

"WEE WILLIE" MAY SEEK JOB ELSEWHERE--FRED DERRICK IS SATISFIED

VANDERBILT RACE TO PULL BIGGEST CROWD AT S. F.'S SPEEDWAY

Twenty-five of World's Speed Demons Already Entered for February 22 Event.

San Francisco, Cal., Feb. 5.—Judging from the rush for tickets, even at this early date, the largest crowd ever to witness the Vanderbilt cup race will be on hand when the drivers are sent away at the Panama-Pacific exposition grounds here on the morning of February 22.

The distance to be covered is 294.062 miles. The course consists of 76 laps of 3.953 miles each. Indications today were that Ralph De Palma, twice winner of the Vanderbilt cup, will be the betting favorite. If he wins the race he will retain permanent possession of the Vanderbilt trophy and in such event the Vanderbilt cup race will be removed from the list of road racing classics.

The Vanderbilt race heretofore has always drawn well over 100,000 persons, but exhibition officials predict that at least 250,000 spectators will be on hand when the first car is sent on its way.

The Vanderbilt cup already has arrived in San Francisco and is on exhibition in the window of a local jewelry store. This is the first time the cup, which is recognized as the blue ribbon trophy of American automobile contests, has been out of New York.

The fact that the course runs so close to the big exposition palaces most of the distance prevents the use of any space on either side of it for spectators, and as a result the crowd will have to see the sport from the stands. The entire course will be patrolled by exhibition guards, who will limit the spectators to certain distances while the race is in progress.

Anson Cornell Comes to Have Knee Seen

University of Oregon, Eugene, Or., Feb. 5.—With examinations of the first semester of the 1914-15 school year over, Football Captain-elect Anson Cornell is in Portland today to have a final consultation with his surgeon who operated on his knee during the last Christmas vacations. Cornell has been "hobbling around the campus" with his classes with the aid of crutches and crutches since the first of last month.

"This is the second time I have run on the knee," said Anson yesterday as he hurried to catch the Oregon Electric for home—and the doctor—"and it feels good to be able to do it. I believe the knee is O. K. now and I'll be out for that second base job under Coach Beade's direction when the warm days come."

Sailor Petroskey Is Beaten in Denver

Denver, Colo., Feb. 5.—Sailor Ed Petroskey of San Francisco has gone back at least \$5 per cent since his last appearance in Denver.

This was the consensus of opinion today of the spectators who witnessed his bout here last night with "Fighting Dick" Gilbert. Gilbert won by a wide margin, after 29 rounds of slugging. Petroskey was ready to drop when the song was sung and the crowd of the final round. Gilbert, who had beaten the Californian into a state of helplessness, wore himself out at the task, and he, too, was almost exhausted.

GIBBONS TO BOX M'GOORTY

St. Paul, Minn., Feb. 5.—Reports that he had signed articles to box Eddie McGoorty 10 rounds at Hudson early in March were verified here today by Mike Gibbons, generally recognized as the middleweight champion of the world. Gibbons defeated McGoorty in New York last year.

Matt Hynes, the former Portland twirler, has been signed by the Los Angeles team. Hynes has been on the suspended list for the past couple of seasons for refusing to report to Dayton, Ohio.

"Wee Willie" McCorry, who fell heir to the Portland Coast League contract upon the death of the Colt franchise in the Northwestern league will not be sent to New Orleans as planned. He was given his outright release yesterday by Judge McCredie so that he may do the best thing possible for himself. McCorry was picked up last fall by Nick Williams after he had been released by the Spokane club. He immediately struck his gait and pitched good ball. Manager McCredie intended to sell Willie a second trial in the Coast League this fall, he having seen his first service as a member of the San Francisco club, by which he was shipped to the Spokane Indians.

"We wrote to New Orleans and offered McCorry to them," said the judge. "This was a couple of months ago, and we have received word from Johnny Dobbs, manager of the Pelicans, as to whether he can use McCorry. We assume that he cannot, and rather than stand in the way of his placing himself elsewhere we gave him his release. He is a good pitcher, but we are overstocked with pitchers now."

McCorry is wintering at Rathbrun, Idaho. Fred Derrick has written Judge McCredie that he is perfectly satisfied with his contract and that he will be in good shape when he reports at Fresno. He says he has a good year ahead, and that he is not aware of the negotiations under way between the St. Louis Americans and Portland relative to his purchase by the former. Big Rip James tipped Derrick off to Branch Rickey and the latter immediately took steps to purchase the fleetfooted first baseman. Fred was the class of the first sackers of the league last year, but was in only two thirds of the games, being susceptible to injury.

SIMON-PURE BOXING FINISHED FOR YEAR WITH ARMORY BOUTS

Thousand Fans Find Interest Greatest in Two Events of Long Card.

"Simon-pure" boxing is scotched. The end came between the hours of 10 o'clock and midnight last night in the Oregon National Guard armory. Some 1000 fans were present when this favorite breathed his last for the present season.

The amateur mitt slinging game is no more in Portland this season, as the result of the edict of T. Morris Dunne, secretary of the P. N. A., to issue no more sanctions until he has investigated the charges against the various boxers and clubs.

The card, which was staged under the auspices of the Armory Athletic association, was not so good as expected, the fans becoming interested in but two events.

Parlow of the Multnomah club slipped haymaker over on Campbell and it was some time before the unattached boy knew what happened. Harry Sommers, formerly of the Mohawk club, although he won a three round decision over Young, did not fight as good as he did in his previous bouts of the season.

109 pound class—Tommetus won from Young Cook, decision three rounds. 115 pound class—Brodie (unattached) won from White (unattached), two rounds. 120 pound class—Driscoll (Armory) won from Smock (unattached), three rounds.

125 pound class—Weston (unattached) won from "Steve" Brodie (unattached), three rounds. 130 pound class—Reynolds (unattached) won from Sax (unattached), three rounds.

135 pound class—Swelson (Hawthorne) won from Small (unattached), three rounds. 145 pound class—Shea (Armory) won from Taylor (Western), three rounds. 150 pound class—Cordova (unattached) won from Meagher (Vancouver), three rounds.

155 pound class—Parslow (Multnomah) won from Campbell (unattached), three rounds. 160 pound class—Wagner (Armory) won from Allen (Beaver), three rounds. 175 pound class—Sommers (Mohawk) won from Keppinger (Armory), three rounds.

White's championship girls basketball team, which has won seven games this season by large scores, will play the girls' team of the Park Place High school, Oregon City. The high school boys team will play Estacada High school after the girls' game. The same night the St. Johns volunteer fire department basketball team will play the team of the Sunset Athletic club of St. Helens in the skating rink here. A dance will follow. Tuesday the boys' and girls' teams of the high school will go to Forest Grove to play return games against Forest Grove High's teams.

You'd think it was nearing Yuletide by the courtesy our streetcar conductors are beginning to show us. We have a hunch though that it is the jinnety-tide that causes it.

MULTNOMAH IS BEATEN 24 TO 18 BY OREGON FIVE

Club Is Handicapped by Playing Under Intercollegiate Rules.

The Multnomah club basketball quintet held the University of Oregon tilters to a 24 to 18 score last night in the first intercollegiate game in Portland this season. Although strengthened somewhat by the addition of Billie Lewis and Twining of the champion Weonas, the "Winged M" team was handicapped because the game was played under intercollegiate rules.

Coach Beade's team played fair ball, but the Oregon mentor was not quite satisfied with their playing. Dudley, the regular Lemon and Green center, was not in the contest. Lyle Bigbee was Oregon's star in last night's contest, and Captain Rossman starred for the local quintet.

The Oregon team will play the University of Washington team tonight and tomorrow night, and will meet the Idaho five on February 8. On February 9 the Eugene boys will play W. S. C., and on the tenth they will battle with the Whitman college team.

The Multnomah second team lost to the Lincoln High quintet in the preliminary by the score of 8 to 4. The lineups:

Multnomah (18): Oregon (24). Lewis (F), Sharp (4), Rosman (3), Brownell (2), Hummel (2), Boyton (4), Goomy (2), G. Boyles (4), Twining (2), H. Boyles (5). Referee—Homer Jamison. Timer—Robert Bradshaw. Scorer—James Mackie.

Hoquiam Fans Believe John Barnes Will Win Pennant This Year.

Hoquiam, Wash., Feb. 5.—Baseball fans expect the "Black Cats" to make so excellent a showing in the Northwest league this season, in celebrating their return, as to bring home the pennant. Manager Barnes is just as enthusiastic as the populace is in this respect and as enthusiasm has already reached the boiling stage there is possibly some fire along with the baseball smoke.

Manager Barnes is doing some stren-

Clark, Berger and Giddings will be among the rubber men and it is likely that Ham Hyatt and Eddie Householder, old favorites and heavy hitters, will wear the uniform of the Grays Harbor team. Hyatt, an old Hoquiam boy, for several seasons pinch hitter with the Pittsburg Pirates, has signified his willingness to play with the locals. So has Householder. Vance and Brown, seasoned backstops, will be at the receiving end. Eberline, Morse and Stis will appear in the infield and W. H. Smith, J. Smith and Black will be in the out-

field. Barnes is daily casting about for talent and declares he will have a team with the opening of the season that will make "em all sit up and take notice."
