

# BEAVERS PUT IT OVER ON COLORED GIANTS IN GAME YESTERDAY

## Harry Krause Twirled the Entire Game Against Colored Men in Ten Innings.

### CONTROL WAS EXCELLENT

Bert Murphy was batting star of day, securing three hits and an infield tap.

Fresno, Cal., March 25.—The American Colored Giants were downed in a 10-inning practice game yesterday afternoon by the Portland Beavers, 7 to 6. A walk, an error, and an infield hit gave the Mackmen the winning tally.

Harry Krause twirled the entire game against the Giants. This is the first time that any of the Beaver twirlers have pitched a full game this season. His control throughout was good and at times he had the Giants eating out of his hands.

Bert Murphy, who has replaced Bobby Coltrin at first base, was hitting star of yesterday's contest. He secured three hits, including the infield tap which gave the Beavers the game. Davis, Fisher, Stumpf and Krause each grabbed two hits. Murphy's brilliant hitting was offset by two errors, which aided Foster's men in scoring. He was the only Portland player to be charged with a boot.

Portland tallied its first run in the second. Fisher doubled and counted on Stumpf's two-ply swing. In the third inning, Krause, Davis and Spears scored. Krause opened the inning with a double, Davis and Spears following with singles scoring Krause. Fisher's second double allowed Davis and Spears to split the plate.

The Mackmen scored in the seventh and eighth. In the eighth, Krause and Stumpf scored on a double play. In the tenth and scored the winning run on Stumpf's error and Murphy's hit. The Giants scored three runs in the first, two in the fifth and tied the score in the ninth.

Today McCredie will send Higginbotham or Evans against the Giants.

# A WARNING TO MANY

## Some Interesting Facts About Kidney Troubles.

Few people realize that what extent their health depends upon the condition of the kidneys.

The physician in nearly all cases of serious illness, makes a chemical analysis of the patient's urine. He knows that unless the kidneys are doing their work properly, the other organs cannot readily be brought back to health and strength.

When the kidneys are neglected or abused in any way, serious results are sure to follow. According to health statistics, Bright's disease which is really an advanced form of kidney trouble, caused nearly 10,000 deaths in 1913, in the state of New York alone. Therefore, it behooves us to pay more attention to the health of these most important organs.

An ideal herbal compound that has had remarkable success in kidney remedy is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The mild and healing influence of this preparation, in most cases, is soon realized, according to sworn statements and verified testimony of those who have used the remedy.

If you feel that your kidneys require attention and wish a sample bottle, write to Dr. Kilmer & Co., Binghamton, N. Y. Mention this paper, enclose 10 cents and they will gladly forward it to you by parcel post.

Swamp-Root is sold by every druggist in bottles of two sizes—50c and \$1.00. (Adv.)

# CUBAN PRESIDENT TO USE ARTILLERY IF THE BIG FIGHTERS FAKE

## Large Crowds Flock to Training Camps Daily; Odds Favor Johnson 5 to 2.

Havana, March 25.—President Menocal has taken a hand in the 45 round bout to be staged here on the morning of April 4, between Jack Johnson, negro heavyweight champion of the world, and Jesse Willard, giant Kansas cowboy. In order to protect the public who will pounce upon good men to see the contest, the first executive of the Cuban republic today sent the following ultimatum to the promoters of the bout: "No faking will be tolerated in the Johnson-Willard bout. At the first sign of any crooked work the police will stop the contest."

Anticipating possible rioting if the police, unaided, attempted to throw the scrappers out of the ring, President Menocal has instructed military officials to be prepared to meet any emergencies by stationing rapid fire guns and a battalion of infantry within the arena.

Large crowds are flocking daily to the training camps to see the scrappers go through their stunts. Five hundred spectators yesterday journeyed to Miramar, a suburb, to see Willard work out. He staged 12 rounds of boxing, taking on Jim Pentz for three rounds, Walter Mountain for four and Jim Savage, five. Willard later wrestled with Tex O'Rourke.

Johnson boxed nine rounds with Bob Armstrong, Colin Bell and Dave Mills without intermission.

The fighters have started speeding up their work. Hard runs on the road and vigorous stunts in the gymnasium were on the program at each camp this morning. After a short rest, both Johnson and Willard will hit the trail again and end the day's work with 12 rounds of boxing.

Seats for the contest were put on sale today. Mail orders for choice seats, accompanied by checks and money orders amounting to \$42,000, have been received from nearly every section of the United States. At the same time, the promoters predict that the receipts of the contest will exceed \$100,000.

# COAST CHAMPIONS TAKE SECOND MATCH IN HOCKEY CONTEST

## Vancouver Defeats Ottawa's Team at Its Own Game With a Score of 8 to 3.

(United Press Leased Wire.) Vancouver, B. C., March 25.—Defeating Ottawa's team at the own game, the Vancouver Coast champions took the second match for the world's hockey championship, which is being staged in the arena here tonight. The score of 8 to 3 and practically tied up the championship. The teams battle again tomorrow night under the coast rules, and if the showing of the two teams during the past two games can be taken as a criterion, the championship is as good as won.

Ottawa shot their bolt in the first period of the match last night. The easterners set up a terrific pace during this time and with the advantage of better knowledge of the rules and more perfect combination had the score 2 to 0 in their favor at the end of that time.

The second and third periods were a mere riot for the Vancouverites who, when they once got going, skated the visitors off their feet and kept plugging away at Benedict until he scurried home as he was in a real scrap with the front. Benedict turned aside many beautiful shots during the first period, but when the local champions continued to rain in the shots in the succeeding periods, his defense finally crumbled and the locals began to find the net with regularity. On the play Vancouver should have had several more goals.

# HE SETS THE PACE FOR THE GOOD DRESSERS ON HIS STREET

You never see that fellow swing onto a car in the morning but what he looks right dressed. He's the kind you never have a chance to criticize.

That's so unusual among men of wealth—but for a fellow working on a salary as ordinary as this man's, it is extraordinary. If you're in his class, you know it. He buys his clothes at Cherry's. You may have guessed that before, for Cherry's, as most people know very well, sell clothes of highest quality and faultless style on credit terms.

# Idaho University Team Looks Good

There Are Many Good Men for Every Position and Coach "Pink" Griffith Is Pleased.

University of Idaho, Moscow, Idaho, March 25.—From the present indications Idaho will have a good baseball team this year. Coach "Pink" Griffith is rather optimistic over the fact that there are so many good men for every position. The team, too, has suffered but slightly from the loss of last year's players, all but three having returned this year. Of these three who did not report, two were lost by graduation, and a third, Jardine, although he has not left school, is out of the game for the present.

The pitching staff, which has always been one of Idaho's weak spots, while there is nothing remarkable about it, still is stronger this year than it has been formerly. Fry, Wade, Williams and Mitchell are doing the twirling. Behind the plate Griffith is working Brown, Evans and Thomas. Almqvist, Humphries and Kipp are taking turns at first, with Purdy, Gray and Keane on second.

The squad is turning out daily on the new athletic field. The first game will be played with the Colored Giants in Moscow on April 19.

# Federal League Rumbling Heard

President Gilmore's Plan of Transferring Indianapolis League to Newark Meets Opposition.

New York, March 25.—Signs of dissatisfaction with President James A. Gilmore's plan to transfer the Indianapolis Federal league team to Newark were seen today. Some of the stockholders in the Newark club were outspoken in their preference for the Kansas City Federal team, which was originally slated to represent Newark.

Although the Indianapolis team has twice won the Federal league pennant, it is said that the club is badly demoralized through holdouts and sales of its best players.
