American Scrip Company Admitted to Do Business in the State of Oregon

This Tells the Story

DAILY CAPITAL JOURNAL Salem, Or., Oct. 21, 1914.

WILL LET THEM FIGHT IT OUT IN COURTS

Upon the presentation of the representatives of the American Scrip company of Los Angeles Cal., in the form of affidavits from prominent business men of Portland, to the effect that the American Travel Scrip company, a Portland institution, is transacting business under misrepresentation and Portland institution, is transacting business under misrepresentation and false pretenses, Corporation Commissioner Raiph Watson has decided to rescind his action of two weeks ago, in which he depied the Los Angeles concern the right to enter the state because of a conflict in the names of the two corporations, and will let them file their articles of incorporation and fight out the name dispute in the courts. In the mantime he will probably turn the affidavits of the Portland business men over to the district attorney of Multhomah county to take such action as is necessary against the Portland concern if it is found guilty of the illegal business transactions of which it is accused.
