sion in the company I raised. This was in February, 1862. February, 1862, was an extremely cold month. The snow lay four feet deep on a level around North Elba, Mr. Hinkley, my wife's brother, and myself traveled reported at Plattsburg with our men, and the soldiers gave us an ovation, Liege was made to figure largely in for they were anxious to go to Albany "In those days I had flaming red

IN EARLIER DAYS

By Fred Lockley,

"There seems to be nothing but war

news in the papers nowadays," said

Salmon Brown, the last sucviving son

of John Brown of Harper's Ferry.

"Well, our family have done their part in the way of fighting. My

father was willing to back up his

opinions with his life, and so were

his sons. It wasn't very long after

my father was executed until the

slavery question came up for final

settlement and the long and bitterly

contested Civil war was on. I am 78

years old, but I will never be too old to be interested in is what is going on

in the world. It looks as if Europe

was going to be drenched with blood

before they are through with this

"Did I ever tell you how it was

that I did not serve in the Civil war?

I put in two years in the border war-

fare during '55 and '56, fighting the

hell-born stave laws, and I was anx-

ious to continue the work of fighting

for human liberty when the Civil war

was on. I had been married four

years, and while it was a wrench to

leave my wife and babies, I felt my

duty to my country was above all

ment near Platteburg, N. Y. He asked

me to recruit a company in my neigh-

borhood in the Adirondacks to be

known as company K. He told me I

would receive a lieutenant's commis-
