**PRESIDENT WILBUR OF MULTNOMAH CLUB APPOINTS CHAIRMEN**

Three New Departments Are Added to Activities of Big Athletic Organization.

25 MEMBERS IN CHARGE

Head of Club Selects Strong Committee Leaders and Predicts Year Will Be Greatest in Its History.

President Ralph W. Wilbur of the Multnomah Amateur Athletic Club, one of the largest athletic institutions in the west, yesterday announced the names of the chairmen of the various committees for 1915. Twenty-nine in all, three more than last year, were appointed to direct the departmental affairs for the ensuing season. Thirteen of the chairmen were reappointed, while new men were put out at the head of the other 16 committees.

President Wilbur, despite the cry of hard times, believes that the present year will be one of the greatest in the club's history. The president is enthusiastic over the committee reports that the club's track and field and boxing and wrestling teams stand a good chance of winning some of the championships to be decided at the meets held in San Francisco during the summer.

The new committeemen are Park Myers, baseball; William Walters, billiards; S. S. Humphrey, bowling; H. H. Herdman, educational; E. E. Frank, grounds; G. Seaton Taylor, gymnasium; Ben Reiland, handball; William Mussey, house; A. A. Allen, swimming; F. Sherman, O'Gorman, squash; and John A. Lee, walking. During the past year three new committees were created, hockey, educational and walking.

**New Ones Are Prominent.**

Park Myers, baseball chairman, has played with the "Winged M" teams for several seasons and he is very much pleased with the outlook. William Walters, who succeeds Frank F. Watkins, will at once organize his committee and get things in shape for the approaching season. One of the first duties of Chairman Allen will be to set a date for the annual indoor swimming championships of the Pacific Northwest association.

John A. Lee, the chairman of the walking committee, is preparing a schedule of "hikes" for the spring months. Many of the club members participated in the hikes of last year and they were pronounced enjoyable.

Harry Fischer, who has managed the basketball quintet for the past several seasons, will direct the affairs of the basketball shooters again next fall. Fischer has hopes of getting together an all-star aggregation of players.

A. D. Wakeman, who has been chairman of the tennis committee for the last two seasons, has been reappointed and it is believed that Wakeman will make the 1915 season as successful as the one of last year.

**All Branches Are Filling.**

The outlook in every branch of athletics is very bright. A number of new members have been turning out for the various sports and it is expected that this club will make a record for themselves in the various competitions in which they participate during the year.

The club's directors for the year, who were elected at the annual meeting, are: Ralph W. Wilbur, president; F. W. Hill, vice president; Percy W. Lewis, secretary; E. F. Plowden, Stott, treasurer; A. M. Silworth, W. W. Banks, Charles S. Barton, John R. Latourette, R. C. Hart, C. Henri Labbe and O. E. Coldwell.
