EVERYBODY SHOULD JOIN

You will never miss the small amounts you pay in. The dimes, nickels and pennies that you allow to slip through your fingers for trifles will keep up the payments.

In some cities churches, Sunday schools, societies and other organizations have formed clubs of 50 or more members who will use their combined savings as a fund to pay off their debts or for some specific purpose. Why not you?

Everybody is welcome to join. The first payment makes you a member. Act at once. Don't delay. Toin now.
