New York, May 1 .- The cup yachts the Resolute and the Vanitie, built as candidates to defend the America's cup against Sir Thomas Lipton's Shamrock IV, will be put in com-mission and raced this summer, it has been announced. The Resolute was built by Herreshoff for a syndicate of members of the New York Yacht club, Robert W. Emmons is manager of the yacht and Charles Francis Adams was amateur skipper last summer. The Vanitie was built by Law-ley for Alexander Smith Cochran and was sailed last season by Captain William Dennis and Harry Haff, successively. The Resolute showed herself the faster craft in light airs, but there is still some doubt as to which is the better boat in a steady breeze. The Vanitie is conceded the best in heavy Weather.
