AMERICAN-HAWAIIAN TO HAVE EUROPEAN SERVICE VIA CANAL

News of Decision Is Received by Local Office of Company This Morning,

TRANS-SHIP AT NEW YORK

Carpentier's First Steamer to Worth Pacific to Leave San Francisco Today.

Another European steamship service through the canal is assured this port as a result of the decision of the American-Hawaiian Steamship company to enter that field. The news that that company had decided upon such a service reached C. D. Kennedy, local agent for the company, this morning.

The plans of the American-Hawilan call for transshipment of European freights at New York upon the regular line of steamers operated out of that port by the Ward interests, owners of the American-Hawalian Steamship company. Through bills of lading will be issued here and a regular through tariff issued by the company.

A. Carpentier's first steamer to the North Pacific is due to sail from San Francisco today with a part cargo of European merchandise The British steamer River Forth is inaugurating the North Pacific service for Carpentier and will arrive in the river Saturday. She has 2000 tons for this port. Taylor, Young & Co. have made arrangements to dock her at the new municipal dock No. 1.

Harbor Lines Case Will Be Argued

Date for Discussion of Zeigler Application Set for August 28, Before Colonel McKinstry.

Hearing of arguments on J. B. Zeigler's application to the war department for changes in the established harbor lines in the Portland harbor, has been set for August 28 at 10 a, m. Lieutenant Colonel McKinstry, head of the United States engineer corps, will listen to the arguments which may be advanced at that time and make his report to the war department. He advises that any arguments which the interested parties may wish to reach the war department in full must be made in writing as well.

A lingering cough or cold which does not yield to ordinary treatment, should be a warning. Freventive measures should be taken, at once. In many cases, Eckman's Alterative has brought about recovery. Read this:—

775 St. John's Place, Brooklyn, N. Y. "Gentlemen:—In the year of 1908 I was taken with a heavy cold and a nasty short cough; consequently I falled in health. I then went to the Catakilla, and seemed to get better, but the cough still kept up. I stayed there for one year, and then went to a farm near Jersey City, a very sick man. About the fime of my return, my brother resommented Eckman's Alterative very highly. It is now nearly two years since I first took it. I am now well, and I dare say that I would have been buried long ago if it had not been for Eckman's Alterative.
