

TODAY'S NOTES AND NEWS FROM PORTLAND'S SUBURBAN TOWNS

FARMER IS KILLED BY UNKNOWN WHO FIRES THROUGH A WINDOW
His Wife Also Injured by a Shot, No Motive Assigned for the Attack.

Vancouver, Wash., Nov. 21.—Otto Ludke, a well known farmer residing near Ridgefield, was instantly killed last night and his wife was wounded when some unknown person fired a shotgun through the window of their home, just as they were about to leave to attend a social gathering at the home of a neighbor.

Considerable mystery surrounds the shooting, there being no known motive for the deed. There is absolutely no clue which might lead to the identity of the guilty party.

Mr. Ludke had just finished hitching up his team. He returned to the house and had seated himself near the window for a few moments only, when the gun was discharged, the contents striking both Mr. and Mrs. Ludke.

Mr. Ludke received a bullet wound in the chest and a bullet wound in the shoulder and struck Mrs. Ludke in the shoulder and forehead, inflicting slight but serious wounds.

The shooting occurred about 7:30 o'clock and Coroner Limber, Sheriff Cressap and Prosecuting Attorney Burnett hurried to the scene in an automobile. No clue was found which might lead to the discovery of the guilty party but investigations were resumed again today.

Mr. Ludke was 47 years old. He is survived by his widow and eight children, the eldest 19 years old and the youngest 6 years old.
