#### Film Tells Story Of Great Outdoors

"The Squaw Man," With Dustin Parnum in Leading Role, Depicts Realistic Scenes-Cast Is Superb.

Up to date probably no other play has received such satisfactory screen visualization as Edwin Milton Royle's 'The Squaw Man," with Dustin Farnum City Commission May Begin in the leading role. It is essentially a story of the great outdoors and as such its atmosphere has been caught Action Against Broadway and given out by the camera as the dramatic stage never could.

The single fault to be found would be in the photography of the earlier scenes, which is not up to the very high standard maintained in the latter portions of the picture,

The water scenes are effective, but are not comparable to those of the great, rugged west, with its railway station, its shack houses, its Indian camp, its vast distances and all that goes to make up the bigness of the The snow pictures are wonderfully effective. A superb cast has been provided, including an Indian girl Frincess Redwing, who is an accomplished actress. It has held the screen at the People's the first half of the week, and this evening only remains in which to see it.
