R. R. No. 1, Saucalito, Tamalpais Valley, Calif.—"My little girl got a sore eruption on her neck and also on her eyelid which .000 she got from our cat. In a short time the eye closed and was swollen and the eruption on her neck spread upwards and covered her entire head. I was told it was eczema The eruption started with little pimples and 250 spread rapidly. They itched and burned and she was constantly scratching. Of course I had to keep her out of school.

"I got medicine and also tried a treatment and after four weeks' trying all kinds of remedies I read in the newspaper about Cuticura Soap and Ointment. After I used Cuticura Soap and Ointment I had no instantly. trouble in combing her hair and in two weeks she was accepted in school again. Cuticura Soap and Ointment healed her in a short time." Acute Articular Rheumatism Relieved By Anti-Kamnia Tablets

The exact cause of rheumatism is unknown, though it is generally believed to be due to an excess of uric acid in the blood. It may be also said with equal truth that no remedy has been found which is a specific in all cases. In fact the literature of rheumatism shows that there are but few drugs which have not been given a trial. In the hands of one observer we find that a certain drug has been used with the utmost satisfaction; others have found the same remedy to be a great disappointment. All physicians however agree that every method of treatment is sided by the administration of some remedy to relieve the pain and quiet the nervous system and Dr. W. S. Schultze expresses the opinion of and quiet the nervous system and Dr. W.
