yesterday's meeting of the Richmond Parent-Teacher as-At the business session the annual election was held, with the following results: President Mrs. J. T. Chapman; vice president, Mrs. Joseph Prudhomme; secretary, Mrs. H. B. Hartzell; treasurer, Mrs Charles Freeman,

Dr. John H. Boyd, pastor of the First Presbyterian church, was the principal speaker, and he gave an inspiring address on "The Relation of the Home to the School." Mrs. Dabney, who is at the head of the domestic science department in the public schools of Seattle, spoke on the value of public markets. Eugene Brookings also spoke of markets and urged the women to par-ticipate in the parade. Commissioner Bigelow urged the women to patronize the public market if they expected to make it a success. Miss Meeklin, teacher of domestic science in the Jefferson high school, gave a demonstration of the making of spring salads.

Fourteen delegates were appointed to attend the Reed college conference. social hour with refreshments brought the afternoon to a close. The June meeting, which will bring the meason to a close, will probably be held in the evening.

Holladay Association.

Of unusual interest was the meeting of the Holladay Parent-Teacher association held yesterday afternoon. The early part of the afternoon was devoted to business, the principal thing being the election of officers which resulted as follows: President, Mrs Lawrence Holbrook; vice president Mrs. W. I. Swank; secretary, Mrs. Charles C. Carothers; treasurer, Mrs H. L. Chapin.

Following the election there was program of May Day exercises. little ones gave a May pole dance afte which the older childen gave a program of gymnastics, drills and folk dances under the direction of Robert and teachers present, and the meeting was much enjoyed.

Portsmouth Election.

The annual meeting of the Ports mouth Parent-Teacher association was held yesterday afternoon, at which time the officers, who have served the association very acceptably during the past year, were reelected as folfows: President, Mrs. Alice White; vice president, Mrs. Grace Webster; secre-Nettle Mason. It was decided to enter an automobile in the Rose Festival parade. The following women were apconference: Mrs. Christmas, Mrs. Viola June 6. Brooklyn Mothers and Teachers. The Brooklyn Mothers and Teach

ers' club celebrated its eleventh anniversary yesterday by giving an "at home" and entertainment in the as-sembly room of the school. More than 150 members and friends of the club were in attendance, and the affair was pleasant. The room was decorated in Scoth broom under the direc tion of Miss O'Leary. Miss Dimick, principal of the school, and Mrs. T. S larke, president of the club, presided and they were assisted in greeting and enterfaining the guests by teachers and members of the club.

The program was opened with selecorchestra of the Former Superintendent Rigler, who was unable to be present on account of illness, sent congratulations on the club's excellent work of the past 11 years. The principal address of the afternoon was delivered by City Superintendent L. R. Alderman, He congratulated the club on being the oldest organization of the sort in the state and said that it had started the movement which had more recently een such a great help to the work of the school. He explained his plans for giving children training along practi-

N. McAarthur congratulated the club on its splendid record and urged the women to take a greater interest in all public questions, now that they have the vote and really wield an influence either for good or bad. Mrs. Fred Forbes, vice-president of the club, read a sketch of the club's activities since its organization 11 years ago. Miss Ethel Luke and Miss Evelyn Cornutt sang a duet. Mrs. W. H Beard, president of the Sellwood Paront-Teacher association, and Mrs. D. G. Rogers, president of the Woodstock association, told what their organizations were doing.

During the afternoon a beautiful dish filled with delicate growing ferns was presented to Miss Dimmick, principal of the school, the presentation speech being made by Mrs. The afternoon closed with a social hour and the serving of refresh-

WHEN THE SAP BEGINS TO RISE

By Edna K. Wooley.

HESE are the days of the runaway small boy. Every spring sees a new crop of them, from the little fellow of 4 or 5 years to the lads of 15 and 16. Some thing stirs and sprouts in the souls of 'ein, and they must be off-away from conventions and family and social bonds; away to freedom and the need of wearing good clothes and washing their faces every morning; away from books and "You mustn't" and "Don't"; away from girls — bah! It's always girls and women that bind one down Away for adventure and anyway. things new!

Of course it means a lot of worry for mothers and fathers. It means extra work for the police of the big cities And conductors of westbound freight trains are busy seeing that colts and calves other than the four-legged kind are not endangering their lives riding bumpers or somehow stealing a ride to 'somewhere.

And of course the runaway usually returns home without having gone very far Either he's so, homesick he can't stand it a day longer and he'll tramp the whole distance back; or the police find him and return him; or he finds the way of independence harder than he expected, and he'd like to go back, but doesn't quite know how he can manage it.

Freedom isn't all imagination painted it, he finds. There are certain joys three certain meals a day and a doughnut or a cookie "between." hateful, of course, and the girl next door is stilly, but there are the boys t E. P. Smiley, a cannery man, and play with, and dad's a pretty decent sort of a chap after all and-and-well mother must be feeling pretty bad by this time, and a fellow's mother-oh. hang it! "I wantta go home!" Very occasionally one hears of the runaway girl. But she is the exception

No Rest-No Peace

There's no rest and but little peace for a person whose kidneys are out of Lame in the morning, suffering

cricks in the back and sharp stabs of pain with every sudden strain, the day is just one round of pain and trouble It would be strange if all-day back-

ache did not wear on the temper, but it is not only on that account that people who suffer with weak kidneys are nervous, cross and irritable. Uric acid is poison to the nerves

and when the kidneys are not working well, this acid collects in the blood and works upon the nerves, causing headache, dizziness, langour, an inclination to worry over trifles, and a suspicious, short temper. Rheumatic pain, neuralgia, sciatica,

lumbago, neuritis and gravel are fur-

ther steps in uric acid poisoning. Don't neglect kidney weakness. An aching back, with unnatural passages of the kidney secretions, is cause

Beauty Hints Formula For Shampoo

austic with alkaline. We are publishing this week a formula for shampoo that is just right when properly compounded. Wet the hair, then pour a little of the shampon liquid into the palm of the hand; rub it well into the hair and scalp until you have a rich, reamy lather; or if you are trou-bled with dandruff, massage the scalp with the tips of your fingers. This shampoo will not cure dandruff

permanently, but it will remove it without harming the hair and scalp Your hair and scalp should be washed at least every ten days or two weeks. If you will use the following formula your hair will always be soft and fluffy and your scalp clean and healthful;

The Formula Will Contain Green soap Potassium carbonate

Alcohol . Aqua Dist. The following drug stores, one of which is selected in each

locality, will accurately and carefully compound this formula. which is on file only in the drug stores represented below.

Special offerings appearing from week to week in these spaces will merit the careful attention of economical buyers.
