RUSSIANS OPENING **NEW OPERATIONS IN** CARPATHIAN REGION

Task of Invading Hungary Will Start When Weather Conditions Will Permit.

MINOR SUCCESS CLAIMED

Austro-German Report of Recent Defeat of Russians Is Emphatically Denied,

Petrograd, April 19.-(I. N. S.)-With the first phase of the Russian campaign in the Carpathians ended by weather conditions, the czar's troops today were busily engaged in strengthening positions already won and with opening new operations to clear Austro-Germans from Buckowina and Eastern Galicia. As soon as this task is completed and normal weather conditions obtain, the task of invading a number of surrounding towns and Hungary will be resumed.

Minor Russian successes about Rostoki, 40 miles south of Cernowitz, were wood, three times grand chancellor of reported today. The Russians once Minnesota, and said to be one of the again have crossed the Dneister river great fraternal orators of the decade. and today were engaged in a drive on Jablonica pass, through which leads the railroad to Maramaros Sziget. OSEPHINE GETS MONEY

Matter of Diversion of Funds Ordered Investigated by the State

Salem, Or., April 19.-Efforts of commissioners Madden and Lever of Jackson county to have the state high- Saturday. Mr. Shevlin and his assoway commission agree to the expendiciates had just returned from an inture of \$40,000 of the state's funds on spection of their properties near Bend, the northern section of the Pacific but had no plans to announce as to highway, rather than on the Siskiyou development of their interests. section, failed today.

The money was appropriated by the last legislature for hard surfacing of the Sisklyou section and the commissioners contended that the grades and fills, which make up about half of the Siskiyou section, would not be in shape to hard surface this year, and that anyway Jackson county's money had been extravagantly spent by the formstate highway engineer and that the state should make good in some way.

equal to that spent by Jackson county on the Siskiyous. Jackson county spent \$200,000 on that section. Kay said he did not make the promise and that it must have been former Governor West who made it.

Madden brought up the matter of \$35,000 claimed by Contractor Sweeney in addition to the amount allowed by Engineer Bowlby. John H. Albert, member of the advisory committee. New York, April 19 .- The attempt of suggested during the discussion of April, 19. - (U. P.) - British and French a Turkish torpedo boat to sink a Brit- this matter, that when the board defirst official announcement that Brit- ple of accepting an engineer's report or estimate, it was getting on dangerous ground.

the enemy countries were declared to be "untrue in every particular."
In the region of Ypres and is other sections the British have been ejected from advanced trenches which they Vere able to occupy during the early fighting, it was stated. The losses of the British troops have been extremely limited. The commission of the British troops have been extremely limited.

The statements of vant for operations against Turkey. Representative Blanchard, of Josephine county, appeared before the but the only definite fact has been phine county, appeared before the but the origination of the board in regard to the expenditure of \$5000 on highway improvement, and the commission authorized that the money should be expended by the county bearinger. The commission of the British troops have been extremely ling the British army in Egypt A state highway engineer. The commission invited. the British troops have been extremely heavy, especially near Gulmusten.

Between the Meuse and Moselle only artillery duels are in progress, the statement declared. French attacks about Combres, in the Vosges, have failed.
