## GERMANS RETREATING IN FRANCE, ABANDON LINES ON YSER TO THE ALLIES

### Turkish Ambassador to Russia Leaves Petrograd After Being Assaulted by His Household Servants Who Demand Four Months' Arrears in Pay; British Cruiser Destroys Turkish Town.

### BELGIANS ANNOUNCE GERMANS ARE IN RETREAT; FLIGHT PRECIPITATE

### Russia and Turkey Preparing to Fight in Spite of Apology Forwarded by Sultan; Battle Reported Near Trebizond on Black Sea.

(United Press Leased Wire.)  
London, Nov. 3.—Destruction by the British cruiser Minerva of the Turkish town of Akaba, Arabia, on the east side of the gulf of Akaba, was announced by the admiralty today.  
When the Minerva arrived off the port, it was said a force of Turkish troops, apparently under a German officer's command, was guarding the town. The cruiser shelled the place until the soldiers were compelled to evacuate it, when a landing party went ashore and completed the work of destruction by demolishing the postoffice and other buildings. The admiralty added that there were no British casualties.

### TURKS INVADE EGYPT

Berlin, via The Hague, Nov. 3.—Fifteen thousand Turks have already invaded Egypt, according to dispatches published in the Lokal Anzeiger today.

### BATTLE NEAR COAST

Rome, Nov. 3.—Russian and Turkish troops were reported fighting today near Trebizond, on the Black sea coast in Turkish territory about 90 miles west of the Russian frontier.  
Russia, anticipating hostilities with the Turks, was understood to have massed a strong force of troops in the southwest corner of Transcaucasia. These evidently made a dash across the frontier the moment hostilities began.

Advices from Petrograd quoted Russian Foreign Minister Sazonoff as saying definitely that Turkey's apology for its fleet's acts in the Black sea was unacceptable, inasmuch as the sultan simultaneously refused to expel all German army and navy officers from his country.  
A Constantinople message stated that Serbia and Montenegro, following the British, Russian and French example, had recalled their diplomatic representatives from the Turkish capital.

### TURKISH AMBASSADOR TO RUSSIA IS BEATEN BY HIS OWN SERVANTS

Petrograd, Nov. 3.—Fareddin Bey, the Turkish ambassador here, left Petrograd with his staff today, after he had been assaulted by Russian employees of his own embassy.

Havre, France, Nov. 3.—The Germans who have been trying to reach the northern French coast are retreating eastward, abandoning their dead and wounded, according to an official statement issued today by the Belgian government, which now maintains headquarters here.  
The Belgians, it was declared, were advancing toward the Yser.

On their way they were said to be finding many evidences that the German retreat was a most precipitate one.

### GERMANS LEAVE YSER

Paris, Nov. 3.—The Germans have definitely abandoned all their positions on the left bank of the Yser, it was stated today in the Bordeaux war office's regular afternoon communication to the Paris public.  
They were forced from their trenches, the report explained, by the inundation which followed the cutting of the dikes by the Belgians. The allies were said to have occupied their lines as fast as the Germans retired from them. The allied forces were in especial strength below Dixmude.

### Renewed German assaults on Arras Monday were said to have been repulsed heavily.

### SIDE THAT CAN LAST LONGEST WILL WIN IN BRITISH STRATEGY

London, Nov. 3.—That the allies in northern France and Belgium have been fighting offensively since October 20 was announced by the official war information bureau here today. It was said a large proportion of the Germans engaged in opposition to them were half trained and that all were suffering terribly from lack of food.

Accompanying the announcement that the allies had assumed the aggressive, the bureau made public another of its "eye witness" stories, covering events in the western war zone up to October 25.

The German troops who have been arriving at the front lately, it was stated, though not fully trained, have been fresh, courageous and have fought with much determination. Prisoners were quoted, however, as declaring the Germans heartily sick of the conflict.

Endurance Means Success.  
"It is now certain," said the report, "that success will favor the side

## LANE TO FORCE EDITOR PIPER TO APOLOGIZE

### Slandering Article and Editorial Regarding What Transpired at Hebrew Gathering Cause Oregonian Trouble.

### TRUE VERSION OF THE INCIDENT IS RELATED

### After Discussion in Yiddish, Jews, in English, Asked Senator to Present Petition.

Senator Harry Lane has demanded an apology from the editor of the Oregonian for the slanderous article and editorial published about him in yesterday's Oregonian. They charged him with bargaining with friends of Max Cohen, convicted of subornation of perjury, to trade a pardon for Cohen for votes for Chamberlain.

When Senator Lane confronted the editor of the Oregonian and asked for an explanation, the editor begged off and said he had been misinformed. Somebody had given him the wrong information.

Senator Lane was lenient, and because he has known the editor and his family for a long time, was willing to accept this explanation—but he is waiting for an apology.

The story was published the day before election in a last desperate effort to cast reflections upon Senator Lane and Senator Chamberlain, in the hope that it would give R. A. Booth from defeat in the election today.

### Editor Must Apologize.

"I had decided to come here and tell some of the things I knew about the Oregonian," said Senator Lane, to an audience of 400 persons at W. J. Linton high school last night, "but I went up to see the editor today. I've known him for years and I know his family. He said he was misinformed. I suppose some smart aleck—I suppose I should say some 'enterprising young man'—went up to the Oregonian office and gave him wrong information. 'If I had done that with which the Oregonian charged me I would not be fit to remain in the United States senate.'"

### Choir Singer Sang To Him He Thought

### Los Angeles Man Heard Her Carol 'I Give Myself to Thee' and She Had Him Arrested When He Called.

Los Angeles, Nov. 3.—The mental status of Haven Cushman, who declared that he had been enthralled by the sweet voice of Miss Alice Lohr, a pretty choir singer, will be decided by a jury. This request of his attorney was granted after he had been found insane yesterday in the superior court. In his testimony, Cushman declared that Miss Lohr, while singing a solo in her church, looked directly at him and trilled, "I give myself to thee." Since then, Miss Lohr said on the witness stand, he had deluged her with fervent letters and often called her to the telephone.

The complaint that brought Cushman into court was made when Miss Lohr had become weary of his unwelcome attentions.

## DR. C. J. SMITH TELLS HOOD RIVER VOTERS WHAT HE STANDS FOR

### Straight From Shoulder Talk Delivered by Democratic Candidate for Governor.

By Fred Lockley.  
Hood River, Or., Nov. 2.—Dr. C. J. Smith, Oregon's law enforcement candidate for governor, made a stirring address at Heilbronner's hall yesterday afternoon. He was introduced by J. H. Hazlett, county chairman of the Democratic party.  
Mr. Hazlett said in part: "We are nearing the end of a very important political campaign. It is important in view of the heavy influx of immigrants we shall have on account of the opening of the Panama canal. It is doubly important on account of the type and character of this immigration. We shall get thousands of Germans, Belgians, English, French and others of the best blood of Europe. We need them.  
"It is important because we want relief from the ever-increasing burden of taxation. We need to select a strong man for governor, a man who will be able to successfully meet and solve the many problems that will come up during the next few years. We are fortunate in having a candidate in the person of Dr. C. J. Smith who is clean, capable and aggressive and who is richly endowed with the requisite qualities to make an able executive. I know of no man better

## BIG DEMOCRATIC GAIN SHOWN BY OREGON'S REGISTRATION TOTALS

### Increase Is Over 124 Per Cent.—More Than 300,000 Registered, All Parties Considered

More than 300,000 voters are registered in Oregon—and most of them are voting today. The total registration, as announced yesterday afternoon by Secretary of State Ben W. Olcott, who had received official reports from all the counties except Curry, Douglas, Malheur and Multnomah, is 300,154. The unofficial reports from the four counties mentioned are thought to be practically correct.  
The registration has almost doubled since 1912. At that time it was 159,835, the increase being 140,255. This is due to the fact that the women have been given the right of suffrage since 1912 and to the heavy registration

## IMMENSE VOTE IS BEING CAST IN CITY TODAY

### Struggle Between 'Wets' and 'Drys' Brings Out Approximately 25 Per Cent of the Registered Electors.

### NUMBER OF WOMEN IS ABOUT EQUAL TO MEN

### Fair Sex Displaying Keenest of Interest in Important Issues Pending.

One of the heaviest votes ever polled is being cast in Portland today, according to early reports gathered by The Journal from various precincts scattered throughout the city.  
Singly and in couples, men and women began to stream into the polling places from the moment they were opened at 8 o'clock this morning, and there is little doubt but that the overwhelming majority of electors will have registered their wills by the time the polls close at 8 o'clock tonight.

From the east side, the west side, north and south the uniform report is—"Voting heavy," and it is estimated that not less than 25 per cent of the total registered vote in the city was cast during the first four hours of voting. There was a heavier vote during the forenoon today, say election officials, than obtained during the afternoon rush at the primaries.  
The heavy vote is attributed in a great measure to the "wet" and "dry" issue, which has been bitterly fought and each side has called out its strength to decide the question.

Women are out in force, and during the forenoon their vote ran very close to the poll cast by the men.  
The majority of precincts reporting stated that the women were voting strong.

In precinct 2, polling place at Twentieth and Kearney, 31 of a total of 155 registered, had voted up to 10 o'clock. The men were in the majority.

### Men and Women Equal.

Women and men shared equal honors in precinct 24, Fifteenth near Kearney, at 10 o'clock. Twenty-eight of 185 registered had voted.

The same situation existed in precinct 289, where 58 voters had cast their ballots at Mississippi avenue and Cook.  
In precinct 32, Fourteenth and Couch, only four women were numbered among the 28 votes cast up to 10 o'clock. The registration totals 218.  
Of 206 registered in precinct 34, the polling place at 46 North Twentieth street reported 93 votes cast up to 10:20 o'clock. Men and women were equally strong. Montgomery streets, in precinct 7, 67 out of 284 had voted and the women were leading.

### Morning Vote 85 Per Cent.

At the Y. M. C. A., precinct 52, 70 out of 296 registered had voted by 11 o'clock.

In precinct 54 the vote at 10:15 was 50 out of 375 registered. Precinct 55, at 10:15 had voted at the courthouse. The city hall precinct, 62, had 46 out of the 285 registered voted at 10:20.

At 10 o'clock, 60 out of the 325 registered in precinct 66 had voted.  
Precinct 63 showed 58 voted at 10:20 of the 346 registered.

At 10:30, 66 of 223 registered had voted in precinct 65 at 10:25 34 had voted of 27 registered.  
At 10:55, in precinct 66, the vote was 42 of 236 registered.

Of 359 registered, 84 had voted at 11 o'clock in precinct 69, between Mill and Washington streets. At 10:40, the vote was 66 of 395 registered.

The vote stood 32 of 250 registered in precinct 78 at 10:45.  
Twenty of 160 registered in precinct 80 had voted at 10:30.

Of 187 registered in precinct 81, the vote was 31 at 10:35.

### Women Lead Slightly.

The polling place for precinct 79 is on Fourth street, between Mill and Montgomery streets, and 71 of 480 had voted up to 10:30. The women led the men slightly.
