Ten Runs Made Off Eastley and Gregory in Third Inning, Breaking Streak,

SPEAS GETS 5 BINGLES

And Besides Kircher's Comedy Out Comes Old Cliff Blankenship to Bat in the Minth Frame.

Imagine our Beavers making 10 runs in one inning. Yep, they did. And they made a whole lot more before the affair was over. Friday, the 23d, and a southpaw working, was too much of a combination for Blank's boys. It was some amulet for the Beavers, who had dropped five straight games. It was some omen for Billy Speas, who gath-ered five hits in five times up. Ah, yes, it was a great day for the Mc-Credie arms, but a few hundred fans would rather have seen the 22 hits and 18 runs of the Beavers spread over the rest of the week. The Salts got but five hits in the melee and they went for three more or less soft runs. The briny bunch were unable to pickle anything and finally, in disgust, old Blank himself tottered up to the plate and tried to show his gang up. He was as bad as the rest of them.

Blankenship sent Patrick Eastley out and Pat didn't know what was in store for him. He forgot that it was jinx day, with the old jinx favoring the opposition. Pat got away nicely for two innings and then came the four d'artifice. Davis started with a single past

third. Krause beat out one to Gedeon and Tennant tried to get Davis at third on Coltrin's sacrifice, but failed. That left the bases full. Speas' single to left scored Davis. Derrick doubled to center and cleaned the cushions, taking third on the throw in. He scored on Stumpf's single. Blankenship crooked a finger to Eastley and Gregory trotted out. Doane greeted him with a double to left that put Stumpf on third. He didn't advance on Lober's out, but Fisher cracked one through Bobby took third on Krause's single, the second of the inning. He and Harry rick for the third out.

day crowd and finally the fair ones, enal." in order to relieve the monotony, shifted their attention to the third base finish he would have made a 68 for

Krause began to ease up a bit in the eighth, and the Salts gathered in their three runs. Gedeon singled to who replaced Rohrer in the fifth, walked. Gedeon scored on Gregory's out and on Shinn's single to left Hannah came across. Orr and Zacher of the day, Davis finally winning out, couldn't keep up the work. Score: SALT LAKE

When Bobby was in his prime he had the right handed and the left handed batters breaking their backs reachng for his curve ball. It was one of the best seen in the league and won many a game for the old Tacoma Tigers of the Overall and St. Vrain days Those were the days that the Tacoma fan recalls with sighs. Tacoma had a great team-so great, in fact, that the St. Louis Americans wanted to trade infields. And the pitching was on a par with the infielding.

Keefe purchased his own release from Rochester of the International league and that enabled him to report to Portland. He wired McCredie seeking a berth and Mac promptly wired an

Elmer has been unable to get his arm R. H. E. into shape this year, and McCredie Denver Athletic club, Seattle Athletic figured on letting him go without a string so that he could place himself

to the best advantage.
Rieger did a lot to boost the Beavers along in the spring last year, but Chicago at Kansas City, postponed lost his effectiveness toward the end of the season.

Mac also wielded the knife on his infielding department, Herbert Murphy, who came from Philadelphia it part exchange for Dave Bancroft, be ing sent over to the Spokane club of the Northwestern league. Murphy is young and lacked the experience necessary in the Coast league. He showed a decided reversal of form on the coast after having played in the equally fast International league all last season. It is said that the pruning will not

OMFORT and tobacco satisfactiona chew ot "Right-Cut," the Real Tobacco Chew.

Just tuck a small chew of "Right-Cut" away. Let it rest easy and enjoy the taste as it comes along nice and steady. It's cut fine and short shred, so you

get all the good of it without having to break in your chew.

Take a very small chew—less then one-quarter the old size. It will be more satisfying than a mouthful of ordinary tobacco. Just nibble on it until you find the strength chew that suits you. Tuck it away.
Then let it rest. See how easily and evenly the real tobacco taste comes, how it satisfies without grinding, how much less you have to spit, how few chews you take to be tobacco satisfied. That's why it is The Real Tebacco Chew. That's why it costs less in the end.

It is a ready chew, cut fine and short shred so that you won't have to grind on it with your teeth. Grinding on ordinary candied tobacco makes you spit too much. The taste of pure, rich tobacco does not need to be covered up with molasses and orice. Notice how the salt brings out the rich tobacco taste in "Right-Cut."
