### UPON FRONT STREET General Market Is Holding Well at 1832c for Case Count With

Candled Bringing the Usual Premium Above This Figure.

Somewhat steadier tone is showing for eggs in the local market with case dozen. Candled are quoted from 1/2 c to

Receipts of eggs along the street are less favorable, and for that reason a similar trend is shown for steelalone the trend of the trade is slightly improved. There has been so much bearishness expressed by those who want to store at extreme low prices

DRESSED HOGS ARE FIRMER With receipts less favorable, is a somewhat firmer tone in the Front street trade for country killed hogs. Sales of extreme tops are being made generally at 9@9%c a pound. This is for blockers.

TOMATO MARKET VERY SLOW

Owing to the extreme poor quality of the last carload of tomatoes from Florida, the market here is demoral-ized. Another carload was due to ar-rive from the south this morning. It was reported from Huntington in good

CHICKEN MARKET IS QUIET

along the street. Sales are generally reported at 13 ½c for hens and mixed lots, with extra fancy stuff bringing the usual premium. A fair demand is shown for heavy ducks. Turkeys re-

NEW POTATOES SELL SLOW New Florida potatoes are showing less favorable demand than expected although quality is quite fair. The

although quality is quite fair. The stock is generally quoted today at \$3.50 for No. 2, and \$4 per hamper of 40 pounds for No. 1 quality. BRIEF NOTES OF THE TRADE

with prices easier.

# SHOWN FOR WHEAT: MARKET HERE SLOW

World's Conditions Badly Mixed; Dardanelles Still Play Important Part in Game, Although Reports Are Now Much Discounted.

NORTHWEST GRAIN RECEIPTS.

Year ago .... 72 Season to date 14998 Season to date. 6514 987 1764 1005 4600 While denials are made it is stated Year ago .... 5096 1125 1450 1047 3913 that city creameries are likewise cut-

been beaten down to a lower level than other cities along the coast.

Buying by outsiders at Willamette valley points recently has taken a large per cent of the arrivals from this section. This, together with this section. This, together with the increased demand which naturally follows the quoting of lower values, has created a generally better feeling all along the line.

Wille some fears are expressed by the trade argarding the future of the Chinese eggs, it is believed generally that the danger from Mongolian stock has been much overestimated.

WEAL MARKET RATHER SLOW

Market for country killed calves is showing general depression along Front street. Sales are reported only in a limited way as high as 12c a bound, with some cutting down to 11c. Erratic tone is still showing in the general world's grain market and especially for wheat. The Dardanelles in a butter from the local market is Flour market continues stagnant, with cutting of patent quotations con-

inued. No open cuts have as yet been made. CLOVER SEED — Buying price: Nominal No. 1 uncleaned, 11½ @12c; ordinary, 11c pound; alsike, 11c. ## Lower After Very Erratic Trading

Chicago, March 5.—Wheat closed with a net loss of 1%c for May and unchanged for July, after one of the most erratic sessions of recent days.

Market opened with a loss of 2%c to
3%c for May and 1%c for July. It
was strong and weak by turns all
through the session. through the session.

There was a report that British interests had purchased the Argentina crop of 1916, but this was subsequently denied. The report at first caused general covering here.

Broomhall cabled that Liverpool wheat opened under pressure of weak American cables and improved political news. There is a general lack of cal news. There is a general lack of confidence in prices and both winters and La Platas are one shilling lower. Spot market weak and 2 to 4 pence decline. There is a belief here that future offers will be more in line with

buyers' views. Argentina offers are large and pressed for sale with In-dian offers liberal. Range of Chicago prices furnished by Overbeck & Cooke Co., 216-217 Board of Trade building:

presidency.

Statistics compiled by the commisdoner of accounts of New York city show that next to the president of the United States, the sheriff of New York county has the largest income of any public official in the country. His regular salary is \$12,000 plus half the fees turned in at the sheriff's office An average based on fees received since 1905 shows that with salary the sheriff receives \$54,000 a year.
