Exporters Said to Be Seeking holm, sweden, the swedish Rederi Ak-Other Vessels to Take Care tieholaget Nordstjernan has decided to of the Business.

CHARTER RATES

Lack of Tonnage Is Blamed for High Prices, in Opinion of the Exporters.

Six vessels chartered the past few trip for the lower coast and will main permanently in the service. North Pacific ports to foreign shores have caused an activity in the lumber in these parts which, taken with row with a full cargo. This will be the general wave of prosperity which the first time in the history of the is affecting the other branches of the port that a full cargo for Galveston camship business, augurs well for has left San Francisco. the coming few months.

As a result of these activities ves- steamer San Juan did not get away for els in disuse for the past few months Balboa last night but steamed away re being taken out and prepared for early this morning. service and mills preparing their plants for extra heavy service.

he American schooner Irene, Captain Norf Mitchell, which has been tied up at Astoria since arriving here last fall SAII rould be taken to Westport tomorrow and loaded with lumber for Callao, on the west coast. The American schoonr' H. K. Hall, now 22 days out of Santa Rosalia in ballast for this port, has secured a cargo and will load at ruled the Eastern & Western Lumber company's mill for delivery at a South frican port. The steamer Thomas L. wand, which has been tied up at the cases as has been brought up in conbot of Oak street since she was re- nection with the request for discharge cased from the Alaska run in Novem- of the 13 sailors brought here on the ber will, it is said, be placed in service again about January 25. The several steamers and sailing schooners retired at lower river mooring places the matter. are also expected out inside of the next 30 days.

The North Facific charters reported the Seamen's Union, was instructed to during the past week, and which this file an amended complaint setting ort will furnish the cargo for at least forth this fact and an immediate achalf of them, include two steamers tion will be taken. the Andrew Weir line taken at 95, shillings, the American steamer dgar H. Vance, for which it is said charge on the grounds that war had 1300 a day is to be paid by Comynn, | broken out and that they did not want Mackall & Co., and the British bark to take chances of capture or death Inversnaid, also taken at 95 shillings. in the waters about the United King-All four of these vessels will make dom. They were kept aboard the ship

All four of these vessels will make the United Kingdom. It was reported this morning that but that owners were asking more but that owners were asking more sevent trade, say local dealers, is the only detriment to extensive trading in lumber which faces the North Pacific Lack of tonnago is blamed for this

This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used

Combing Won't Rid Hair of Dandruff

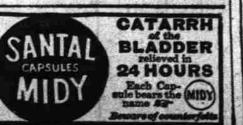

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use FOR MANY DAYS enough to moisten the scalp and in gently with the finger tips. enough to moisten the scalp and rub it

Do this tonight, and by morning most, if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all ftching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

It is inexpensive and store. fails to do the work. (Adv.)
