

CRACK SHOOTERS AT TRAPS OF GUN CLUB TO TRY FOR MEDALS

Some of Greatest Bluerock Shatters in West in Pacific Coast Handicap.

TWO TIED IN PRACTICE

Whilon and O'Brien Break 97 Per Cent of Their Clay Pigeons—Speculators Crowd to New Grounds.

Over 100 shooters assembled at the new traps of the Portland Gun club at Jennie station this morning for the official start of the three days' Pacific coast handicap tournament. Some of the greatest shooters in the United States are in attendance, and very likely a new record will be set in the competition for the diamond medals. Shooting began at 9 o'clock this morning. Over 80 shooters took part in the practice match yesterday and made good scores in spite of the strong wind that was blowing in the faces of the participants. Peter O'Brien and Henry Whilon led the amateurs, with 97 per cent. Les Reid of Seattle and H. E. Poston were high professionals in the practice, with an average of 95 per cent. It is estimated that during the day as many as 400 people visited the traps and watched the shooting.

TURF MEN SEE RICHES ON MONTANA TRACKS WITH CLASSY HORSES

Postponement of Meeting at Denver Augurs Best Year in History of State.

SIXTEEN BOOKS AT WORK

Not Uncommon Thing for Speculators to Lay \$10,000 a Day With Single Book—Records Broken.

(Special to The Journal.) Butte, Mont., July 20.—With the postponement of the fall race meeting in Denver, horsemen who expected to participate in the Colorado races will remain in Montana this fall, and the series of meetings on the Anaconda track, Deer Lodge and Helena tracks which follow in the order named, upon the conclusion of the 30 days' meeting of the Butte Jockey club in this city, are expected to be the biggest in the history of the state.

The Anaconda meeting opens August 14 for 14 days and the stakes at the Butte track will pack up their luggage and transport it to the Anaconda track, which is only 26 miles distant from Butte.

The Anaconda meeting to all intents and purposes is simply a continuation of the Butte meeting, as the judges and all the officials connected therewith are the same. The switch to the Anaconda track is made necessary to comply with the Montana statutes regulating so many days of racing in counties of different class.

The Deer Lodge meeting will begin upon the conclusion of the Butte Jockey club have been broken at the present meeting and the betting, while showing no heavy single bets, in the aggregate has exceeded all previous figures. With about 16 books handling the money of the crowd, this number upon several occasions has been found inadequate properly to care for the wagers of the betting ring, which daily has been packed with humanity. It is no uncommon thing for more than \$10,000 to be handled by a single book in one day.

Despite the prevailing depression, all attendance records of the Butte Jockey club have been broken at the present meeting and the betting, while showing no heavy single bets, in the aggregate has exceeded all previous figures. With about 16 books handling the money of the crowd, this number upon several occasions has been found inadequate properly to care for the wagers of the betting ring, which daily has been packed with humanity.
