

RECORD CROWD WILL SEE TRACK ATHLETES IN GAMES SATURDAY

Manager Hawkins Reports Brisk Sale of Tickets for Track Meet.

MUIRHEAD IS ONE HOPE

Columbia Looks to Him to Win Enough Points to Decide Championship. He May Set New Record.

A record breaking crowd will be present at the annual interscholastic track and field meet Saturday afternoon on Multnomah field at 2 o'clock.

The athletes of the various schools entered in the meet are working out daily on Multnomah field. They will do their last hard work this afternoon and will rest tomorrow so that they will be in the pink of condition for the meet.

The Columbia university is depending on "Moose" Muirhead, who is entered in seven events, to win enough points to give it first place.

New records are expected in the high jump and pole vaulting events. Muirhead may clear six feet in the high jump.

BOAT LENGTH TO SEPARATE TWO SHELLS FRIDAY

That's Opinion of Coach Conibear of Washington for California, Brush.

Seattle, May 21.—Seattle is warming up to the big regatta on Lake Washington tomorrow afternoon which is to be featured by a race between the regular eight of the Universities of Washington and California.

While Washington rules favorite, due to their defeat of California and Stanford in the recent triangular race between these three colleges at Oakland, many look for a closer finish than in the race in the south.

The Californians are confident of success. They rowed against the tide on the Oakland estuary and to this they attribute their defeat by Washington and Stanford.

According to Coach Conibear of Washington the visitors show wonderful improvement over the form they displayed in California.

"I am expecting to see California put up a close race against us," said Conibear today. "From their exhibitions on the lake here, in practice, they have improved over their showing in the southern races. They row much easier and smoother. I do not expect the boats will be separated by more than a length or two at the finish Friday."

The race begins at 6:30 p. m. over a three mile straightaway course.

SEMI-PRO BASEBALL

The Palace laundry team won the opening game of the Laundry league Sunday by defeating the National team by the score of 8 to 2.

Next Sunday the Palace team will play the American team.

ALTITUDE IS HIS EXCUSE

Butte, Mont., May 21.—The altitude affected my wind and I was unable to get going.

This was the excuse offered today by Bob McAllister of San Francisco, who fought a so-called 12 round draw here last night with Tom McCarthy of Montana. Many spectators, however, thought the bout should have been given to McCarthy, as McAllister was hanging on in the last round to avoid a knockout. Seven of the rounds were even, three were given to McCarthy and the remaining two belonged to the San Franciscan.

TIGERS SLAM TWISTERS

Sacramento, Cal., May 21.—The Venice Tigers slammed the curves of Slagle and Kremer to all corners of the lot yesterday and easily defeated the locals, 10 to 8.

Every Tiger player, except Henley, secured one or more hits. Young secured three hits off Henley.

The California are confident of success. They rowed against the tide on the Oakland estuary and to this they attribute their defeat by Washington and Stanford.

According to Coach Conibear of Washington the visitors show wonderful improvement over the form they displayed in California.

AGGIES WORKING HARD TO GATHER 2 FROM VARSITY

Luck Seems to Be Breaking Against Coach Clarke's Crew This Year.

Oregon Agricultural College, Corvallis, Or., May 20.—The Oregon Agricultural college is determined to win the next two baseball games with the University of Oregon.

In preparation for the series, Coach Clarke has put his men through the most strenuous workout they have seen since the season opened.

Notwithstanding the failure upon the part of the leaders in the batting order to find the ball, Coach Clarke announced that there would be no change in the lists, and that Sieberts would lead off as in the past games.

One more game will give the university the state championship. The Aggies won the pennant last year by defeating their opponents by a total of three out of four games.

Thus far the luck has been breaking against the locals, only one game having fallen to them. In the first game at Eugene, with only two hits against him up to the ninth inning, Williams looked up and allowed four runs to accumulate.

While the Aggies were unable to swell their two to a lead. In the last game with the University of Washington, the visitors made four runs without the assistance of a single hit.

The players report the same kind of luck in the northern camp when they met the Seattle lads on their own territory.

The loss of Ben Culver has been a serious blow to the team. Ben threw his arm out at the elbow in one of the preliminary games with the Helena Tri-Staters, after having pitched six balls. Those six are all that the Aggies' captain will pitch this season, his arm being in very bad shape yet.

Last year Culver was the mainstay of the team, pitching in three of the four games won from the university and being defeated only once in the season that time by the Multnomah club, when Keck's homer broke up the game.

The battery for the matinee Friday has not been announced. If Moreland pitches the first game, Williams will work in the second.

MOTORBOATERS INVITED

Commodore Gray of the Portland Motorboat club this morning issued an invitation to all motorboat owners to attend the annual Rose Show at Oregon City Saturday and to take part in the water parade planned for the afternoon.

Last season the Portland Motorboat club took an active part in the show. On account of the affair being held a month earlier this year and the club's cruise to Butteville on the following Saturday the local clubmen are unable to give as much attention to the show as last year.

Favor American Poloists.

New York, May 21.—The American polo polo which will defend the international cup in June against Lord Wimborne's British challengers, will be topheavy favorites in the betting. Several bets were recorded here today at 8 to 5, but a majority of the British supporters are asking 2 to 1.

SCHOOLS OF CLACKAMAS

Oregon City, Or., May 21.—The annual track meet of the schools of Clackamas county will be held at Gladstone Park next Saturday.

Because there was only one school to enter in the high school division that part has been suspended. The grammar schools of the county, numbering about 10, will be represented by track teams who will try for championship of the county. A ball game between the winners of the north and south grammar school division will be played and the winner will be the champion of the grammar schools of this county.

WALTON PLACE WINNER

Oregon Agricultural College, Corvallis, Or., May 20.—The preliminaries to the tennis tournament at the Oregon Agricultural college have been completed.

Estey Walton was chosen to represent the Aggies in the singles in the coming conference tournament at Eugene this week end.

Walton comes from the University of California, but has not competed in any meets for that institution. He won the finals against Shoemaker, of Hood River.

The other two men on the team are being chosen this afternoon. Mason of Pasadena beat Needham of Berkeley, and the race now lies between Mason, Shoemaker and Merriam.

The latter two men are from Corvallis and Ashland, respectively.

STANLEY DROPS FIRST ONE

Victoria, B. C., May 21.—Lou Stanley, former Colt twirler, lost his first game for Spokane yesterday, when the Bees defeated him by the score of 2 to 1.

Errors by Stanley and Lynch aided the Bees in scoring two runs in the second inning.

The score: R. H. E. Spokane..... 1 5 3 Victoria..... 2 7 1 Stanley..... 1 5 3 and Carney.

SEATTLEITES LOSE AGAIN

Vancouver, B. C., May 21.—Seattle dropped another game to the locals yesterday by the score of 2 to 3.

Schneider was hit by a batted ball in the fourth inning and was forced to retire from the game, Gipe taking his place. Swain made a home run.

The score: R. H. E. Seattle..... 3 7 1 Vancouver..... 5 9 2 Batteries—Schneider, Gipe and Cadman; Clark and Grindle.

Union Association Results.

At Ogdén—R. H. E. Salt Lake..... 13 15 3 Ogdén..... 10 12 2 Batteries—Schultz, Tommen and McClain; Green, Newton and Ballinger.

At Murray—R. H. E. Butte..... 11 12 3 Murray..... 6 15 4 Batteries—Jackson, Halla and Lewis; Dawson, Finch and Auer.

At Helena—R. H. E.

Killifer Hearing June 8.

Cincinnati, May 21.—The United States circuit court of appeals has fixed June 8 as the date for a rehearing of the case involving the jumping of Chester Killifer of the Philadelphia National to the Chicago Federals and then back to Philadelphia.

AMERICANS GO OUT BY EVANS, WEBBER LOSING

McFarlane Eliminates Chicaoan and Hutchinson Too Much for Other.

Sandwich, England, May 21.—The two remaining Americans were eliminated in the fourth round here in the play for the amateur golf championship of Great Britain.

The Americans were put out of the running when C. B. McFarlane defeated Charles Evans of Chicago, 4 up and 2 to play, and Cecil Hutchinson disposed of Harold Webber of Toledo, Ohio, by 6 up and 4 to play.

Harold H. Hilton, several times amateur champion and favorite in the betting to repeat in the present play, today eliminated Blackwell, an Englishman, by 2 up and 1 to play.

Smith Surprises By Beating Ewing

Match Goes to Three Sets; Vosper, a Newcomer, Defeats Wakeman in Straight Sets.

The fourth round of the annual spring handicap tennis tournament of the Multnomah club was completed yesterday afternoon. The surprise of the day's play was the victory of F. S. Smith over the veteran player, James Ewing.

Smith won the first set 6-4, but lost the second set. He won the deciding set, 6-2. Vosper, another new player at the club, beat A. D. Wakeman, 6-2, 6-2.

The finals in the singles and doubles events will be played Saturday afternoon.

Yesterday's results: Jones defeated DeNeffe, 6-3, 6-3; Miner defeated Chipman, 6-2, 6-3; Harrigan defeated Mercereau, 6-2, 6-3; F. C. Smith defeated Ewing, 6-4, 4-6, 6-3; Vosper defeated Wakeman, 6-3, 6-2; Mahaffie defeated Mariss, 6-4, 4-6, 6-4; Banks and Frohman defeated Lewis and Lewis, 4-6, 6-3, 6-2.

LAST BOXING TONIGHT

The last boxing of the Woodlawn Amateur Athletic club will be staged this evening in the Woodlawn hall at Thirteenth and Dekum streets at 8:30 o'clock.

The program will consist of nine events, the headliner being a bout between Yost Schmeer of the Multnomah club and Dave Wheelers of the Woodlawn club. These two boxers will weigh 145 pounds.

One change has been made in the program. Wheeler replacing Custer in the 115 pound class against Frisbie. The change insures the fans of a better bout in the featherweight class. Bloomberg, who put up such a good battle in the 105 pound city championship bout, will meet Bernstein of the Newsboys' club.
