Bill Is Generally Good. With all due respect to Mercedes and Mlle. Stanhope, who were to have headlined the current Orpheum bill with their "musical enigmas," it is difficult to imagine that they could ever have been feared to be as good as Mlle. The gem of their numbers is Schubert's "Moment Musical," which had to be repeated. Mlle. Vadie is as petite and dainty as a little fairy, and as exquisite a dancer, Kate Elmore is just about the funniest comedienne that ever graced the Orpheum stage...

ACHES AND PAINS. Don't neglect a pain anywhere, but find out what causes it and conquer the cause. Pain in the kidney region may put you on your back tomorrow. Don't blame the weather for swollen feet. It may be an advanced warning of Bright's disease. A pain in the stomach may be the first symptom of appendicitis. A creek in a 100' may be the forerunner of rheumatism. Chronic headaches more than likely warn you of serious stomach trouble. The best way is to keep in good condition day in and day out by regularly taking GOLD MEDAL HAARLEM OIL Capsules. Sold by reliable druggists. Money refunded if they do not help you. Beware of substitutes. The only pure imported Haarlem Oil Capsules are the GOLD MEDAL. Guaranteed and sold by The Owl Drug Co. (Adv.)
