

NECK AND NECK RACE PREDICTED FOR FIRST HONORS AT COLUMBIA

Keen Followers of Columbia's Annual Indoor Meet Pick Oregon by Few Points.

THREE RECORDS MAY FALL

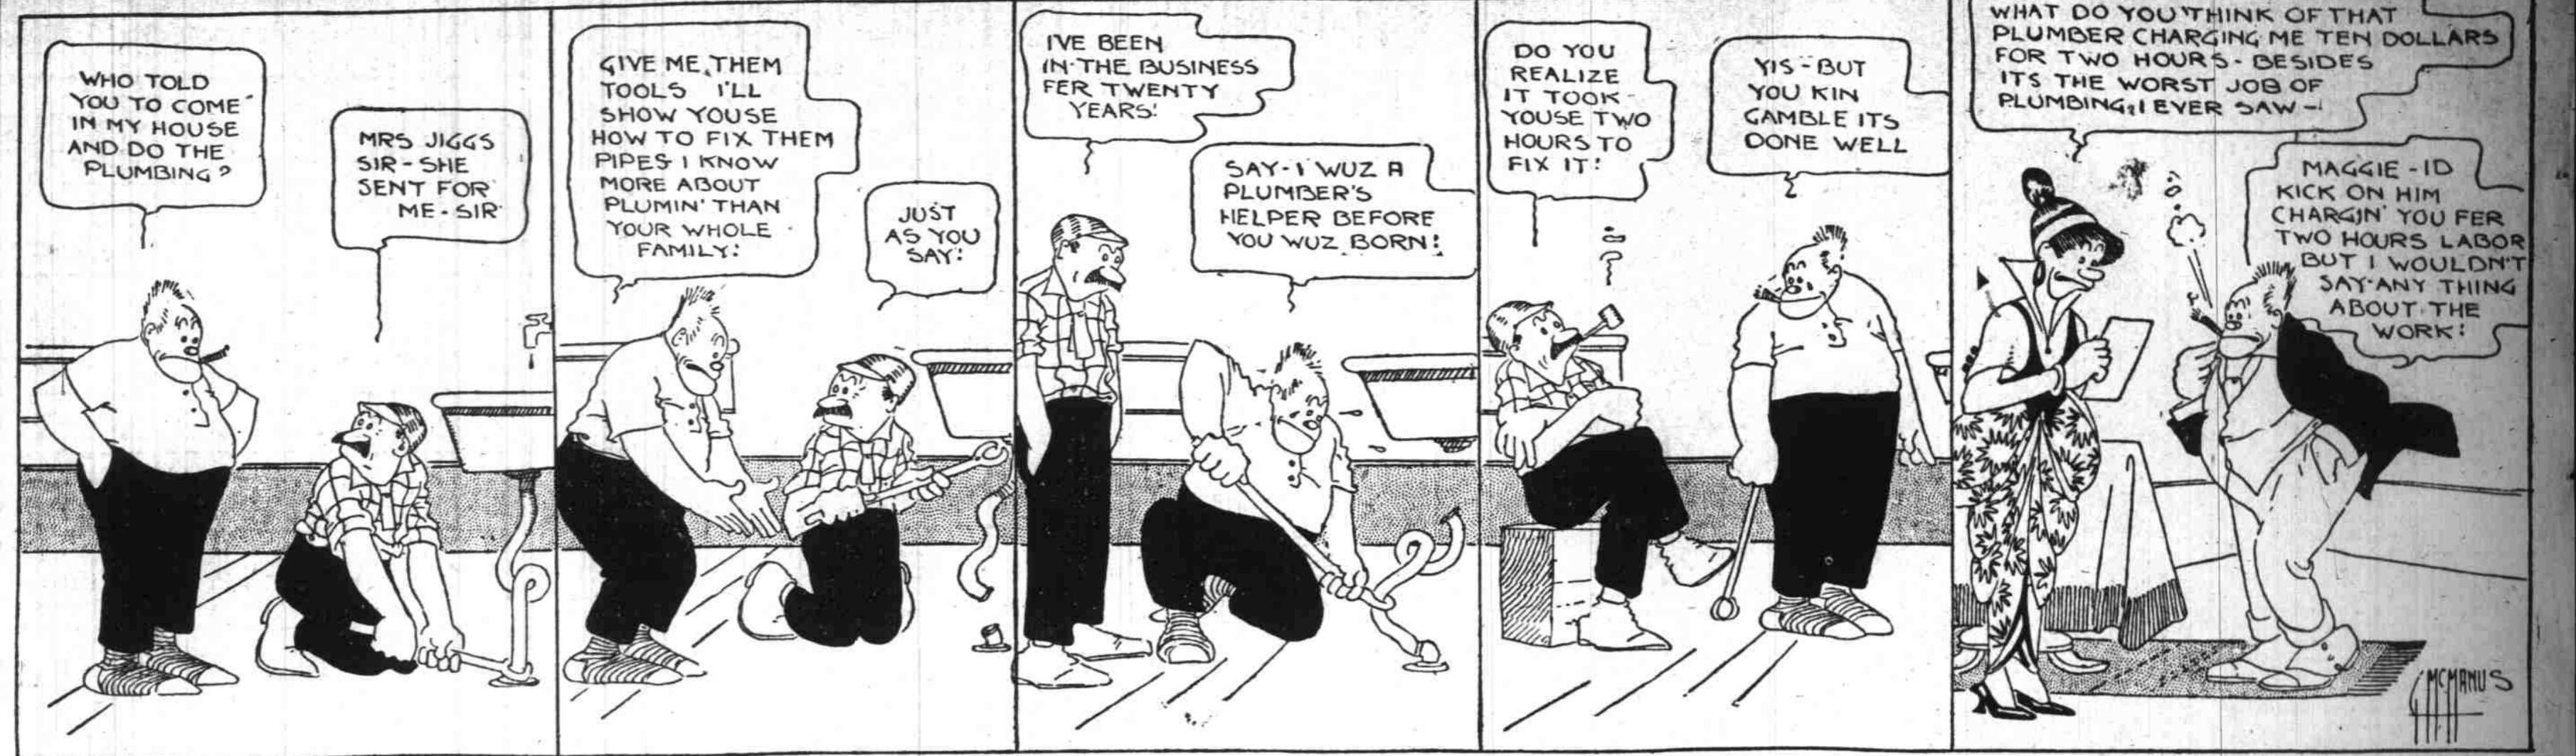

High Jump, Half Mile and Mile Runs Appear Almost Certain to Be Fractured Tomorrow.

Facts about the twelfth annual Columbia university indoor track and field meet: Time—2 o'clock sharp. Place—Columbia Coliseum. How to get there—Take St. Johns car on Washington street at Broadway or Fifth street and get off at Columbia University station. There will also be special jitney service. Winners in events are Pacific coast indoor dirt track marks.

There will be a neck and neck race for first place honors in the twelfth annual indoor track and field meet of the Columbia university to be staged tomorrow afternoon at 2 o'clock in the Columbia Coliseum between the athletes representing the University of Oregon, Oregon Agricultural college and the Multnomah Amateur Athletic club. The Eugene team should win by a margin of a few points as Bill Hayward has gathered an all-star aggregation of runners and jumpers who will be heard from later on in the season. A number of athletes representing the various institutions entered in this year's meet worked out yesterday afternoon and others, who will arrive here today, will work out this afternoon. The track will be closed tomorrow morning so that the workmen will have an opportunity to put it in the best of shape for the events. It is expected that this season's crowd will be the largest that has ever attended an indoor meet in this city. The annual Columbia meet is the biggest of its kind west of the Mississippi river.

It is hard to dope out the winners in the various events as the reports of the work of the athletes in practice have been conflicting. In the shot put, Oregon should win first place and the Aggies should take second place. Philbrook may annex a point for the "Winged M," although he is not in the best of shape, due to the lack of good weather. There should be a great race in the 440 yard run between Staub and Loucks of the University of Oregon and Reynolds of the Oregon Aggies. Competition in the 50 yard dash will be very close. Multnomah should have little trouble in winning the pole vault event with Holdman, Bell and Massee. These vaulters have been showing good form in practice. The finishes of the mile and half mile runs should be very close. The best runners of the U. of O. and O. A. C. will be pitted against each other, but it would not be surprising to see Hobgood of the Aggies capture first place. Langley of Oregon also has a chance to finish near the front, now that Payne is said to be out of condition. Multhead will win the high jump without a doubt unless something unforeseen happens. "Moose" has been showing wonderful form in training. The broad jump will furnish a lot of keen competition. Oregon is favored in the relay race. Multnomah is a little shy on sprinters this season, while the Aggies do not appear as strong as they were last year. Referee Dunne, who has handled practically all of the Columbia events, is very enthusiastic over this season's

1500 MEMBERS AT MULTNOMAH GYM FOR FIRST SMOKER

Entertainment Was a Great Success and Various Performers Highly Praised.

The initial smoker of the Multnomah Amateur Athletic club held last night was a very fine entertainment for everybody had a splendid time. There were plenty of jokes, plenty of music, plenty of eats, plenty of smokes and a great throng of people. It is estimated that over 1500 members and friends were the guests of the club. Chairman A. H. Allen of the entertainment committee and his assistants, Harry Fischer and Edward R. Morris, deserve credit for the splendid program. Frank McGettigan assisted the "Winged M" committee in arranging the entertainment.

One of the regrettable parts of the evening was the inability of President Ralph W. Wilbur to be present on account of a cold. His father-in-law, W. W. Banks of handball fame, acted as spokesman of the evening.

The opening number of the program was the Butterfly dance by Miss Glenn DeLaido, a pretty Los Angeles girl, who made a tremendous hit with her graceful and artistic interpretation. Later on the evening, Miss DeLaido appeared in ragtime dancing and singing. Miss Jennie Clow, the "Winged M" favorite, sang a number of songs and was encored.

John Falcooper, known as "Harry Lauder No. 2," made a big hit and Mrs. E. M. Moran and her pickaninny furnished enough laughs to do a number of the club members for several days. Mr. Kell sprang a number of new jokes and rendered a couple of songs. Miss Leah Cohen, a member of the Ladies' Annex, and who is with the Lambari Opera company, sang two opera selections and closed the program by singing of the day's popular song, "When You Wore a Tulip and I Wore a Red Rose."

LONG STROKE OF WASHINGTON IS CATCHING EYES

Seattle Men Picked to Win and California to Row Third.

(Pacific News Service.) Berkeley, Cal., April 9.—With California rated as third best and Washington being played for the first position, local interest is keyed up to a high pitch here today in the three-cornered regatta between the Universities of Washington, California and Stanford on the Oakland estuary tomorrow.

The Washington oarsmen, with their celebrated long stroke, have been the object of all eyes since their arrival here. They show an ease in the practice spins which is not displayed by either California or Stanford. The Cardinal rowers, however, are expected to make it neck and neck with the visitors, while California may be able to put over a big surprise. A special train will leave Fourteenth and Broadway at 9:35 o'clock to follow the varsity boats, which leave the Webster street bridge at 10:15. The estuary boats of the Southern Pacific will suspend their service during the races and the estuary will be otherwise cleared.
