## FIELD KITCHENS ARE BUSY

Task of Feeding Men Proceeds With Orderly Precision-Each Field Kitchen Cooks for 250 men at One Time.

is the first dispatch from special correspondent of the blinking is the first dispate the life Biy special correspondent of the onal News Service, who is now at t in the beleaguered fort at Przemysl. 13, in private life Mrs. Elizabeth C. was one of the first women in the feat the first women in the front in Nellie Bly. Seaman. America to gain fame in journalism. Her fea in circling the globe in 72 days in 1887 set an early record.

### By Nellie Bly.

Przemisl, Oct. 20 .- I went on the firing line yesterday. It, was Thursday, October 29. I was called at 5 o'clock. I made my unsatisfactory toilet in the dark. My electric light had, gone to sleep and the daylight was not yet on duty. At 6 o'clock I walked down four

long flights of stairs-dirty stairspushing through a crowd of soldiers who were raising a frightful and unsanitary dust by brushing and polishing officers' uniforms and boots. Everybody arrived, singly and in

Some had cameras, others groups. sketch books, and each a linen bag slung over his shoulder, in which was deposited his day's food. Each one wore a soldier's cap, and the majority, Nellie Bly, traveler and journalist, soldiers' jackets or raincoats. I feit in the role of war correspondent.

snug in my cap and fur lined coat. the other, six in all, weaving in and out of long wagon trains going filled first Red Cross hospital she saw, and call. our way, and endless lines of wagons oming towards us bearing wounded thanking us, she turned, trudging toonce ward the west. soldiers, mainly, though every in a while a wagon filled with knap-

water-filled, hasty drives. We could see cavalry riding in haste in different directions, artillery start suddenly and disappear another with the commander. It resulted in way, troops in gray and dark blue, an invitation to enter. making a square line like a freight train on the horizon.

With all this movement I could cannon. They stood on the smooth hear no sound, except the sound of open ground. Each one was loaded constant and heavy cannonading. It with a shrapnel. Ammunition boxes was like a moving picture with the in neat piles stood near. cannon effect behind the curtain. In cave-like certs due steel, cannon effect behind the curtain. They are earth, roofed with corrugated steel, steel, earth, roofed with bags of sand Field kitchens were busy. They are earth, roofed with corrugated steel, like a square steel tank, riveted and which was covered with bags of sand set on four wheels. Underneath is a place for wood, the small door lo-cated between the hind wheels. On necessary for a battle. top are the holes in which are fitted Geneva Professor

three enormous pots, shaped like a mange boiler. 250 Men Fed at Once.

At the back hang two heavy steel dippers stamped with the coat of arms of Austria. Each field kitchen cooks for 250 men at one time. Once in every five days each man gets three and a half kilos of bread and of the duy he gets meat, steamed pond sometimes rice.

'Oh, supper doesn't amount

He was allowed to go to the front. Not Influenced by Tarkey.

ligious faith by the introduction of distinctly religious subjects.

**Business** Is Business.

A woman was among the single line westward. She wore boots, short, young suburban doctor, whose practice was not very great sat in his full, balloon shaped purple skirt and full, balloon shaped purple skirt and study reading away a lazy afternoon a flower bordered white handkerchief in early summer. His man servant over her head. Her right arm was appeared at the door.

bound with a ragged shawl tight to her breast. In a fortnight she will green peaches again. Shall I chase be a mother. them away?"

She stopped us. Could we direct her to the nearest doctor. servant

A piece of shell had broken her arm "No," he said,

"Spug" Order for New York Schools I couldn't wear my fur coat and walk. It weighs 50 pounds at the least and reaches my ankles. I would not give up the firing line, though the colonel suggested I need not go further if I did not wish. I

wished So we started up the muddy road! Colonel John striding along the muddy channel cut by the flat rims of the wagon wheels. I followed after, breathless and perspiring.

Frequently we met officers on to the principals of all public schools orseback. Then we waded through calling their attention to the by-law horseback. the slush to the side of the road, and of the board of education which proafter they passed, indifferently waded hibits teachers and pupils from conback again.

they saluted, more often they staggered unconsciously and forlornly on, their sunken eyes fixed pathetically

on the west, blind to their surroundings, their ears deaf to the near and ceaseless thundering of cannons, their nerves dead to the, awful whizzing of the granards as they whirled above our heads, so near, yet never visible

to the eye.

"Doctor, them boys is stealin' your
