Where We Save You Money

You save money on Groceries when you buy steadily where prices are uniformly low. The plan, which many merchants follow, of taking an actual loss on a few "leaders" and then making it up on other articles is neither saving or satisfactory to you. Every store must pay a profit or the business cannot exist. You do not expect to buy for less than cost—but you owe it to yourself to buy where prices are lowest. We can save you money on the month's purchases because our immense volume of business enables us to sell ALL SUPPLIES FOR LESS MONEY. Thousands are enjoying that saving each month. Try it yourself and see how much you are ahead by the end of the month. Phone us a trial order today. You'll see the saving at once.

Order one of the following for Sunday breakfast: Mackerel, small, 4 for 25c Medium, 3 for 25c Smoked Salmon, lb. 10c Salt Salmon, lb. 10c Salmon Bellies, lb. 15c Collard Herring, doz. 30c Alaska Herring, 12-lb. pail \$1.00</p>	<p>A Quick Way to Buy Satisfactorily: Make up a list of things you may want and phone us for prices on such articles as you do not see in our advertisements. Remember, that our advertisements can list but a very small part of our stock, and we do not put "leaders" in our advertising, but merely goods selected at random. Everything in the store is equally low priced. Ask the man at the phone to give you prices on hams, bacon and lard—on soaps, on teas, coffees and spices; on flour—on all the regular necessities, or anything you fancy you may want. Remember, too, that our phone service is planned to give you perfect shopping satisfaction while you are comfortable at home. Don't hesitate to ask us questions over the phone. We can save you money if you will give us a chance. Ask us about cheese. Most families fail to make the most of this wholesome and economical food. If your stock of beans and macaroni and rice is low, ask us about our prices. This is the time of the year when raisins and nuts, citron and orange and lemon peel are in vogue. We have them all at low prices. Ask about them.</p>
