BUSINESS IMPROVES AND FEWER FAILURES

sition, According to Report of Duns Agency; Slow but Sure Improvement Is Noted Everywhere.

Business improvement continues

consumption. "The make this season is about normal, showing practically no increase verses last month, as sgainst 1336 in over this period a year ago. This is April, 1464 in March, 1505 in February unexpected and is due to the shortage of rainfall."

Strengous efforts have been made by suspend, All of the decrease from Strenuous efforts have been made by suspend. All of the decrease from some of the big packing concerns to 1913 was confined to the trading class, beat down the price of cheese in this in which the losses numbered \$33 in section this season but their efforts comparison with 888; manufacturing were fulle and the market price is class insolvencies, on the other hand, being fully maintained generally. | were slightly larger-322 against 313and among agents, brokers and firms Market for fresh salmon remains firm at 10 \$\psi\$12c a pound, according to quality. Some fairly good fish from the north is being sold at the lower price. Run in the Columbia extremely limited. MEXICAN TOMATOES ARRIVE the single exception of January. Yet, chief significance attaches to the number of suspensions rather than to the

aggregate liabilities, and it is gratify-ing that in the former connection the mercantile death rate is diminishing. toes has arrived in the local market and is in fine condition with sales are constantly being launched.

In analyzing the insolvency statisat \$2 per lug. California offerings losses of unusual magnitude there re-

mained 1188 smaller defaults, and the aggregate of these was \$8,812,590—an average of \$7418. In May, 1913, the number of failures for less than \$100,000 was 1212, the average, consequent-ent average is below the figures of two
of the preceding three years referred
to. The increase in the indebtedness
of the class embracing agents, brokers,
weakness etc. was due to a few insolvencies of abnormal size, five such reverses pro-viding about \$4,500,000 in aggregate liabilities.

Separation of the business mortality

the market for eggs here. Sales are still being made at 21 to 22c a dozen for candled. Receipts in some quarters are better than expected.

tle in the Local Yards Today.

SLIGHT WEAKNESS IS

SHOWN FOR MUTTON

There is a slightly weaker tone generally in the local market for mutton, although lambs are still selling as high as \$6 for extra fancy offerings. There was a rather liberal run mutton over night in the local yards, acter, the market was nevertheless of a weaker shade. Perhaps the better feeling in the

eastern trade for mutton caused buy-ers to take hold rather early today in the local yards, although they were offering slightly reduced values.

At Chicago there was a strong tone practically impossible to obtain in the Mex. in the mutton trade today. market ruled Omaha mutton market was 0c to 15c higher today. General mutton market range: Best shorn yearlings.....\$ Shorn wethers

Heavy spring lambs..... Small Bun of Cattle. There was only a very limited run of cattle in the North Portland yards over night, totals being but 96 head.

The market stood in a rather good control is shown among buying interests, not-The market stood in a rather good condition with practically no change dition with practically no change date for foreign shipment are the date for many years.

Good to choice

Hog Market Is Steady. There was a further showing of weakness for swine at points east of the Rockies today, but the trend of the local market was considered steady at former prices. In reality there was not enough stuff in evidence at the opening of the hog market at North Portland this morning to firmly establish values, but the general trade does not consider the market or price changed from vesterday. changed from yesterday. At Chicago there was a weaker tone for hogs today, with a loss of 5c in the price.
Kansas City hog market ruled weaker, 5c to 10c off Omaha hog market was weak with a loss of 50

Walla Walla, Wash, June 9.—The Walla Walla wheat crop will not be as heavy as last year unless it has a large amount of moisture between now and time for harvest, according to City Commissioner George Struthers, who holds a large amount of wheat land on Eureka flat.

"The spring grain needs much moisture to hold it through until harvest." said Mr. Struthers. "The ground seems to be moist now but unless we have heads do not seem to be filling as they should. The fall grain, while in better condition, also needs moist

Ensenada Getting Desperate. San Diego, Cal., June 9.—Acting on orders from General Huerta, the heavler artillery at Ensenada, Lower California, has been packed and will be shipped to the capital tomorrow. The 2000 inhabitants of the little town are facing starvation, the garrison having the last 200 sacks of flour. For a week the inhabitants have been without bread, and with little food of any kind. This word was brought here to-7.20 day by the steamship Victoria.

MUSIC TEACHERS OF NORTHWEST DISCUSS LICENSING BY STATE

The report of unfilled tonnage will Frederick W. Goodrich, Port- Engineer Villa Employed to land, Predicts Law Will Bel Enacted.

Association Will Hold Big Banquet Tonight at Multnomah Hotel; Pinal

Licensing of music teachers by the state was discussed at the morning session of the annual convention of ciation in Eilers recital hall today. It tween Generals Carranga and Villa. noon after the noon recess.

The topic came up in the shape of a bill proposed by Frederick W. Goodhave enacted into law by the next Oreto have the last legislature pass the bill, but considerable opposition developed at that time. Mr. Goodrich, self. in presenting a draft of the bill this W morning, said that much of this opposition has now disappeared and he predicted the passage of the bill without

Those speaking for it held that it der existing conditions anyone can ning. "hang out a shingle" and give lessons, whether competent or not.

Other Views Presented. Others held that the law would be impractical as the perfection of music is a matter of art, that no law could prescribe which is the right or wrong method of playing the piano or any cept the law of nature could prescribe how a vocal pupil should breathe. The discussion became quite animated.

It was also pointed out that under the proposed bill it would be impossible for any famous or recognized authority to come to Oregon for a brief visit to teach, as such teacher would have to be a resident of the fairs and risked antagonizing his most state for a certain length of time to capable lieutenants at such a time. He become entitled to a liceuse.

CARRANZA AND VILLA HAVE TROUBLE OVER RECALL OF CALZADO

Reconstruct Torn Up Railroads Forced to Resign.

OBJECTIONS PRESENTED JEALOUSY BEHIND MOVE

Villa's Forbearance Under Annoying Conduct of carrange Is Gaining Much Approval for Eim.

(United Press Lessed Wire.)
El Paso, Texas, June 9.—Trouble over the management of railroads of northern Mexico was said here today to be threatening an early break be-The two men's differences of opinion relative to the railroads were not the only ones they have had, according to all accounts, but those in touch with the situation were authority for the rich of this city, which he hopes to statement that they were bitterer than any which preceded them and certainly gon state legislature. Effort was made meant an open quarrel as soon as Villa thought he would not be jeopardizing Mexico's interests by asserting him-

When the northern Mexican railroads began falling into the rebels' hands Villa approached General Calzado, general manager of the systems in the states of Chihuahua, Durango, Zacatecas and Coahuila. The lines had would tend to elevate the standard of all been torn up in places and frightthe music teaching profession and bar ful conditions of disorganization preincompetents from imposing upon the vailed. Calzado proved a wizard at public, one speaker asserting that un- making repairs and getting trains run-

Recently he commandeered several hundred tons of coal in Coahulla to facilitate the movement of troop trains. General Carranza promptly countermanded this on the ground that Caizado had made the seizure in Villa's name and without asking Carranza's permission. More than this, other instrument and that no law ex- the constitutionalist leader demanded Calzado's resignation and was obdurate when Villa thed to intervene. Calzado accordingly telegraphed his
