TELLS THEM QUESTION PURELY STATE MATTER

President Leaves Them in the East Room.

(United Press Leased Wire.) Washington, June 30. - President Woodrow Wilson told 700 suffragettes here today that he believed woman suf- | 000 promised Oregon frage was a question for states and not When the delegation attempted to heckle him upon that opinion he abruptly turned and walked from the east room, leaving the women gazing at him in open mouthed astonishment. Most of the women expected to shake hands with the president but they were not given the opportunity.

The women scalled at the White House to present President Wilson with resolutions indorsing votes for women, recently passed by a convention of club women in Chicago.

"All done up" in white gowns, white nearly a "mile of women." Leaders of he was found dying a week ago. the delegation admitted they had picked their time, because tomorrow the rules committee meets and they noped that body would pass a suffrage rule along with the scheduled business of considering the prohibtion rule.

Mrs. Harvey Wiley, Mrs. Ellis Logan and Mrs. Rheta Dorr urged tify. President Wilson to favor the constitutional suffrage amendment. Mrs. Dorr said when she last met the president he refused to indorse the amendment because the Baltimore platform failed to deal with the suffrace ques-

"Yet." Mrs. Dorr told the president, since that time you have indorsed the tolls repeal in opposition to the Baltimore platform. I think times have changed and that under present conditions you can definitely take a favorable stand on the suffrage amend-President Wilson's reply in part foi-

"As I have stated before, as leader of the Democratic party, I am bound by the declaration of principles adoptstand. Perhaps it would be more serviceable if I stated that the Baltimore convention did not deal with the question because the delegates believed it afire. Schwartzschultz repiled by dewas a matter for the states to act on first. The principle of states' rights is involved and the delegates preferred offine steparatory to the execution of safeguard it. Personally I believe suffrage is a question for the states to decide and you have no reason for

a party leader I believe the question burned about the face and breast, can safely be left to the states."

Miss Dorr then asked whether, in view of the fact that three quarters of the states could initiate and approve a constitutional amendment, if it was ot a fact that he had erred in claiming suffrage was a state and not a federal matter.

"I do not consider it proper," replied President Wilson, "to submit myself to cross examination in view of what I have already said." The president then turned and ac

companied by Colonel Harris, his mill tary aide, and several secret service men, left the room. There were a few cheers and some hisses as he left.
