The people do not want to be disturbed or to have their institutions destroyed.

It has been said that the Oregon system is responsible for high taxes. From the date of the passage of the act in 1904 to 1911 taxes of this state were low. During that time those who favored the old system remained under cover, afraid to come up for election. In 1911 they took heart and opened with the legislature. In 1913 they set of the people do not limit the people do not limit the people do not limit the state with the legislature. In 1913 they set of ldarge Rev. W. A. I limit allow mass 6. S and 8. In closing Dr. Smith said he favored vowational schooling which would fit boys and girls for their life work, business, farming or whatever they wanted to take up. He said that one of the planks in his primary campaign is law enforcement and that if there were any laws which people did not want to see enforced, such laws. paign is law enforcement and that if there were any laws which people did not want to see enforced, such laws cught to be repealed at once, for they cught to be repealed at once, for they long serion, if a. m.
