

DAN MORGAN HAS YOUNG O'BRIEN UNDER HIS WING

McCoy's Manager Thinks Easterner Will Knock Billy Murray Out.

By Hal Sheridan.
New York, May 5.—Danny Morgan has taken Young Jack O'Brien under his management. The first thing Danny did was to send Jack up to Stamford, Conn., to get into condition. "When he gets right," said Danny today, "we will be ready to take on any lightweight in the world, Willie Ritchie preferred."

Ad Wolgast has announced that he received \$2900 for his bout at Hudson, Wis., recently with Johnny Tillman. The gross receipts amounted to \$9000, and Tillman got close to \$2200. Ad denied the newspaper accounts, however, to the effect that he was whipped in every round except the first by Tillman. "I can whip a ring full of Tillmans every day in the week," was the way the former champion expressed himself.

Pittsburg has a new boxing club—the Penn Athletic club. It will stage weekly shows in the old City Hall.

Jack Dougherty, manager of Al McCoy, is predicting that the latter will knock out Fighting Billy Murray, the California middleweight, within six rounds when they clash here on the evening of May 14.

"From what I have heard of Murray," said Dougherty, "his style of fighting is made to order for McCoy. I have advised all my friends to get down a bet that Mac will win by a

knockout. I will be a very much surprised man if Murray lasts six rounds."

Letters received here from Dan Mc-Kettrick, who is still in Paris, say that exorbitant demands by the French heavy have resulted in a hitch in the proposed Georges Carpentier-Gombosi Smith match. Carpentier wants \$20,000 for his end, but the best promoter Dick Burge will promise is \$15,000. Carpentier is still holding out for \$20,000.

DECORATION DAY CRUISE OF MOTOR BOAT CLUB FIXED

Butteville City Council Will Assist in Entertaining Chug Chuggers.

Final details of the Butteville cruise of the Portland Motor Boat club cruise on May 29 and 31 were arranged Sunday, when Commodore Gray and Vice Commodore Boost of the Portland Motor Boat club made a trip to Butteville. The Butteville city council is behind the entertainment plans for the motorboaters and are planning a royal time for the Portlanders.

Captain George Kinnear of the "Ruth K" took a party of 24 on an outing Sunday morning. It was the first motor boat outing of the season.

The yachts "Sparrow" and "Virginia" of the Oregon Yacht club made the first sail of the season Sunday, a trip being made to Oregon City.

Wake O' The Game

Terrence McKune made a corking stop of Heister's grounder in the sixth and threw Al out at first. Had he been unable to pick up the ball, Brinker would have scored from second.

Manager Nick Williams, after a conference with Judge McCredie yesterday, handed the gloom slips to Miles Netzel, Babe Reams, Tiny Leonard and Duke Whit. Reams and Leonard were out on optional agreements, the former from Boise and the latter from Walla Walla. Netzel and Whit were released outright. It is likely they will catch on in the Western-Tri-State

or-the Union association. With the exception of Leonard, none had been playing up to standard, but it was figured \$250 was too much to pay for the W. W. behemoth.

Hunky Shaw is playing a great game at shortstop for Vancouver, during the absence of Captain Schermweller, who is temporarily disabled.

Williams was out in the fourth yesterday, Shaw to Bennett to McCarl. An effort was made to catch McCarl at second, but Heister beat them with a slide.

Clarke kept the ball low on Williams, who is the Colts leading hitter, and as a result Nick was unable to poll any hits.

Shaw went back into centerfield for Stanley's fly in the eighth.

The rapidity with which the Northwestern league games are played, makes a big hit with the fans and is bound to increase the attendance.

Wotell's two-bagger, that backed Scanlon up against the left field fence in the ninth, was the only extra blow of the day.

Young Scanlon, the Imperial valley cantaloupe, was given his first chance yesterday, and Williams set the kid to leading off. He fanned twice and raised a fly to Wotell.

Bobby Coltrin made a pretty stop and throw of Clarke's grounder in the second.

The Colts have a nifty set of uniforms.

Grindle caught a foul tip from Williams bat in the seventh, and as it was the third strike, Nick inquired of the umpire if Pinky had caught it with his mitt or against his clothing. Umpire Shuster will never cop a blue ribbon as a pitcher's exhibit. He got away with the game pretty well yesterday.

POLLOCK COMES THROUGH WITH OLD LINE OF CON

Freddie Welsh's Manager of Opinion Ritchie Is Afraid of Briton.

Chicago, May 5.—Flat declaration that Champion Willie Ritchie is doing everything possible to avoid a meeting with Freddie Welsh was voiced here today by Harry Pollock, Welsh's manager. Pollock says Welsh beat Ritchie once and that he can do it again.

"Welsh," said Pollock, "has been the most industrious campaigner for a lightweight championship match in the history of the game. He has chased them all from Joe Gans to Willie Ritchie and never yet has been given a chance to bump the crown off a man's head. It looks very much as if they have all been afraid of him, except Ad Wolgast. That appendicitis attack was all that prevented a collision between the Briton and the willing Michigan batter.

"Ritchie will not listen to us at all, and there is only one conclusion to reach. He knows Welsh can beat him again just as he did in Los Angeles."

BEAVERS CAN'T REACH LOS

There will be no game this afternoon at Los Angeles, owing to the fact that the Beavers will be unable to reach there in time for a game. The Tuesday game will be played off Monday.

Jeffs Win Meet.
The Jefferson high school defeated the McMinnville high school at McMinnville Saturday in a track meet, 71 to 51.

Another Quarrel on Betwixt Ad and Tom

Jones Tries to Get Wolgast to Stay Out of Ring Until His Injured Hands Heal.

San Francisco, Cal., May 5.—Advice received here today from the east indicate that Ad Wolgast and his manager, Tom Jones, have had another disagreement. The trouble this time is said to be due to Jones' efforts to keep the former champion out of the ring until his injured hands mend.

Jones tried to call off Wolgast's 10 round bout at Kalamazoo last Friday night with Billy Wagner, but Wolgast refused to agree to any such plan and went through with the match. As Wolgast and Jones have had many other spats in the past, it is believed their present differences will be adjusted in the club rooms.

ALBANY'S ATHLETIC CLUB

Albany, Or., May 5.—Articles incorporating the Lebanon Amateur Athletic club were filed here yesterday. The incorporators are J. E. Springer, H. B. Gainer, H. R. McCoy and F. B. Smith, president, treasurer, manager and secretary, respectively. The purpose of the club is to promote athletics. In the articles it is cited that no intoxicating liquors "will ever be permitted in the club rooms."

Remington Typewriters are Built UP to a Standard Not DOWN to a Price

THE fame of the Remington as "the Recognized Leader Among Typewriters" is an asset. It is also an obligation. The typewriter-using public expects more and demands more of the Remington product than of any other. We are glad of it. This demand proves Remington leadership. The public merely demands what it has been educated to demand—educated by Remington standards.

Unswerving adherence to a standard is always the price of leadership. The Remington Typewriter maintains its leadership in the same way that it won its leadership; by recognizing only one standard—THE BEST.

The latest achievements of Remington leadership are the visible models 10 and 11 and the Adding and Subtracting Typewriter. Have you seen them? If not, call in or send for illustrated booklet which will tell you the very last word in typewriter development.
