

CUNSULIDATION STATE COMMISSIONS OBJECT OF ACTION

Barrett of Umatilla Urges the to the defendants exploded at a saw Appointment of Committee the death of John G. Fisher, father to Prepare Bills.

(Salem Bureau of The Journal.) Salem, Or., Jan 12 .- Senator C. A Barrett of Umatilla fired the first gun at ."useless" boards and commissions this morning when he introduced a resolution to have a special joint committee appointed to receive and to prepare bills for the abolition and consolidation of various offices and commissions. The resolution provides for a committee of three senators and four representatives, the president and speaker to be members. The resolution was received with applause. I

reads in part as follows: "And as suggestions to said committee and as a basis for its work, it is recommended that the following commissions and public offices be entirely abolished, to-wit: State board of accountancy, Oregon bureau of mines and geology, Oregon conservation commission, Oregon state immigration commission, board of higher curricula, state architect and state immigrant

agent. "That the following offices be abol-ished and the work thereof placed in

letter to Mayor Mitchel. mill in Clackamas county and caused "There is danger," said Pinchot, of the minor plaintiff, and in the Multnomah circuit court jurgment was se-

cured for \$5000. The case came before the supreme court for rehearing. It is found that the circuit court erred in saying that the jury should consider as an element of damage the fact that the boy was deprived of the society, support and protection of his father, and declares that the loss of the society of the deceased does not constitute an element of damage. The defendant did not raise this question until the rehearing. Judge Benson wrote today's opinion.
