

MACKMEN WIN INITIAL CLASH FROM ST. MARY'S COLLEGE .: VANCOUVER HOCKEY TO PLAY ALL-STAR TEAM HERE

RECRUIT INFELDER BUMPS PILL IN NINTH SCORING WINNING RUN

Beavers Scratch Out 7 to 6 Victory in Ninth Against Speedy Collegians.

THREE "VETS" DRAFTED

Manager Mac Compelled to Drag Up Heavy Artillery to Stop St. Mary's Well-Trained Tads at Fresno.

By R. A. Cronin.

Fresno, Cal., March 6.—Bobby Coltrin and Gus Fisher absorbed all the limelight in the first training camp game of the Portland season this afternoon, which consisted of a ninth-inning 7-to-6 victory over the always dangerous St. Mary's college team.

McCredie was so anxious to win the game that he stuck in three of his veteran slabsters, and they had all they could do downing the well-trained college lads.

As aforementioned, Bobby Coltrin and Gus Fisher absorbed the limelight. The recruit infielder slammed the pellet for three hits, including a double, and it was his long sacrifice fly in the ninth inning to Maroni that allowed Naughton to score the winning run.

Fisher's part consisted in knocking the first homer of the season in the second inning, with Hall ahead of him on the bases—and all this, too, off a crack left-handed pitcher, Wallan.

Newcomers Looked Good. The newcomers looked pretty good. Stumpf, essaying the cleanup role, brought Coltrin home for the first run of the Beavers with a crashing double that knocked the whitewash off the left-field fence.

Naughton's error was due to the caddy condition of the outfield. He chased a couple of nice flies, and it was his base-running in the ninth inning that brought the game to a close.

Evans started the game and worked in nice fashion. The two runs made off the Rube were the result of Murphy's error in the first inning and the bunching of three short singles in the second. Rieger took up the pitching in the fourth and the Marys took the lead on him.

Hall's error gave the classmen one of their two scores. Higginbotham simply revealed in striking out the fourth of them by hitting the dust.

St. Mary's is stronger than it was when it played Portland at Visalia two years ago, and the work of the Beavers this afternoon indicates that

VANCOUVER WILL BE SCENE OF WORLD'S HOCKEY CONTESTS

Winners of Eastern Championship Series Will Come West for Annual Tilt.

Vancover will be the scene of the world's hockey series to be staged about the middle of the month when the winners of the eastern championship series will come west for the annual tilt with Vancover, the new champions of the Pacific Coast Hockey association.

The winning of the Pacific coast championship cost Frank Patrick a small sized fortune, but notwithstanding the war the attendance was better than expected and the club this season will probably do better than break even.

Only one world's series has been played so far, the Victoria team being badly beaten in the east last season, Toronto winning in three straight games.

Immediately upon the conclusion of the world's series, President Frank Patrick, of the P. C. H. A., will set to work to line up a series for the 1915-16 season.

Manager Muldoon of Rosebuds and Patrick of Victorians to Pick Teams in Near Future.

The Vancouver Millionaires, champions of the Pacific Coast Hockey league, will be seen in action against an all-star aggregation of puck chasers selected from the Portland and Victoria club in the Ice Hippodrome on March 15 and 17.

Arrangements for the two game series with the title holders were completed yesterday by Manager Pete Muldoon of the Rosebuds. The games were scheduled to keep the Vancouverites in form for the coming world's championship series with the title winners in the National Hockey association.

The matches between the Millionaires and the all-stars will undoubtedly attract a record breaking crowd. Frank Patrick's septet drew over 6000 people during one of the league games and it is expected that over 6000 people will attend the post season series.

Manager Pete Muldoon of the Rosebuds and Lester Patrick of the Victorians will select their team in the near future, probably in Vancouver next Tuesday night, when the Vancouverites will clash with a team of Portland and Victoria players.

Two of the players Muldoon is seeking are Leach of the Prince Albert team and Del Irvine of the Winnipeg Monarchs. Leach is a center player and Irvine also plays center.

Tommy Smith, who was to have played in the Pacific Coast Hockey league this season, is the leading scorer of the National Hockey association. He has scored 36 goals.

The nine leading scorers are: Goals. Smith, Quebec 36. Pitre, Canada 25. Roberts, Wanderers 25. Hyland, Wanderers 23. Broadbent, Ottawa 23. Cleghorn, Wanderers 20. Crawford, Quebec 19. Roman, Shamrocks 17. Wilson, Toronto 17.
