

### SHERIFF REITERATES HIS POSITION UPON LAW ENFORCEMENT

Cheers Greet Statement Concerning His Record as Public Officer.

### COUNTY JAIL IS DISCUSSED

Tom Word Declares Food and Sanitation Are the Best, Despite Charges Made by His Enemies.

Declaring that prisoners in the county jail and at Kelly Butte are so well treated that he can take them out in the dead of night to fight forest fires with no guard save their own honor and return with every prisoner, Sheriff Tom Word, speaking at the Sunnyside school, gave the lie to the unfounded charges which have been hurled at him by interested enemies. Cheers greeted his declarations, as he answered one by one the accusations circulated against him. "Each time," he said, "I have run for office I have stood for and have made good strict law enforcement. So I do not have to make any new promises now as I stand on what I have already done. I am going to continue to do as I have done as long as I am sheriff of Multnomah county.

### Closed Up Gambling.

"You know of these gambling dens and hell holes which existed when I first went into office in 1904. I have closed up every one of them. I used the sledge and I can do it again if necessary. I am going to keep every roadhouse closed in this county, not only for the protection of myself and children but for the protection of your children and yourself. We had seven roadhouses, Seven Mile, Twelve Mile, 'The Hut,' 'The Cliff Inn' and others. I arrested 'The Hut' eleven different times, but ten times Billy Swaggart, the proprietor, was dismissed. The last time I arrested him I caught him with a 16-year-old girl. "I know that you voted me back into office two years ago to close these places up. I arrested Mr. Russell of Fritz & Russell on 52 separate occasions, but each time the case was dismissed, yet I stayed with it until I broke him. He is now in California and I have been told that he is coming back to fight me in this election; but what power could he exert in a community like this? I arrested 19 others of the same stripe and forced them all to quit.

### Run Out of Town.

"Do I look like a white slaver? When did the sheriff get the pardoning powers to release white slavers? I ran over 100 of them out of the community, and they will never come back. They do not like to stay in the same climate with me. It is too hot for them." Referring to an article published in the Oregonian in behalf of Mr. Hurlbut, the rival candidate, Sheriff Word said: "I do not know whether you gather from the article the same meaning as I do, but the sense of it seems to be that while Mr. Hurlbut will enforce the laws he will not interfere with the personal pleasures of the people. This might mean that the places which we have taken so much pains to keep closed for the better moral health of the community would be allowed to run full blast again in time. Perhaps

Mr. Hurlbut himself did not say those things." Mr. Word also took up the matter in regard to food of prisoners in the county jail and the general sanitary condition, which he declared were the best possible. "If the food and conditions were not good, he said, he could not take a large number of men out of the jail and have them fight fire without guards, in the dead of night, and with every avenue open to escape. "If they were not satisfied," he said, "they would take the advantage of the earliest opportunity to run away when I take them out of jail."

### Man With Aged Mother Needs Work

A man, 28 years old, with an aged mother and three small children to support, is desperately in need of employment.

In two weeks he has had but two days' work and on the few dollars earned at that time the entire family, the mother and son, two little boys of three and six years and a little girl of four years, have tried to live. The last penny has been spent and yet there is no employment in sight. Will not someone aid this man who does not ask charity, but simply an opportunity to earn enough to support those dependent upon him. He has had experience in grocery stores and in wholesale establishments, but will be only too glad to accept any honest employment. Anyone who has any work may call the Associated Charities, Main 717 or A-1517.

### Ladies' Night an Immense Success

Members of Loyal Order of Moose Are Much Pleased With Splendid Entertainment.

The Loyal Order of Moose at its ladies' night last evening did itself proud. Its two floors in the Royal building were packed with members of the lodge and friends. The apprehensions of Andy Weinberger, dictator; R. S. Beatty, secretary, and Dr. Banner Brooks, chairman of the entertainment committee, were that there would be too many, not that there would be too few. Admission was limited to members only and their ladies. To make things interesting George L. Baker was on the program with his entire aggregation of the Baker theatre, and had his stage carpenter, property man and several assistants at work all the afternoon in the upper hall.

Following is the program for the Baker aggregation: Maude Dial, character artist, in "The Eccentric Dressmaker"; Harriet Berlene, dramatic sketch, "Years After"; Carl Strouse, the man; James Morell, the agent; Clara Valentine, the woman; scene, a railway station. Mrs. E. Hogan and Miss King in coon dances and stories; George L. himself; "Broomstick Bel-den," a comedy musical act; W. J. Garkeek, rube trick pianist. The audience thoroughly enjoyed the "stunts." Downstairs entertainment was furnished by C. G. Levering's aggregation, composed of H. Harwick, pianist of the Empress theatre; Fred Bowers C. Sutton, J. D. M. Crockett, I. J. Carlson, J. H. Jones, J. H. Clark, J. Dutch, Miss H. Kern, S. K. Gibbs and other well known specialists and artists. Larger quarters and a ladies' auxiliary to the order here are predicted for the near future.

### COLUMBIA IS STRONG FOR CHAMBERLAIN AND DR. C. J. SMITH

Booth's Connection With Timber Scandals Has Caused Republican Bolt.

### WILSON'S POLICIES LIKED

C. J. Smith Will Receive Many Votes of Members of Opposing Party Who Fear Withycombe.

Rev. C. T. McPherson of Clatskanie, who formerly occupied a Portland charge, was in town for a few hours yesterday on personal business. Indications are, she said, that work on the Columbia highway, somewhat demoralized by the recall election in Columbia county, will gradually be readjusted so that the county's link will be closed and an unobstructed boulevard to the sea established. "Columbia county is right in line for progress and the people are confident of better things," said Mr. McPherson. The farmers are prosperous and are planning for a big year in 1915. "Columbia county, long a Republican stronghold, is fairly teeming with Chamberlain sentiment," continued Mr. McPherson. "I notice it especially since the disclosures have been made regarding the Booth connections with the timber cases. Many old-time Republicans have told me they were going to vote for Chamberlain, partly because they want to voice indorsement of the Wilson administration and partly because they resent the candidacy of Booth." C. J. Smith Popular. Mr. McPherson, who has long been a personal friend of Robert A. Booth, had urged his associates to attempt to dissuade him from the senatorial campaign because of the timber land trouble in the federal courts. They told him, however, that the timber scandal would not be brought up against him; that the influence of the friends of Booth would take care of that. Mr. McPherson said he finds much sentiment for Dr. C. J. Smith and other Democrats throughout his county. This, he was informed, is because of the spread of the opinion that the great need in the present campaign is to sustain President Wilson and the policies he has inaugurated, as well as the growing belief that the election of Dr. Withycombe to the governorship means a breaking away from the federal system. Fiegel's Strength Growing. He says his county will vote "dry." In this city Mr. McPherson found a constantly growing sentiment in favor of A. F. Fiegel, Democratic nominee for congress. The churches of Clatskanie will hold a union service in the Presbyterian church next Sunday evening to give a final boost to the prohibition amendment. Mrs. Minnie I. Hyde, president of the county W. C. T. U., will be in charge. To Protect Imperial Valley. Los Angeles, Cal., Oct. 23.—Secretary of the Interior Lane announced that he will call a meeting at Washington of all interests concerned in protecting the Imperial valley from floods.

# "JOKERS" IN "DRY" AMENDMENT ADMITTED BY "DRYS"

## Big Blunder in Misleading "Prohibition Campaign" Is Made J. E. WHEELER, CHAIRMAN OF COMMITTEE OF ONE HUNDRED

ADMITS in Public Print— That Prohibition is AN INFRINGEMENT OF PERSONAL LIBERTY. That the word "DISTRIBUTION" was DELIBERATELY LEFT OUT of the proposed "prohibition" amendment. That "ANY CITIZEN" may ship liquor "direct from some other state to HIS OWN HOME."

Every Claim Made by the Anti-Prohibition Forces Against the Proposed Prohibition Amendment in Oregon Is Confessed in the Three Above Admissions

## The Anti-Prohibition Forces Have Steadfastly Claimed:

- that "Prohibition is an infringement of PERSONAL LIBERTY." Mr. Wheeler admits it word for word in public print.
- that "Prohibition will not prohibit." Mr. Wheeler's admission proves his Committee of One Hundred is not trying to prohibit.
- that "Prohibition does not mean dry Oregon."
- that "Prohibition would be a death blow to the present healthy growth of TRUE TEMPERANCE SENTIMENT in the land." Mr. Wheeler's admission proves it.
- that "Prohibition would let down the bars to BLIND-PIGGERS and BOOTLEGGERS, who would deal in deadly decoctions," the same law allowing any "blind-pigger" with a HOME to ship liquor "direct from some other state to HIS own home. The BLIND-PIGGER is as much of a "CITIZEN" as any other man or woman in Oregon. The blind-pigger, because he is not under inspection by State, Federal or City officials, will "manufacture" one barrel of PURE WINE, BEER or LIQUOR into a DOZEN BARRELS of POISONOUS BEVERAGES that will make a new generation of imbeciles, idiots and criminals in Oregon.

## Mr. Wheeler's Three Blundering Admissions Are the Best Three Reasons Why His Mismamed, Misleading "Prohibition" Amendment Is an Alarming Menace to the State

IT IS AN ALARMING MENACE—

- BECAUSE he would have the people of this state vote away their PERSONAL LIBERTY in the belief that they were voting for a "dry Oregon."
- BECAUSE he would take away the present splendid HOME RULE and LOCAL OPTION LAWS from the CITIES and TOWNS and transfer liquor traffic control to the state.
- BECAUSE, with all kinds of vile liquor being shipped in "FROM OTHER STATES" into "ANY CITIZEN'S HOME," not subject to Federal, state or local inspection, it will be ENTIRELY UNREGULATED, and will become as "free as water."
- BECAUSE it will permit any BOY OR MAN to "ship" in whiskey in any amount, without even having to SIGN HIS NAME with the TRANSPORTATION COMPANIES, as under the present HOME RULE and LOCAL OPTION laws.
- BECAUSE it will in no way check the IRRESPONSIBLE DRINKER, whom a "prohibition law" is said to protect.
- BECAUSE it would wipe out \$900,000 in LICENSE REVENUES in the state, without aiding TRUE TEMPERANCE.
- BECAUSE it would seriously INCREASE TAXES in the state, without aiding TRUE TEMPERANCE.
- BECAUSE it would seriously cripple the HOP YARDS and HOP INDUSTRY of the state, injure a \$3,000,000 ANNUAL PAYROLL OF 50,000 HOP-PICKERS and sadly reduce \$6,000,000 ANNUAL INCOME to the state from HOP SALES; without aiding TRUE TEMPERANCE, and
- BECAUSE it would force liquor into THOUSANDS of HOMES in this state, to be drunk WHOLESALE by UNRESTRAINED DRINKERS before the very eyes of the CHILDREN WHOM TRUE TEMPERANCE WOULD PROTECT, thus dealing a serious blow to TRUE TEMPERANCE in the HOME, without in any way aiding TRUE TEMPERANCE, and
- BECAUSE it would build up an ARMY OF BOOTLEGGERS in the HIGHWAYS and BYWAYS, teaching HYPOCRISY, DECEIT AND LYING TO MEN AND BOYS—and WOMEN AND GIRLS, too—thus dealing another serious blow to TRUE TEMPERANCE, without in any way aiding TRUE TEMPERANCE.

Read What Mr. Wheeler, Chairman of the "Prohibition" Committee of One Hundred, says in his own words in the "official dry organ," The Evening Telegram of Portland, Sept. 29, 1914:

"The 'wet' forces are seeking to make capital of the fact that the proposed Oregon dry amendment DOES NOT FORBID THE 'DISTRIBUTION' OF LIQUOR, but merely its 'MANUFACTURE' and 'SALE.' "THEY ARE CORRECT. This was done DESIGN-EDLY and DELIBERATELY BY THOSE WHO DREW THIS AMENDMENT. Oregon has many citizens, especially many of foreign birth, who desire to have liquor

IN THEIR HOMES. They feel that it would be a HARDSHIP and an INFRINGEMENT OF THEIR PERSONAL LIBERTY absolutely to forbid them the use of liquor.

"The present proposed law DOES NOT FORBID THE USE OF LIQUOR by any citizen, be he poor or rich, provided he wishes to have this SHIPPED DIRECT FROM SOME OTHER STATE TO HIS OWN HOME."
