# GREATEST MEETING OF ATHLETES DURING NEXT ROSE FESTIVAL

## Multnomah Club of Portland Awarded 1915 Championships of P. N. A.

### DUNNE NAMED SECRETARY

**Multnomah Man Re-elected for Sixth Term—Frank and Goldsmith Delegates to Annual A. A. U. Meeting.**

Portland's contingent to the Seattle meeting of the Pacific Northwest association, is home with the report that the greatest track meet in the history of the northwest will be held in Portland during the next Rose Festival and the cream of the athletes north of California will be here. It will be a tryout to send men to the far western track championships of the 1915 Panama exposition and for that reason will be the big drawing card. The association decided that Portland was the logical place to hold the important meet.

The P. N. A. boxing and wrestling championships were awarded to Spokane and will be held March 18-19. Seattle was awarded the outdoor swimming and the Multnomah club the indoor swimming championships, neither dates being set. The squash ball championship, a new departure, was given the Multnomah club.

A. S. Goldsmith, of Seattle, was elected president of the association, and T. Morris Dunne, of Portland, reelected secretary for the sixth time. Some of the members thought that it would save time in the annual voting by making Morris secretary for life, and voted to that effect, which was extremely popular if a bit unconstitutional.

Dr. Carroll, of Tacoma, and Harry Skuse, of Seattle, were appointed to a commission along with the officers, to make plans and regulations governing northwest entries in the A. A. U. championships at San Francisco next summer.

George Bertz, of Portland, who is honeymooning over the northwest, dropped in at the meeting for a visit, and was re-elected chairman of the records committee after being given a vote of thanks. Edgar E. Frank, of Portland, and A. S. Goldsmith were elected delegates to the meeting of the Amateur Athletic Union in New York, in November.

The Mohawk and Western club, of Portland, and the Walla Walla Amateur Athletic club were admitted to membership.

The interclub boxing and wrestling dates were as follows:

October 12—Vancouver against Seattle Athletic club, at Vancouver.

October 23—Portland against Seattle Athletic club, at Portland.

October 30—Multnomah against Seattle Athletic club, at Seattle.

November 6—Seattle Athletic club against Spokane, at Spokane.

November 20—Spokane against Multnomah, at Portland.

November 20—Vancouver against Seattle Athletic club, at Vancouver.

December 11—Seattle Athletic club against Spokane, at Spokane.

January 8—Multnomah against Spokane, at Spokane.

January 20—Multnomah against Seattle Athletic club, at Portland.

# VENICE IS DARK HORSE OF COAST LEAGUE--HOGAN

## Denies Dissension in Club; May Have Trouble Over McGinnity.

Happy Hogan, manager of the Venice club, stated before departing for the south last night that he believed his club was the "dark horse" of the Coast league.

Hogan was joined last night by Joe McGinnity, owner of the Tacoma club, who may pitch for the Haps for the rest of the season, the other Coast magnates being willing. McGinnity had a lean financial season in the northwest and wants to earn a winter's provender.

Hogan also wished to emphatically deny that there was dissension in his club, and pointed to their winning of four out of five games here to prove it. He asserted that Elliott's work went to show that he had been done an injury by reports that he was peeved because he was doing all the work while Jack Bliss was getting all the money.

Judge McCredie has stated that he will oppose the use of McGinnity by the Venice club and it is a cinch the other clubs will do likewise.

### MISSION GRABS SERIES

San Francisco, Sept. 21.—The Missions and the San Francisco clubs broke even on Sunday's games and thereby romped away with the series four games to three. The morning game was a pitchers' battle between Gregory and Fanning, and the crack Seal pitcher came out with a victory, making it eight straight wins. In the afternoon game San Francisco fielded badly, the Missions winning with ease. The score:

### 7TH RACE OVER OLD TRAIL

Phoenix, Arizona, Sept. 21.—The seventh annual Los Angeles to Phoenix road race will be run over the national old trail route to Seligman, through Ashfork and south through Prescott to this city.

There will be two night controls, Needles and Prescott. This will leave only 145 miles for the final dash.

# LUSH'S NO-HIT GAME IS LOST WHEN WILD ONE LETS LITSCHI IN

## Southpaw Pitches Admirable Game but Is Given Miserable Support by Mates.

### BEAVERS GET ONE GAME

**Champions Come to Life in First Game and Pound Roy Hitt for Eight Runs in Opener.**

Portland won its only game of the week yesterday afternoon, when the batters finally got into action and punched the stuffing out of Roy Hitt. However, Hap Hogan hurled Doc White, another southpaw, right back at them in the second game and Doc proceeded to engage in a pitcher's battle with Lefty Lush, who lost a no-hit game by one run. Lush uncorked a wild pitch in the fifth inning, after Davis allowed Litschi to reach second by throwing an easy assist miles over Derrick's head. The scores were 8 to 3 and 1 to 0.

Lush was given miserable support, yet his curve ball and fadeaway had the Venetians completely at sea. Scorerers sometimes credit pitchers with no-hit games when there are scratch hits, but the only suspicion of a scratch hit was one made by Risberg in the seventh. Bancroft did not have to move 10 feet to get the ball, yet allowed it to roll through him. Immediately following this Lush pulled Derrick away off first on a bunt by Borton and on the next play Yantz tried to lob Litschi's bunt to Derrick but tossed it over his head into Rodgers' hand. With this staring him in the face, Lush caused McArdle to fly to Kores and Rodgers, Bancroft and Derrick worked in a fast double play.

Portland made six hits off White in three innings and some ivory work on the bases prevented a score in the first. Had he not had the breaks of the game Doc would have been beaten.

The lone score was made in this fashion: Davis made a wild heave of Litschi's grounder and Louie went to second. McArdle's out put him on third. Then Lush interposed a wild pitch while engaged in striking out Elliott and Litschi slid across the plate under Lush, who took Yantz's throw.

In the first game the Venetians gave Hitt a three run lead off Rieger, but when Eastley went into the box they were held helpless, getting but four hits in six innings. The Beavers got busy in the fourth and chased over five runs on six hits, contributed by Kores, Speas, Ryan, Yantz, Eastley and Bancroft. Yantz found Hitt a soft proposition and his double that drove in two runs in the fourth, really upset Roly-poly Roy. After that inning it was only a question of how many runs the locals would make.

Billy Speas with five out of eight, was the batting star of the day, three of his blows being off White.

# ICE HOCKEY MEN MEET THURSDAY TO TALK LEAGUE

## Various Clubs Will Be Asked to Attend Meeting at the Multnomah Club.

Whether or not an amateur ice hockey league will be formed for play during the late fall and winter, will be decided at a meeting to be held at the Multnomah club next Thursday night. At an informal meeting held yesterday, which was attended by some 20 enthusiasts, an expression of opinion favorable to such an organization was made.

W. A. Kearns, manager of the Multnomah club team, will write letters to the Waverly Country club, the University club, the Portland Rowing club, the Y. M. C. A. and others, asking for representation at the meeting Thursday.

With the opening of the big rink soon, interest in ice skating is on the increase, and it is hoped, if a league is formed, that an early start may be had in the tournament.

# WALT JOHNSON TELLS WHY HIS RECORD IS POOR

**By Hal Sheridan.**

New York, Sept. 21.—Fred Van Ness of the New York Globe, who is traveling with the New York Americans, says Walter Johnson of the Washington team blames his failure to come up to his former high standard this season on the inability of his teammates to hit behind him. The Globe recently printed the following interview with Johnson, written by Van Ness:

"It is simply a case of the team not hitting the ball behind the pitchers," said Johnson. "We have been going along in bad shape. The men we expected to hit have not hit. Our offense has been shot to pieces and the result is that the pitchers have been forced to work themselves to death.

"It is one thing to pitch with a lead of a few runs and quite another to have to pitch shut out ball every time to win. I don't intend this as a knock on the players, but it is the explanation of why I have had a bad year and why the Washington team is not up in the race fighting with the Athletics at this moment.

"I am just as strong as I ever have been and in just as good shape as in any other year since I came to the Washington club. It has been said that I have lost my speed, but that is not so. I know what I have and I guess I would be the first to know it if the speed was gone. I did alter my style somewhat this year by using more curves and occasionally a change of pace, and did so with the idea of conserving my speed, but not because I had lost it."

### MURRAY STARTS TO WORK

San Francisco, Sept. 21.—Billy Murray started to work in earnest today for his 20 round battle here a week from next Wednesday night with George Chip, the Newcastle, Pa., middleweight. Murray has engaged Harry Wills, the husky negro heavyweight, to assist him with his training.

*"The coolest, most fragrant, most pleasant tobacco in my experience — Tuxedo. Leads in mildness and purity."*

Fred Gilbert

THE crack trapshooter has to be a man with steady nerves and muscles absolutely under control—always ready, at the sudden jerk of a string to swing his gun into place and bring down his clay pigeon. This means trained, not to the minute, but to the split-second. *He* takes no chances with his *nerves*.

We present the names of some of these crack shots who smoke Tuxedo. They like to smoke; but they take no chances on a tobacco that might "throw them off."

# Tuxedo

*The Perfect Tobacco for Pipe and Cigarette*

is purposely made to give you all the benefits of the highest grade smoke. It is made from the very finest tobacco Kentucky grows—ripe, mellow, sweet and mild old Burley, aged right up to perfection-day. Then treated by the original "Tuxedo Process," which takes out the sting, makes Tuxedo smoke cool and slow, and guarantees that it *cannot bite* your tongue.

Tuxedo has had many imitators; none has ever equalled it in sheer quality and smoking-value.

## The Most Popular Beverage on the Pacific Coast?

**SALEM BEER** is brewed in one of the most modern plants on the Pacific Coast. It is aged in steel glass-lined tanks. It is conveyed by modern pipe line system direct to the bottle house, bottled under pressure and therefore never comes in contact with the air from the time it leaves the fermenting tank until the bottle is opened by the consumer. The consumer is absoluely assured a beer of ideal effervescence, snap and purity.

A trial will surely convince any one of the excellence of Salem Bottled Beer.
