A few weeks ago a young lady of my acquaintance was almost run down by a woman driving a car, and

Letters From the People

The world need of the spiritual and the material will bring out the issue of life here and life hereafter. Hear this Easter day sermon from different viewpoints.

(Communications sent to The Journal for publication in this department should be written on only one side of the paper, should not exceed 300 words in length and must be accompanied by the name and address of the sender. If the writer does not desire to have the name published, he should so state.)

"Discussion is the greatest of all reform ers. It rationalizes everything it touches, it robs principles of all false sauctity and throws them back on their ressonableness. If they have no reasonableness, it ruthlessly-crushes them out of existence and sets up its own conclusions in their stead."—Woodrow Wilson. landlord profit by it.

Anglo-Irish Relations.

Portland, April 11 .- To the Editor

There is no more reason for Ireland to be separated from England than there is for the state of Oregon to be separated from Washington, nor as much, for, as I understand it, this sides the cost of the standing army. The Presbyterians, whom Mr. Murphy assails, were the first to espouse the cause of Roman Catholics when showed his appreciation of this by esposing their cause later on.

It is not what England has done to Ireland in ages gone by, but what she history.

should manifest a natural affection for Ladies of Maccabees to Meet.-The and interest in kindred ties. I believe have been at great pains to prove descent from their fabled heroes and demigods. So prevalent was this practice and so strong was the effect of this reverence for ancestors that in China and Japan it gradually took the form of ancestor worship. Among the half, and if our friend has the welfare pagans of ancient Egypt and Asia the necessity of securing proper proofs of descent in order to hold or dispose of land or other property was sufficient incentive to induce those peoples to prepare and study genealogies. The nodern world has done a tremendous work in the searching out and publishing of genealogies of forefathers. Just amalgamation societies for the purpose results of effort and labor along this genealogies is and must be an exact ers of liberty of action in religious art, for only so is it efficient for its purposes. Having had several years work, I wish to arouse an interest among my fellowmen in this most noble endeavor.

They have had centuries to work in. What have

they been doing? In reference to Christ's turning water into wine, if Mr. Knight will look up the Greek text he will find it does not imply the least degree of intoxication, and as for underpaid labor being as much responsible for vice and crime as liquor, there is as much vice and crime among the rich as the poor, according to numbers. If we stop the manufacturing of li-

quor it will lessen crime and vice oneof the community at heart he should not be opposed to that. HOMER L. AHLSON.

Some Remarks on Intolerance.

Portland, April 10 .- To the Editor of

The Journal-In my opinion the New York conference of the Methodist Episcopal church did a very wise thing how much has been done we do not in tabling the resolution requesting the know. There are no statistics and no president and his family to desist from attending services of the Thanksgiving of unifying the work or publishing the Mass at the Catholic Cathedral in Washington, as chronicled by the press line. The preparation and study of dispatches in Sunday's issue. All lovmatters will indorse the action of the Methodist church conference. It is surof experience in pedigree and genealogy prising that 73 out of 153 voted against tabling. The resolution was decidedly un-American, and manifests a conceit upon the part of its proponents in assuming to control the action of the president and his family which may be considered deplorable. Why this mani-Portland, April 11 .- To the Editor fest prejudice against the Catholic The Journal-While that rebuke church in this twentieth century?
