

### TAXPAYERS' LEAGUE APPEALS TO VOTERS TO DEFEAT RECALL

Organization Which Has Observed City Affairs Declares No Occasion for Action.

### BIG EXPENSE IS RESENTED

Disapproval Expressed of Use of Powerful Weapon Merely to Satisfy Personal Grudges.

An appeal to all voters to exercise their franchise today and cast their ballots against the recall is contained in a statement issued by the Taxpayers' league. The statement goes on to say that no grounds for the recall exist and that the men responsible for it should be overwhelmingly repudiated today at the polls. The statement in full follows:

This league ordinarily takes no position on candidates for office. But an attempted recall and breaking up of a city administration is something in which the league is intensely interested. A close watch on city affairs is kept by the league at all times and we are satisfied that from a public standpoint no grounds for the recall exist.

The present administration is making an honest and able effort to govern the city well. We resent the expense of \$25,000 for a recall election to satisfy the personal grudges or personal ambitions of disgruntled politicians or office seekers. The recall should not be invoked unless an officer is shown to be dishonest, incompetent or corrupt in his trust. No showing has been made so we believe it can be shown to these officials. Their own responsibility for the recall should be overwhelmingly repudiated at the polls. The interest of the city is primary and its credit and standing should be of first importance to every citizen. Failure to vote may involve serious danger to the city. We strongly urge all voters to vote and to cast their ballots against this recall.

L. J. GOLDENMITH, Secretary.

### Chamberlain Stands High in Washington

Senator Thompson Writes That No Member of Upper House Is Held in Greater Esteem; Is Untiring Worker.

Senator William H. Thompson of Kansas, in a letter to George Edwin Wharton, 305 Fargo street, Portland, praises the work of Senator George E. Chamberlain and urges his friends to vote for the senator's reelection. "If you have ever met Senator Chamberlain personally, I hope you will take occasion to hunt him up while he is in the city and become acquainted with him," writes Senator Thompson. "He is one of my very warmest friends here, and has rendered me many favors in helping me to get started in my new work. I want you to know that he stands as high as any United States senator here, and that he is untiring in his work in the interests of the people of his state and of the nation generally. He is chairman of the committee on military affairs, which is one of the principal committees, and as such has rendered very valuable service to the people of the nation.

"Knowing your liberal political views, and that you believe in the doctrine of rewarding merit wherever it is found, I sincerely trust that you will see your way clear to not only vote for him yourself at the next election, but have as many of your friends as possible do likewise."

### Beauties of Oregon Subject of Speaker

Judge William Colvig Presides at Transportation Club Luncheon—R. A. Booth Introduced.

Prosperity and the beauties of Oregon figured yesterday in touching word pictures at the bi-weekly luncheon of the Portland Transportation club. Judge William Colvig, tax and right of way agent of the Southern Pacific, was chairman of the day as well as chief speaker. Robert A. Booth also spoke, his subject being a non-polluted nature and the beauties of the natural beauties of Oregon, citing the Columbia gorge, Crater Lake, the Josephine county caves, the scenic points along the coast. Mr. Booth urged the need of co-operation to make the railroads prosperous, arguing that their prosperity means individual prosperity.

An eastern romance of the golf links ended in the divorce court. Bunkered!

### Quickest, Surest Cough Remedy Is Home-Made

Easily Prepared in a Few Minutes. Cheap but Unequaled.

Some people are constantly annoyed from one year's end to the other with a persistent bronchial cough, which is wholly unnecessary. Here is a home-made remedy that gets right at the cause and will make you wonder what became of it.

Get 2 1/2 ounces Pinex (50 cents worth) from any drugstore, pour into a pint bottle and fill the bottle with plain granulated sugar syrup. Start taking it at once. Gradually but surely you will notice the phlegm thin out and then disappear altogether, thus ending a cough that you never thought would end. It also loosens the dry, hoarse or tight cough and heals the inflammation in a painful cough with remarkable rapidity. Ordinary coughs are conquered by it in 24 hours or less. Nothing better for bronchitis, winter coughs and bronchial asthma.

This Pinex and Sugar Syrup mixture makes a full pint—enough to last a family a long time—at a cost of only 54 cents. Keeps perfectly and tastes pleasant. Easily prepared. Full directions with Pinex. Pinex is a special and highly concentrated compound of genuine Norway pine extract, rich in gualacol, and is famous the world over for its ease, certainty and promptness in overcoming bad coughs, chest and throat colds. Get the genuine. Ask your druggist for "2 1/2 ounces Pinex," and do not accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind. (Adv.)

### After War Canada Expects Prosperity

John M. Scott, General Passenger Agent of Southern Pacific Returns From Annual Trip.

Canadians are so much concerned over the war in Europe that they have little time for any other worries, according to the observation of John M. Scott, general manager of the Southern Pacific company. Mr. Scott returned yesterday from his annual trip through western Canada.

"Lots of people are planning trips, but they are waiting until the war is over," Mr. Scott explained. "They think it will end before next summer, but they aren't sure and so are paying rather close heed to their own personal economies. Somehow, though, they appear fairly prosperous and refuse to be pessimistic. That means that when the war troubles end they will be ready to reap the benefits they are sure will come to Canada and the United States in a manufacturing way.

"I was struck by the elaborateness of the small town commercial clubs," he continued. "The business men in one town near Medicine Hat, almost a part of the city in fact, have the finest club I ever saw for a place of its size." Though there will be no special train excursion from Canada this year, Mr. Scott says there will be some winter travel to California on the part of those able to escape the rigorous winters.

### COUNTY COURT NEWS

Permission was given County Clerk Coffey to install whatever temporary telephones he deems necessary in the registration office.

A request from Superintendent Miriam Van Waters of the Frazer Detention Home for steel lockers was laid on the table.

The Gunther-King company, contractor for work on the east wing of the courthouse, and J. C. Bayer, contractors for work on the east wing, were directed to make occasional inspections of their work under their guarantees to keep their work in repair for 10 years.

O. J. Brown, of Rockwood, called attention to the dangerous condition of the Base Line Road west of Russellville where torn up by laying a water pipe. The matter was referred to Roadmaster Yeon.

Commissioner Lightner reported that a road running east from Vancouver trestle is a road of easement and that John Roth and others who petitioned for improvement of the road must make their own improvements.

Drafts for \$294.57 in payment of fire losses as the result of the Hawthorne bridge fire of May 25 were ordered paid into the county treasury.

Petition of O. J. Brown, of Rockwood, for \$25 indemnity for one cow slaughtered because of tuberculosis was set for hearing November 2 at 10 o'clock. Fred Tauscher & Son, of Hillsdale, was allowed \$25 indemnity for one cow, and Emil Wahl \$25 for 21 cows, the state and county each to pay half in each case. Petition of Wallace Hickey, of Montavilla, for \$25 indemnity for one cow slaughtered was set for November 2 at 10 o'clock.

Petition of Dr. Clarence True Wilson for graveling of the road from Linneman Junction and Cotton Station to Heiney's mill was referred to Roadmaster Yeon.

Petition of G. L. Rohr, of Lents, that a beat on the Dearborn road two miles east of Lents be removed as it is liable to cause teams to run away, was referred to Roadmaster Yeon.

On recommendation of Roadmaster Yeon the board allowed Peter Gallo \$117, the equivalent of 52 days' time since he was injured while employed on the Columbia river highway. Because Gallo failed to follow instructions and go to the county hospital for treatment no allowance was made for physician or hospital expenses.

On the opinion of District Attorney Evans to the effect that the board can hold insurance companies to the terms of their policies be sent to insurance companies that asked for refunds of amounts paid in full losses on the ferry Mason. The board notified the companies that should losses occur under similar circumstances, the companies will be held liable and that if the companies do not desire to accept this ruling they may cancel their policies. The damage was to equipment of the boat not on the boat at the time of the fire.

The following bids for fuel were received and referred to the purchasing agent: Crystal Ice & Storage company, Multnomah hospital, 20 tons Washington lump coal, \$9.25 per ton; 20 tons Rock Springs lump coal, \$9 per ton; 20 tons Anthrex lump coal, \$9 per ton; 20 tons Washington lump coal, \$9.25 per ton; 30 tons Roslyn lump coal, \$9 per ton; 30 tons Rock Springs lump coal, \$8.50 per ton; 30 tons Anthrex lump coal, \$9.50 per ton. Hawthorne bridge, 15 tons Rock Springs lump coal, \$10 per ton; Morrison bridge, 14 tons of either; Burnside bridge, 10 tons of either, and Broadway bridge, 12 tons of either, at \$9 a ton; steam coal at bunkers in bulk, either East Creek or Roslyn coal, \$6 per ton; East Side Mill & Lumber company, 250 cords green slabwood, \$2.50 per cord; 25 cords dry slabwood, \$3.50 per cord. Willamette Fuel & Supply company, Multnomah hospital, 20 tons Washington lump coal, \$9 per ton; 20 tons Rock Springs lump coal, \$9 per ton; 20 tons Anthrex lump coal, \$9 per ton; 30 tons Washington lump coal, \$9.25 per ton; 30 tons Roslyn lump coal, \$9 per ton; 30 tons Rock Springs lump coal, \$8.50 per ton; 30 tons Anthrex lump coal, \$9.50 per ton. Burnside bridge, 15 tons Rock Springs lump coal, \$10 per ton; Morrison bridge, 14 tons Rock Springs coal, \$9.75 per ton; Burnside bridge, 10 tons Rock Springs coal, \$9.50 per ton; Broadway bridge, 12 tons Rock Springs lump coal, \$9.50 per ton; Burnside bridge, 70 cords, 4 foot old growth fir, one cut, delivered as needed, \$6 per cord; Kelli Butte, 14 tons Roslyn special steam coal, at bunkers, \$5.50 per ton in sacks, \$4 per ton in bulk.

### Went to the Dogs.

Bishop Turner, during the recent Methodist conference in Atlanta, told a story about a missionary bishop among the Eskimos.

"This bishop," he said, "attended a synod coming south by sledges and canoe, a six weeks' journey. He was welcomed joyously, but when he rose to speak he said his church had gone to the dogs.

"Yes, my dear brothers," he went on, "I had a church—a real church—last year. I had to build it to satisfy the real of my converts.

"And what a church I built! There is no wood in my diocese, and so we used walrus ribs for rafters, and walrus hides for walls and roof. It was a good church; it held a congregation of seventy.

"And all went well with our church till a famine came then the hungry dogs turned to one night and ate it."
