JOURNAL, PORTLAND, MONDAY EVENING, APRIL 27,

WHAT WERE YOU EARNING IN 1894?

By John M. Oskinson.

A friend of mine said to me the other day:
"Do you know what income you!"

"I wish," I replied, "someone had made that perfectly clear to me in have if in 1894 you'd begun to save 1899 when I first began to earn months."

I think I should have established.

in a savings bank which pays 4 per cent and compounds the interest twice to it."

I think I should have established a saving system for myself and stuck to it."

your savings of \$6 a week, and you'd desires that it is only the exceptional

"Well," I argued. "I couldn't have begin to save \$5 a week in 1894—I until our savings begin to count as was still in school and not earning augmenters of our incomes.

"Oh, about five years later than the miracles which steady saving 1894," I said.

"Well, you're far from being a result is not impressive,

Yet—in our working life we find
