COLTS GETTING IN SHAPE FOR BATTLE WITH COLORED GIANTSTOMORROW

BUT UP TO PRESENT

Williams Will Ascertain Today Intentions of Pitcher Regarding Proceeding.

EXPECT THRILLING GAME

Colts to Go Against Crack Sebastopol Pederals Next Sunday-Will Meet Colored Giants Tomorrow.

By R. A. Cronin.

(Special to The Journal.) Santa Rosa, Cal., March 26.—Elmer Martinoni has not signed his contract although he showed up several days ago, is eating at the Colt training table and working out daily.

Manager Williams will have a talk with Marty today and learn what the big speed ball pitcher intends to do When a ball player does not sign his contract by the date set for the opening of the training season, he becomes automatically suspended and this is

name will be off a contract by the end of the Week. If it is, some interesting developments are likely to be chron-

Manager Nick stated today that he believes Earl Hausmay will prove a valuable man for the club, although he is perplexed about the disposition

Hausman's bat seems to be full of base hits and he is a sure catch of fly ball; however, he lacks the experience to break into the outfield with job and into the infield against Reams, Coltrin, Guigni and McKune.

Old Terrence is playing a nice fieldin timely fashion. If his training seaon form is any indication it is quite

ing battle, for the Feds are said to be

COLUMBUS CLUB BOYS WIN TITLE FROM B.-B. TEAM

REMAINS NOT SIGNED Finck Only Brunswick Bowler to Roll in Form; First Game Close,

> The Columbus club bowling team won the championship of the Commercial league last night by winning two out of three games from the Brunswicke-Balke team. Captain Finck was the only B. & B. bowler who was able to knock down the pins consistently. The Columbus team won the first game by a margin of two pins, but the second game it scored a total of 910. The B. & B. bowlers won the third game by 10 pins.

Finck made the high score of 21d and also bowled a 200 game. His average for the match was 195. The scores:

Joseph Murphy of the Call Knocks Out Old Enemy With Akoz.

From a condition where he was forced to give up work and seek relight at the springs because of a severe attack of rheumatism, Joseph Murphy of the sporting department of the San Francisco Call, and one of the best known handicappers on the coast, has ully regained his health through taking Akoz, the wonderful California medicinal mineral discovered by J. D. Mackenzie.

"I suffered many months from in flammatory rheumatism and tried many remedies, which falled to relieve me," said Mr. Murphy in discussing his case. "My physicians ordered me to the springs, and I spent a couple of months seeking relief. I returned to San Francisco after spending a month at one of the springs and was somewhat discouraged, but hopeful that I would find a remedy that would cure

me. Fortunately, I was advised by friend to try Akoz, which I did. I took it internally, and, after a few days, I noticed a remarkable change in my I continued taking it for about two weeks, when I concluded I was well. "Up to the time I took the remark-

able remedy I had been compelled to give up my work and the physicians seemed unable to give me any relief. It is more than a year since I used Akoz and apparently the allment has entire-

SUITS BAINCOATS TOPCOATS

MADE IN OUR OWN WORKSHOPS

We manufacture our own goods in our factory, located at 18-20-22-24 Washington Place, New York City, where a large body of designers, cutters and tailors watch to the minutes∉detail for the welfare of our patrons.

WE ABSOLUTELY GUARANTEE First—Our clothes are real hand-tailored. Second—Our fabrics are real wool.

OUR FABRICS HAND-TAILORED We buy our woolens from To the average layman, Tailoring is Tailoruch concerns as the American

such concerns as the American Woolen Co., the Reardon Mills, the Gilbert Woolen Cc., the Moore Woolen Mills and other mills that make only pure woolens that will "boil out." One of the reasons for our large success is the method of our sponging department. We shrink our woolens in such a way as to make them peculiarly appropriate to the Coast climatic conditions.

ing-but for a garment to be tailored right it must be made by hand! There never was a machine invented that could finish a garment for a gentleman. What a coat needs in the making is the fine manipulation of the dexterous mechanic and scientific skill of the expert designer. To tell a real hand-tailored garment, feel the edges—if they are bulky you can be sure they are machine made. If they are thin and fine, they were made by the fingers of a REAL tailor. Such are our goods.

OUR PRICES The most important matter with which we wish 2 to acquaint the public, and the greatest reason of our success is the fact that we produce suits and raincoats fur men and young men in the finest make and fabric at shimum cost. Such clothes as the average store sells for \$35 and \$30 we sell for \$15.

If you are accustomed to wearing better clothes, we have them -the finest for the price in America. Always \$20-no more.
