**DEPTH OF CHANNEL IN NORTH PORTLAND HARBOR DECREASED

Since Dredger Quit.

COMMISSION CUTS SALARY

Port Authorities Make 10 Per Cent Reduction in Pay of Employes for Reasons of Economy.

has shoaled up so that the Port of Portland commission may not be able to keep it up, according to information brought before the commission at its meeting yesterday. Surveys made Monday, September 28, by Captain Archie Pease and Captain H. T. Groves show 81/2 feet of water at ro in a channel dredged to a depth of Scott. 20 feet and a width of 300 feet early in the year.

Meat company, has asked the Port of Arrow line. commission to maintain a 20 foot channel through the slough to the tered the British steamer King Edharbor. Although the channel was fin- gar for delivery of barley from Puget ished in early March, but one steamer, sound to the United Kingdom. the Big Three steamer Rose City, has ever been up the slough to the plant. Salaries Are Cut.

The belief was expressed by several members of the commission that to on that channel the year around. This amination is held. the commission feels unable to do, yet through the legislative amendment to their charter put through two years ago the commission is supposed to so maintain, the channel. The matter again be available for the Port of was laid on the table, pending in- Portland dredgers and the Willamette vestigation. A 10 per cent cut in the salaries of

ordered by unanimous vote. A considerable saving is expected to result. pany has had to use the auxiliary stafuture it would dig up till 100 feet of any wharf without a waiver being put of local mills available for the asked and would, free of charge to dredgers was greatly reduced. loaded. In Galveston, Texas, over 2000 longshoremen are out of employment, but advices from there state that efforts are being made to start public works to employ all who are Copyright, 1814, Internati

Will Arbitrate Differences. The American Hawaiian line has recognized the International Longshoremen's union, and will hereafter arbitrate differences as they arise. The same agreement has been reached with the W. R. Grace lines.

Present United Pront.

The Linemen, known as Electrical Workers No. 125, have a continued influx of new members. Since all factional and jurisdictional disputes have been settled and the Electrical Workers are presenting a united front, they hope to soon attain a 95 per cent or-ganization in Portland.

Mearly Half Settled.

Of the 1124 reports of injuries received by the State Industrial Accident commission for July, August and September, final settlement has been effected in 464. There were 247 so slightly injured that no time was lost and no claim made for compensation what-Of the 21 instances of acci-

expense, and perhaps some lives. Neglected injuries of an apparently trivial năture sometimes become dangerous and costly through blood poisoning setting in.

Trade in Better Condition. Carpenters continue to respond to calls sent in for short jobs. One of the business agents said yesterday that while from time to time there are always a number of men out of work. that the trade as a whole was in better condition so far in October than for several months.

Printers May Play Ball.

The Typographical union members in the various offices of this city have had a series of interesting games during the past season. Efforts are being made to form a Coast league and play in Los Angeles during the session of the next annual International Typo-

graphical union session in 1915. Others Help Out. There are four places in Portland where wharf and ship owners secur longshoremen. The men have comfortable quarters, a secretary and business agent at each place. At times the demand for men exceeds the regular supply, and in such cases the idle in other trades are called upon. When the

docks are busy, carpenters, building

longshoremen.

Take a glass of Salts before breakfast if your Back hurts or Bladder bothers you.

The American men and women must guard constantly against Kidney trouble, because we eat too much and all our food is rich. Our blood is filled with uric acid which the kidneys strive to filter out, they weaken from 10 overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment or you are obliged to seek relief two or three 10 times during the night; if you suffer with sick headache or dizzy, nervous spells, acid stomach, or you have rheumatism when the weather is bad. get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys; to neutralize the acids in the urine so it no longer is a source of irritation, thus ending bladder dis-

orders. Jad Salts is inexpensive; cannot injure, makes a delightful effervescent lithia-water beverage, and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time.-Adv

SPREAD RAPIDLY

Ran Up to Ear. Blotch of Pimples. Itched and Swelled. Used Cuticura Soap and Ointment. In Two Months Trouble Gone.

Granton, Wis .- "My sister had a very

bad, deep, wet, running sore on the side of her face and it ran up to her ear. It commenced with a small blotch menced with a small blotch of pimples which turned into a kind of rash and spread a kind of rash and spread rapidly. It itched and looked red and sore for some time and slightly swelled. A thin if fluid dripped and ran from the sores which looked like water. Then the swelling would go down and it would keep on spreading. It bothered her during sleep and she would be restless. It was a kind of eczema. "She treated for some time and it did not help her. It kept spreading larger and deeper. Having always used Cuticura Soap we told her to try it so she got some Cutieurs Soap and Ointment and used them. She washed the sore every day with the Cuticura Soap and applied the Cuticura Ointment three times a day. It was two months when it was entirely gone." (Signed) Miss Emma Retzloff, Apr. 7, 1914.

Samples Free by Mall Although the Cuticura Soap and Oint-

ment are most successful in the treatment of affections of the skin, scalp, hair and hands, they are also most valuable for everyday use in the toilet, bath and nursery because they promote and maintain the health of the skin and hair from infancy to age. Outicura Soap (25c.) and Cuticura Ointment (50c.) are sold everywhere. Sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."
