

B. RYAN, LOBER AND DERRICK PLACED ON BLOCK BY M'CREIDIE

Portland's Champion Manager Implies Players Did Not Give Their Best Help.

MAY NOT GO TO OMAHA

Whether to Make Eastern Trip or Stay on Coast to Watch San Francisco Developments.

Buddy Ryan, Ty Lober, Fred Derrick, Sam Erenegand and Hi West are on the market.

Manager M'Creidie debating this morning whether or not to go to the Omaha meeting November 10, said that he had made up his mind to wrap these players if he could get the right kind of a trade.

The only ball players on his club that he will not trade besides the pitching staff are Gus Fisher, Bobby Davis, Billy Spess, Walter Doane and Dan Murray.

McCreidie usually has a surprise up his sleeve at the end of each season and many of the ball players are over the shape that a ball player keeps himself in.

"The ball players I have placed on the market for trade, did not give me the best that was in them last year. Some of them did not try to keep in condition, and I refuse to worry any more over the shape that a ball player keeps himself in."

"I am not decided yet whether I will go to the Omaha meeting of the minor leagues on the tenth, or stay right here and take care of my bid for the San Francisco club."

Another of Baseball Brides Is Mrs. Miller

The jinx of the All-National-All-American baseball clubs' trip to the coast was broken at San Francisco when the fourteenth lady joined the party.

This is Speed King's Birthday. Walter Johnson, famous baseball pitcher, is 27 years old today.
