

NOVEL PREMIUM WILL BE GIVEN READERS OF THE JOURNAL SUNDAY

Coupon Clipped From Paper and Two Cents Will Secure Tooth Powder.

Readers of The Journal will have an opportunity next Sunday to secure somewhat of a novel premium in the shape of a package of tooth powder.

The coupon must be accompanied by 2 cents to cover handling charges, or, if the coupon is mailed to the drug company, 5 cents extra must be added for postage and packing.

The Owl Drug Company has a large quantity of the powder on hand, but if the supply is exhausted before all the coupons are presented, more will be obtained from the factory and supplied on the same plan.

M. Cannon that he had compelled his wife, the mother of three of his children, to lead an immoral life for more than three years, was bound over to await action of the federal grand jury on a charge of violating the Mann act.

Arrest Made on Girl's Complaint

Trouble Over Ring Results in Charges Preferred by Ida Marshall Against Fred I. Small.

Fred I. Small of Baker, Or., was arrested yesterday afternoon by Detectives Swennes and Moloney upon his arrival from Seaside, where Miss Ida Marshall of 75 Ella street accuses him of taking her diamond ring.

Authorities from Astoria telephoned the detective bureau to advise that the girl, whom he met on the beach on afternoon. When taken into custody, Small had the girl's ring. He gave it up.

Notarials Decide to Take More Time in Considering Placing Astoria on Parity With Puget Sound Ports.

That its members might more intelligently vote on it, a resolution approving the granting of a commission to the notaries in Astoria on a parity with Puget sound ports, was postponed for action one week by the Rotary club yesterday.
