Today's Forecast.

Portland and vicinity—Fair tonight and Thursday; northwesterly winds.

Oregon and Washington—Fair tonight and Thursday; minds mostly westerly.

Idaho—Fair tonight and Thursday. Weather Conditions.

The dominating feature of the weather map this morning is a large high pressure area central over Lake Superior. On the Pacific slope the pressure is relatively high over western Washington and relatively low over California. Showers and thunderstorms have occurred at scattered places along the east slope of the northern Rocky Mountains and also in the middle Mississippi valley, Tennessee and along the Atlantic coast from Massachusetts to Florida. The changes in temperature since yesterday have been unimportant.

Important.
The conditions are favorable for fair weather in this district tonight and Thursday.
EDWARD A. BEALS, District Forecaster.
