survivors of the

Sixty-six years ago Colonel John R. Colton started from Galesburg, Ill., for California. Today there are but three

started across the plains on April

1849, Colonel Colton other survivors trip of the "Jayhawkers" ranged to meet at San Francisco at the Panama-Pacific exposition. Joe, Mo. In place of taking the usual southern route via the South Platte river, they took the northern route and crossed the river at Council Bluffs to what is now the foot of Farnam street in Omaha, Asa Haines was captain Newberg Enterprise: It is evident of the train. At Council Bluffs the that Oregon is cutting the widest kind party hired a Mormon guide to pilot of a wide swath at the San Francisco them across the plains. In talking of them across the plains. the incidents of the trip across the plains to California, Colonel Colton recently said to an eastern interviewer! "After crossing the Eikhorn we me

had established the Mormons in Salt Lake, two years previously.

"We spent several days with Bridger resting up. This was in July, 1849, On December 4, 1964, I beld the skull of Bridger in my hands.

"But I had seen Bridger in the meantime in the flesh and blood and heard him heap a tirade upon Brigham Young that I shall never forget. It was shortly after we had left him in his mountain rendezvous and our arrival in Salt Lake that he visited that place. He made our camp his that place. He made our camp headquarters. Just before he gready to return to his home ue decided to call on Brigham Young aboseme grievance.

"Through boyish curiosity I wen tlong. We rode straight to the tithing nouse and the Mormon leader came to the door. Bridger was loud and abuse, but Brigham Foung was diplomatic. the door. Bridger was loud and gbus-ive, but Brigham Young was diplo-matic. He showed his temper in his expression, but not in his speech. "Bridger had been threatened by the Mormans. But he had complete con-trol of the Utes, Shoshones, Fiatheads, Blackfeet and Sioux, into whose tribes he had married. While Brigham Young stood pale and slient Jim Bridger

If ever I catch sight of one of your come and reduce your place to ashes?
"Bridger died in 1881, Major General Grenville M. Dodge of Council Bluffs, Iowa, decided in 1904 to creet a statue to his memory. He had aided the United States army, helped to surthe country had save large sum of money, had gaved the comp

Joseph Walker and other scouts of the time, it was considered not early enough to start on the northern I and it was too early to attempt southern route. The Donner party perished in the past winter over

was marked 'unexplored" on Fren map. "After much discussion the original

the west. Captain Runt stayed with the main body. But a few later we were overlaken by the v train under Captain Hunt, who protesting vigorously, but we wouldn't turn and grass kept getting scarcer, be we plodded on until the tenth day.
"Here we came to what was term the 'jumping off place." We were the brink of an abrupt break in the mountain and below us, fully 10 streached out monotonously as far as the eye could see. The Jayhawkers were not of the turning back kind. We pitched camp and called it. Povuse of gelatinized starch is as old as erty Point."
"There was neither grass nor water.
Members of the party descended the
mountain and some of them returned without water and were compelled make out on small bunches of grass and growing amora the crevices of

# the rocks, "After two days of stubborn discussion all except our party, the Jay-hawkers," and a few followers turned back for the old Spanish trail."

The Ragtime Muse He's Better Now. The family moves about with stealth-There's something wrong with Fred-die's health. A malady unkind and grim' Has made a howling pest of him His temples throb, his tonsils swell,

But not too much for him to yell. There's nothing that he wants to They've sought to tempt him with a treat. They can't decide

And there's a tear in sister's eye. Will father never come? He's slow! They called him half an hour ago, They pace the floor and sob in fear, And mother stops to whisper, "Des Do take these drops the doctor lef

In piercing tones, he shouts: "Go But father comes and bids them stay.

As silence falls he says, "Sit up And drink that mixture in the cup. That's right. Lie down." He turns, and then. "Don't let me hear shat how! again."
