

FEAR OF SENATE CLUB HITS IN PASSAGE OF LAIR THOMPSON BILL

Creation of New Judicial District in Lake Goes Through With Emergency Clause.

(Salem Bureau of the Journal.)
Salem, Or., Feb. 16.—Fears for the fate of their own bill in the senate were responsible yesterday afternoon for the passage of at least one senate bill by members of the lower house. Over the protest of Representatives Stewart and S. J. Pease, of Coos and Curry, Senator W. Lair Thompson's bill to create a new judicial district in Lake county went through. The only others who voted against it were Chickabook of Yamhill and Speaker Soling.

What caused the outcry by Pease and Stewart was the emergency clause attached, which precludes the possibility of a referendum. Inasmuch as the enactment of the bill means an additional expense to the state of \$400,000 per year in salaries for judges, more bills are pending to create new judgeships with corresponding salaries, the protesting ones felt the precedent a most dangerous one.

"It is absolutely not our intention," declared Mr. Pease, "that there is such an emergency in Lake county now, since only two terms of court are held per year. If Stewart stated that he believed that several members had confided to him their disapproval of this bill who had voted for it because they feared that they would not be able to get their own over the possibility of the senate's return roller crowd should be aroused."

Besides the Lake county judgeship now passed, there are pending in the legislature bills to create a new judicial district for Josephine and Curry counties; one for Washington and Tillamook counties; one for Lincoln and Benton; and one for Jefferson and Crook. Besides, an additional judgeship for Multnomah county is provided in a bill.

"I got to vote on that Lake county judgeship at all," explained one member last night. "But there remains some highly important legislation absolutely must not run counter to the senate machine, which would kill it just for the sake of revenge."

"At least one representative 'dodged' the vote by being called to the telephone when the roll call started."
Receiver at Brandon.
Brandon, Or., Feb. 16.—J. K. Gettins of Marshfield has been appointed receiver of the Brandon Dry Goods company of this city, the store having been closed by the United States district court. H. A. Murphy was manager of the store, which has been in financial trouble for some time. Murphy and Westerman, who took the business over about a year ago, say that they were taken in by the company at that time of which they knew nothing.

IF HAIR IS TURNING GRAY, USE SAGE TEA

Don't look old! Try Grandmother's recipe to darken and beautify faded, lifeless hair.

"That beautiful even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray, streaked and looks dry, wispy and raggedly, just mix a quantity of two Sage and Sulphur enhances its appearance a hundredfold. Don't bother to prepare the tonic; you can get from any drug store a 50 cent bottle of 'Wyneth's Sage and Sulphur Compound,' ready to use. This can always be depended upon to bring back the natural color, thickness and lustre of your hair and remove dandruff, stop scalp itching and falling hair."

Everybody uses 'Wyneth's' Sage and Sulphur because it darkens so naturally and quickly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy, lustrous and abundant.—Adv.
