POOR SUPPORT PUTS COVELESKIE IN BAD WAY IN THE PINCHES

Herb Murphy Afflicted Momentarily With Fumbleitis and Tigers Take Advantage

OLD HIRAM LAMBASTED

Ex-Beaver Relieved by Pinchhitter and Decanniere Has Beavers Puzzled for Best of the Contest.

Stanley Coveleskie stepped right up like a little man yesterday and received his beating at the hands of Hap's Tigers. It wasn't a very bad beating at that, 3 to 2, and if the Pole had received any kind of support he might have tucked away a victory, inasmuch as he had a lead of a brace of tallies in the fourth frame.

About all the satisfaction the Beavers got out of the game was to see H. West retire in the fifth, after they lambasted him in the fourth, but even at that the ex-Beaver was relieved by a pinchhitter, who delivered the goods, one Swede Risberg. Decanniere finished up the game, and he had the Beavers completely mystified.

Until the fourth West had not allowed the Beavers to hit the ball out of the infield. Then Doane, without warning, cracked one over the right field fence to start the fourth. Following was Speas with a double that nearly knocked down the left center field wall. Derrick was thrown out by Hettling, but Stumpf cracked one to center that scored Speas. Without overhauling Fisher's long fly, and Lober singled across second. Davis lined out to Wilhoit and the chance was gone. Only 13 men faced Dec in the last five innings.

Short on Control.

Coveleskie was in trouble throughout. When he wasn't pitching his spitter into the dirt, Murphy was helping the Tigers at short. It was a bad day for the little Jerseyman, and he finally retired in favor of Coltrin, who fielded brilliantly the rest of the game, but who did nothing with the willow in his one time up.

Mitte started the run getting for the Beavers by hitting on right to start the fifth. Here Hogan pulled a wise trick by sending Risberg to bat for West, and he hit one across second. Carlisle bunted and Wilhoit walked, filling the bags. Berger hit one to Murphy, that he knocked down over second. If it had been handled cleanly a double would have been the order. Mitze scored on the play and Risberg went to third. Then a funny one happened. Bayless hit down to Stumpf, who started to touch Berger on the line, but the latter retreated. It was then too late to get Bayless at first, but a double was completed to Fisher, who tagged Wilhoit, who was trying to score.

Berger's single to center, his stolen base, an advance when Fisher had to throw a dropped third strike on Bayless to Derrick, and Gioismania's double to the right field fence, gave the winning run.

BRINGING UP FATHER

BEZDEK'S TEAM TOO FINISHED FOR PACIFIC 'U'

Baseball Season at Forest Grove Ushered in With Ceremonies.

Pacific University, Forest Grove, Or., April 15.—(S. J.)—Yesterday Hugo Bezdek's Oregon baseball squad, away from home on an extended tour, stopped over at Forest Grove and crossed bats with Coach Yekel's aggregation of ball tossers on the Varsity field.

Score: Oregon 7, Pacific 3. Mayor George G. Patterson of Forest Grove pitched the first ball across to Rev. O. H. Holmes of the University Congregational church and opened the season at Pacific university.

From the very first the assurance of a good game was apparent. Oregon got the jump on the local boys in the score, and maintained the lead throughout the game. Pacific's team showed the roughness, due to lack of training and practice, while Oregon displayed more finish in both stickwork and base-running, as well as in fielding, due to the number of games already played.

Oregon's main rally came in the ninth when a series of hits, coupled with errors on the part of Pacific, netted three runs. Pacific had started early in the eighth, but failed to tie the score but a close out at the plate spoiled the chance, and their last inning was tame. The work of both teams was brilliant at times, and at no time did it fall far below the interesting stage.

Lyle Higbee's stickwork was the feature of the game. He secured a homer and a two-bagger. Nelson of Oregon and Lucas of the locals also hit for two bases. Although Webb, pitching for Pacific, has had little practice this year, he pitched steady ball throughout.

SCORES BY INNINGS R. H. E. Oregon 7 9 2 Pacific 3 6 2 Batteries—Oregon, Beckett and Risley; Pacific, Webb and A. Ireland.

San Francisco, April 15.—The Oaks defeated the Salt Lake Bees in the second game of the series yesterday by the score of 7 to 2. ELEVEN STATES WILL SETTLE RING TITLES AT FRISCO TONIGHT

Washington Has Chance May 20 to Demonstrate They Are Better.

San Francisco, Cal., April 15.—(P. N. S.)—With entries from Idaho, Montana, Utah, Wyoming, California, Arizona, Washington, Nevada, New Mexico, Alaska, Oregon, all ready on the scene, at least 25 boxing bouts will be staged here tonight in contests for far famed ring titles.

The 125 pound class and the 135 pound class have attracted the biggest list of entries. In the former, 32 boxers are striving for honors, while there are 19 in the lightweight class. W. Knowlton of the Mountmoham club of Portland comes highly recommended, and he has been showing up well in his training work at the Olympic club. G. Walter of the Intermountain association is another lightweight who looks promising.

There are three entries in the heavy-weight class. J. McMahon of the Rocky Mountain association is a big, strong fellow, who handles himself well, and he has made quite a hit by his clever work with the gloves.

REED SENIORS WINNERS

By a score of 12 to 8, the seniors won from the faculty of Reed college yesterday afternoon. The seniors took the lead in the second inning with five runs, and added four more in the fourth. The faculty made a desperate try in the fifth and seventh innings, getting three and two runs in these. The score was frequent on both sides, and the errors were even more frequent.

CONIBEAR SAYS HIS CREW WAS FAIRLY BEATEN

Washington Has Chance May 20 to Demonstrate They Are Better.

"We were fairly defeated by Stanford in the race last Saturday, and I have no excuse to offer for the Washington men," said Coach Conibear of Washington upon his return to Seattle. "The winners rowed a perfect race from the start, and are entitled to all the credit that can be given them."

The men attribute their defeat to over-confidence and the increased efforts on the part of the Stanford men to get the championship away from Washington. The northerners went so far as to bet on the outcome of the race, while the winners remained silent as to their power until the race, then they put all they had in them into the race and turned the trick.

Washington will get another chance May 20 to demonstrate that they are still the best crew when Stanford comes to Seattle for the annual race on Lake Washington. This will be the first time in four years that Stanford has come to Seattle for this race. California will not come north this year on account of the poor showing made in the intermountain association.

MILTON REED WILL BE TAKEN INTO COURT BY PHILADELPHIA CLUB

Milton Reed, who came to Portland from Philadelphia along with Herbert Murphy in part payment for Dave Bancroft, and who jumped the Beavers for the Brooklyn "Feds", will be taken into the courts by the Phillies, according to information received by Manager Walter McCredie. "Reed, so the Philadelphia club claims," said Manager Mac, "accepted \$300 advance money when he was signed by the Portland club, and did not pay the money back. The Philadelphia club says that it will make a court fight on this and that Reed will play with Portland or he will not play at all. Philadelphia owes me a couple of men and it begins to look as if I needed them now. I can get relief from Cleveland, but I want Philadelphia to live up to its contract with me."

MILTON REED WILL BE TAKEN INTO COURT BY PHILADELPHIA CLUB

McCredie surprised the fans yesterday by bringing forth a new catcher, Butch Elyer. He started catching at the Seattle high school, then went to the University of Washington, thence to St. Mary's college and then to Santa Clara, where, under Harry Wolter, he became a corking good catcher. All this has happened in the last two years. Several Coast teams, it is understood, have been after Elyer.

ARELLANES RAPS BLANK

San Jose, Cal., April 15.—Strong denunciation of the treatment he received at the hands of Cliff Blankenship, manager of the Salt Lake club of the Pacific Coast league, was voiced here today by Pitcher Frank Arellanes, who was recently released by the Mormon manager.

"Blankenship," said Arellanes, "refused to trade me to another coast club two weeks ago and then suspended me because of a quarrel we had at Salt Lake. Then he released me. I was not given a square deal."

It is understood that Arellanes has received an offer from the Venice club.
