have piloted the horse to the victory, a crisp \$1000 bill to show his appreciation. Bedell disappeared at once. While Bedell was absent, Fuller gave \$100 to one of his married jockeys who was reported to have piloted the horse to the victory, a crisp \$1000 bill to show his appreciation. At a meeting of the representatives of the Portland Motor Boat club, Oregon Yacht club and Portland Rowing club with C. V. Cooper last evening, tentative plans for staging the big water carnival of the afternoon of the opening day of the 1914 Rose Carnival were arranged.

W. C. Curtis was named chairman of the committee, which will have charge of all of the water events. The various committees will report at a meeting to be held March 18.

The following events will be staged: Rowing races—Single scull, double scull and four-oar. Canoe races—Double for men, double for women, single for men, mixed doubles, race in which the only occupant of the boat must stand on the gunwale. Yacht races—Free-for-all, class B sloops, cruiser race. Motorboat races—Sixteen-foot free-for-all, "bang and go back" race for cruisers, an exhibition with boat making 40 miles an hour or better. Special added features—One canoe tilting contest, one airboard riding for the champion of Oregon, one logrolling contest, and a parachute jump from the Broadway bridge.

WHO WANTS TO FIGHT THIS PETITE BOXERESS Paris, March 6.—The title of world's champion woman boxer is claimed by Mile. Marthe Carpentier, who today announced her willingness to meet all comers. She is a good looking French brunette, 18 years of age, weighs 127 pounds, and is 5 feet 3 inches in height. Mile. Carpentier, who is in no way related to the French champion of the same name, who has twice defeated Bombardier Wells, has been trained by Mile. Albany, an expert boxing and Jiu-Jitsu instructor, for the past six months. In the mornings she helps her mother in a little grocery shop in the Terres quarter of Paris, and devotes her afternoons to her boxing lessons and general training exercises. "I have always been fond of sport," she said today, "and I don't see why boxing should be forbidden to my sex. So long as brutality is prohibited, I don't see why a few rounds with the gloves occasionally shouldn't be beneficial."

cial to any young woman. I know it does me good. It is apt, of course, to spoil a woman's beauty, but bruises do not last forever. Before I took lessons in boxing I was very nervous and irritable and timid. I would not have ventured into a crowd alone for anything. Now I'm not afraid to go anywhere." Her first serious match will be with Miss Grace Cleveland of Geneva, who has signed up for a 10 round contest.

Childers to Coach Whitman. Walla Walla, Wash., March 6.—Whitman college baseball aspirants will be coached this year by Wallace Childers, for two years third baseman for the pennant winning Bears of the Western Tri-State league. Childers was the favorite of the fans for both seasons, but is slowing up with age, and last year his hitting slumped badly. He was the leading sacrifice hitter of the league, however, and was recognized as the quickest thinker on the circuit.

Six Angels Missing. San Bernardino, Cal., March 6.—The Angels will appear in their first training game Sunday, with the Urbino Stars, an aggregation of semi-professionals, as their opponents. The White Sox "roofs" will furnish opposition Monday. Dillon's squad still is incomplete, and probably will not be rounded out until late next week. Outfielders Allen, Calvo and Walters are missing, as are Pitcher Love, Catcher Meek and Interloper Moore. All, however, have accepted terms. The sulphur bath here are making a great hit with the players, and arm kinks and charley-horses are disappearing rapidly. Dillon is well satisfied with the condition of the squad.

The Out of Doors Man

The fellow with the big, tough muscles who can chop trees all day and lift the butt end of a hard log, is a hearty liver in everything he tackles. He likes his tobacco rich, mellow and good for both smoking and chewing. He uses

DIXIE QUEEN Plug Cut Tobacco

because it's got the right stuff in it. Satisfaction—for a sturdy man—can come from real tobacco only. Inspid mixtures don't appeal to a man with real tobacco hunger.

DIXIE QUEEN is pure old Burley leaf, with the "body" for a real smoke or chew, rich and pleasing. It takes three to five years to age the tobacco in DIXIE QUEEN; the process can't be hurried. That's the reason DIXIE QUEEN is so ripe, mellow and healthful.

Wonderful richness makes DIXIE QUEEN a lasting chew. Burns slow in the pipe because Cut Plug is the right form for smoking.

DIXIE QUEEN will "make good" the first time you smoke or chew it. Sold everywhere in convenient 5c foil packages—also in 10c pouches and 50c lunch boxes.
