Through Texas dealers, the United. States government is buying heavy supplies of Oregon and Washington potatoes for use of the troops used in the Mexican crisis.

Orders continue to pour into the local market for supplies and a further advance of 5c a cental is being offered and paid for stock with first class quality at 65c per hundred pounds f. o. o country shipping points which have terminal rates. It is now estimated that only about

300 cars of potatoes remain unsold in producers' hands in western Oregon, perhaps 100 cars in eastern and cenpernaps 100 cars in eastern and central Oregon combined and about 350 cars in the Yakima country.

While to some these supplies seem rather limited in view of the extraordinary demand that is at present showing and there is a strong possibility that a further sharp advance in the price will be forced.

Owing to various conditions it is quite likely that the season for old potatoes will be prolonged to a somewhat later date than previously believed. Some of the leading shippers are now inclined to the opinion that old stock

June or perhaps the fore part of As a result of the great demand for hipping stock, the local trade is show-ig more strength and values are being affected a fraction or two with pros pects for decided firmness in the im-mediate future. Much depends upon the future attitude in Mexico.

THE BUSINESS OUTLOOK

By Hyman H. Cohen,

General resumption of business, al-though on a limited scale, is re-ported in various sections of the coun-try and especially in the east. On the coast, conditions are slowly im-

Further Advance of a Nickel Is to Eastern Oregon interests by the Portland owners and it is stated that the business would soon be expanded. the business would soon be expanded. Representatives of a Spokane school supply house have recently been investigating conditions at tidewater points with a view of establishing a school desk factory on the coast, thereby giving employment to many men in the northwest. It is stated that the concern is very favorably impressed with Bellingham as a center.

According to a representative of the company the iron ore used in the manufacture of the desks comes from the Orient, therefore it is advisable to locate at a point where suitable freight facilities are obtainable. At the present time the company is operating at Spokane but the absence of terminal rates there is blocking the

proving until at this time there cannot be the slightest doubt that business is on the mend.

From Dallas, Or. comes the report that operation of the ax handle factory at that place will soon be resumed. The factory was recently sold to Eastern Oregon interests by the summer of the sold to the summer of the sold to the summer of the sold to Eastern Oregon interests by the sold to the sol

Michigan Copper company report for the fiscal year ended January 31 shows a deficit of \$28,614.

Small Crop Probable | London Affecting Of Prunes and Pears Wool Price Here

Clarke County; Hood River Pears Are Damaged.

Much damage is reported to the pear and prune as well as the cherry crop of western Oregon. While it was known some time ago that the prospects for these fruits were far less bright than a month ago, still the extent of the damage, instead of being overestimated, was somewhat underestimated.

The Northwestern Fruit Exchange of this city says that its Hood River of this city says that its Hood River of the care growers throughout the valley are reporting settlements.

The Northwestern Fruit Exchange of this city says that its Hood River of the United States, although domestic values remain below the foreign parity.

The heavy purchases of foreign woolen manufacturers must look to this country for a portion of their needs.

This has stimulated activity on the Heav becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming more anxious to secure supbart of American buyers and they are becoming the control of the co

ers of pears shipped from the Hood ver section this season.

Damage to the pear crop is also reorted from southern Oregon, but at
esent it is impossible to state the

extent of the loss.

While the prospects for the apple crop throughout the Pacific northwest continue rather favorable in general, some heavy losses are reported by some orchardists of the Hood River section. From Clarke county, Washington, word comes to The Journal fully con-firming the recent report in these col-umns that there would be practically no prune crop in the Orchards section most anxious to contract at Pacific most anxious to contract at Pacific most anxious to contract at Pacific

Democratic Congressional Seeker Is Champion of Plan to Guard the

Save for a few corrections which he yet .. sugests, A. F. Flegel, Democratic candidate for congress, believes the ordinance proposed for inspection of dates, but merely contain a list of meat used in Portland is very good. Mr. Flegel was present at the discussion of the meat ordinance conducted by the Oregon Civic league at lunch-"No issue has more direct or im-

efficient meat inspection," said Mr. Flegel. "The proposed ordinance ought to omit all reference to meat killed by farmers and confine itself to the reglation of animals slaughtered slaughter houses. That it ought to

include inspection by the state dairy and food commissioner, as well as by the city officials. This for the purpose of giving the ordinance the extra territorial jurisdiction outside of the city limits, and to avoid the criticism that the city would have no authority to authorize a city deputy to inspect outside of the city limits "Also I think the hours for slaugh-Year ago16,125 2203 2246 1526 2076 tering should be more flexible. Most small slaughtering plants do their killing early in the morning and would ues to pass at tidewater for wheat, have their day's work completed be-6.50 7.00 but country business is extremely fore 7 o'clock, the earliest hour fixed With the foreign situation im- by the ordinance for slaughtering. Washington Towns Will Be Invited to Participate in the Pestivities of the Day.

(Special to The Journal.) Astoria, Or., May 9.-The Ffavel elebration committee having in charge the celebration to be held on the "west side" when the first pile is driven for the Hill terminal docks, met at the Flavel hotel yesterday afternoon and perfected a permanent organization and appointed several sub-

committies to act upon that day. Wallace R. Struble told the committee that President Gilman had informed him that the first pile would be driven not later than June 1. Speakers will be present from Spo-kane, Lewiston, Kennewick and Port-land. Invitations to participate will be sent to all the Washington towns in this section. Arrangements will be made for special boats and trains to accommodate all who may wish to attend. There will be a "basket picnic" with free coffee and buttermilk.

An attempt is to be made to have some drill work by the soldiers and lifesavers in the forenoon speeches and final celebration will take place in the afternoon, with a dance in the evening.

The permanent officers of the committee are: C. G. Barlow, president; W. R. Struble, secretary; C. R. Higgins, treasurer; subcommittees, F. A Johnson, music; G. B. Johnson, transportation; C. R. Higgins, finance; Dr. Alfred Kinney, program; C. C. Seeley, refreshment and concessions. Reception committee, W. A. Sherman, J. T. Allen, C. R. Davis, Dan Moore, O. W. Taylor, John Waterhouse, George Schmidt and J. H. McDermott. The Merchants' association of Asto ria will be asked to take the matter ip and arrange to close the stores in this city for at least half a day.

Body Is Found; **Valuables Missing**

Astoria, Or., May 9.—The body of Edward Halseth, who was last seen alive on the evening of January 17 at the corner of Sixth and Astor streets, of a rival paper. The case was diswas found in the Columbia river yesterday by Emil Punkala and was turned over to Coroner Gilbaugh. remains were badly decomposed, but identification was made positive by the laundry marks on his clothing and by dental work performed by Dr. Ball. The body was without coat and vest, and there was nothing in the pockets The fact that Halseth was believed to have a large sum of money on his person on the night he disappeared has led the officers to suspect foul McManus, it appears, removed a play. Halseth also had a gold watch and chain and minor articles of jew-
